Section 4. Exchange Sharing of Participant Risk Settings

(a) **Sharing Risk Settings.** The Exchange may share any Participant risk settings in the trading system specified in Equity 6, Section 5 with the clearing member that clears transactions on behalf of the Participant. For purposes of this Rule, the term "Participant" has the meaning set forth in Equity 1, Section 1(a)(5).

(b) **Clearing Member Designation.** A Participant that does not self-clear may allocate the responsibility for establishing and adjusting the risk levels identified in Equity 6, Section 5 to a clearing member that clears transactions on behalf of the Participant, if designated in a manner prescribed by the Exchange. A Participant that chooses to allocate responsibility to its clearing member may view any risk levels established by the clearing member pursuant to this Rule, and will be notified of any action taken by the Exchange with respect to its trading activity. A Participant may revoke responsibility allocated to its clearing member pursuant to this paragraph at any time, if designated in a manner prescribed by the Exchange.
