Item IV below. NASDAQ has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ proposes to make clerical corrections to update certain cross-references in Rule 5710 and correct a typographic error. NASDAQ inadvertently failed to change these cross-references when the listing rules were relocated from the Rule 4000 Series of the NASDAQ Rulebook to the Rule 5000 Series.³ This rule filing will correct those cross-references. In addition, this rule filing will correct a typographic error in the Rule. The Exchange is not making any substantive changes to Rule 5710.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Section 6(b)(5) of the Act,⁵ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed rule change is consistent with these provisions in that it will eliminate confusion about NASDAQ rules by updating inaccurate cross-references to rules that have been renumbered,

without changing the substance of the rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(3) thereunder,⁷ NASDAQ has designated this proposal as one that is concerned solely with the administration of the self-regulatory organization. Accordingly, NASDAQ believes this proposal should become immediately effective.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
