Limitations on Listing Fees

* * * * *

Minimum Listing Fees for Subsequent Listing of Additional Securities. The minimum application fee for a subsequent listing of additional securities is \$5,000 (\$7,500 as of January 1, 2013). When listing additional securities, an issuer is billed Listing Fees in an amount equal to the greater of the \$5,000 (\$7,500 as of January 1, 2013) minimum supplemental listing application fee and the fee calculated on a per share basis. This applies to the listing of additional shares of an already listed equity security or to the listing of an additional class of equity security (other than a new class of common shares).
