Rule 70. Execution of Floor Broker Interest

* * * * *

(h)(i) Floor broker agency interest placed within files may participate in the opening and closing trades in accordance with Exchange policies and procedures governing the open and close and the provisions of Supplementary Material .25 and .26 below.

* * * * *

Supplementary Material

.25 Discretionary Instructions for Bids and Offers Represented via Floor Broker Agency Interest Files (e-Quotes SM)

(a)

* * * * *

(ii) Discretionary instructions are active at all times during the trading day and at the opening and closing transactions. Exchange systems will reject any d-Quotes that are entered 10 seconds or less before the scheduled close of trading. Executions of d-Quotes within the discretionary pricing instruction range are considered non-displayable interest for purposes of Rule 72.

* * * * *

.26 Pegging for d-Quotes and e-Quotes.

* * * * *

(iii) Pegging is only active when auto-quoting is active. Exchange systems will reject e-Quotes that employ pegging that are entered 10 seconds or less before the scheduled close of trading.
