Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is filing this proposal to extend the implementation date of its Nasdaq Opening Cross enhancements to the end of Q2 2021.

Nasdaq proposed to enhance its Opening Cross by (i) disseminating abbreviated order imbalance information prior to the dissemination of the Order Imbalance Indicator, (ii) amending certain cutoff times for on-open orders entered for participation in the Nasdaq Opening Cross and (iii) extending the time period for accepting certain Limit On Open Orders. These changes were filed by Nasdaq on February 10, 2021 [sic], and published in the Federal Register on February 17, 2021.<sup>3</sup> The Commission approved these changes on April 2, 2021.<sup>4</sup>

Nasdaq initially proposed that these changes become operative on April 26, 2021. Due to additional weekend testing in advance of the date of launch, Nasdaq has decided to delay the implementation of this new functionality until the end of Q2 2021. The Exchange will announce the new implementation date in an Equity Trader Alert at least ten days in advance of implementing the changes.

<sup>3</sup> See Securities Exchange Act Release No. 91096 (February 10, 2021), 86 FR 9972 (February 17, 2021) (NASDAQ-2021-004) ("Proposal").

<sup>4</sup> See Securities Exchange Act Release No. 91461 (April 2, 2021), 86 FR 18330 (April 8, 2021) ("Approval Order").

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The purpose of this proposal is to inform the SEC and market participants of the new implementation date for the Nasdaq Opening Cross enhancements. These enhancements were proposed in a rule filing that was submitted to the SEC, and this proposal does not make any substantive changes to that filing. Nasdaq is delaying the implementation date to allow for additional weekend testing prior to implementation.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As explained above, the purpose of this proposal is to inform the SEC and market participants of the new implementation date for the enhancements to the Opening Cross, and the Exchange does not expect the date change to place any burden on competition.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>9</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>10</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. Waiver of the operative delay would allow the Exchange to immediately extend the implementation date for the changes to the Nasdaq Opening Cross to allow for additional weekend testing prior to implementation. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>11</sup>

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>9</sup> 17 CFR 240.19b-4(f)(6).

<sup>10</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>11</sup> For purposes only of waiving the 30-day operative delay, the Commission also has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
