December 21, 2020

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Exchange Rules to Delete Rules that Are Not Applicable to Trading on the Pillar Trading Platform

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that on December 9, 2020, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Exchange rules to delete rules that are not applicable to trading on the Pillar trading platform or are otherwise obsolete. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places

specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its rules to delete rules that are not applicable to trading on the Pillar trading platform or are otherwise obsolete.

To effect its transition of trading to the Pillar platform, the Exchange adopted Rules 1P through 13P. In addition, because certain Exchange rules pertaining to trading on a floor-based trading platform are not applicable to trading on the Pillar platform, the Exchange designated specified rules governing such trading with the following preamble: “This rule is not applicable to trading on the Pillar trading platform.”⁴

On August 22, 2019, the Exchange completed its transition of all trading to the Pillar platform. Because the rules that are not applicable to trading on the Pillar trading platform are now obsolete, the Exchange proposes to delete rules that have been replaced by a Pillar rule. The following chart sets forth the proposed rules for deletion (left-hand column) and applicable Pillar rule (right-hand column):

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the “Act”),⁶ in general, and furthers the objectives of Section 6(b)(5),⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that its proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system because it would eliminate rules that are now obsolete. The elimination of obsolete rules would reduce potential confusion and improve the clarity of the Exchange’s rules, thereby ensuring that members, regulators, and the public can more easily navigate and understand the Exchange’s rulebook.

⁵ The Exchange proposes to retain the section header “Dividends, Interest, Rights, etc.” and proposes to update the parenthetical to include only Rules 235 and 236.

⁷ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue, but rather it is designed to eliminate obsolete rules and enhance the clarity of the Exchange's rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder.

The Exchange has asked the Commission to waive the 30-day operative delay.¹⁰ The Commission finds that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because waiver of the operative delay will eliminate the potential for confusion and improve clarity by eliminating rules that are no longer applicable or are otherwise obsolete. Accordingly, the Commission hereby waives the 30-day operative delay

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

and designates the proposal operative upon filing.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
