4.   When a User purchases access to the LCN or IP network, it receives the ability to access the trading and execution systems of the NYSE, NYSE American, NYSE Arca, [and] NYSE National, and Chicago Stock Exchange, Inc. (CHX and, together, the Exchange Systems), subject, in each case, to authorization by the NYSE, NYSE American, NYSE Arca, [or] NYSE National or CHX, as applicable. Such access includes access to the customer gateways that provide for order entry, order receipt (i.e. confirmation that an order has been received), receipt of drop copies and trade reporting (i.e. whether a trade is executed or cancelled), as well as for sending information to shared data services for clearing and settlement. A User can change the access it receives at any time, subject to authorization by NYSE, NYSE American, NYSE Arca, [or] NYSE National, or CHX. NYSE, NYSE American, NYSE Arca, [and] NYSE National and CHX also offer access to Exchange Systems to their members, such that a User does not have to purchase access to the LCN or IP network to obtain access to Exchange Systems.
