II. Summary of the Proposal

As described in more detail in the Notice,⁷ the Exchange proposes to list and trade the Shares of the Trust under Nasdaq Rule 5711(d), which governs the listing and trading of Commodity-Based Trust Shares on the Exchange.

According to the Exchange, the investment objective of the Trust is to reflect the performance of the price of JitoSOL⁸ less the expenses of the Trust's operations.⁹ In seeking to achieve its investment objective, the Trust will only hold JitoSOL, cash, and cash equivalents, and will value its Shares daily based on the reported MarketVector JitoSol VWAP Close Index ("Index").¹⁰ The Trust is a passive investment vehicle that does not seek to pursue any investment strategy beyond reflecting the performance of the price of JitoSOL and any rewards from staking a portion of the Trust's JitoSOL.¹¹ The administrator determines the NAV of the Trust on each day that the Exchange is open for regular trading, as promptly as practical after

reached any conclusions with respect to any of the issues involved. Rather, the Commission seeks and encourages interested persons to provide comments on the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,¹⁶ the Commission is providing notice of the grounds for disapproval under consideration. The Commission asks that commenters address the sufficiency of the Exchange's statements in support of the proposal, which are set forth in the Notice, in addition to any other comments they may wish to submit about the proposed rule change. In particular, the Commission seeks comment on whether the proposal to list and trade Shares of the Trust, which would hold JitoSOL, is designed to prevent fraudulent and manipulative acts and practices or raises any new or novel concerns not previously contemplated by the Commission.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposal is consistent with Section 6(b)(5) or any other provision of the Act, and the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral
