(Release No. 34-95770; File No. SR-NYSEAMER-2022-38)

September 14, 2022

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change to Amend Its Equities Price List

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”),² and Rule 19b-4 thereunder,³ notice is hereby given that on August 31, 2022, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Equities Price List (“Price List”) to eliminate obsolete fees for the Exchange’s off-hours trading facility. The Exchange proposes to implement the fee changes effective September 1, 2022. The proposed change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places

specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to eliminate obsolete fees for the Exchange’s off-hours trading facility known as Crossing Session II (“CS II”).

The Exchange proposes to implement the fee changes effective September 1, 2022.

Background

Currently, the Exchange charges a fee of \$0.0004 per share (both sides) for executions in CS II.⁴ Fees for executions in CS II are capped at \$100,000 per month per member organization.

The Exchange recently determined to decommission CS II and delete the rules governing the off-hours trading facility, effective September 1, 2022.⁵ Since the Exchange will no longer be offering an after-hours trading session effective September 1, 2022, the Exchange accordingly proposes to delete the fees relating to CS II. To effectuate this change, the Exchange would delete Section IV of the Price List titled “Fees for Off-Hours Trading Facility” in its entirety as obsolete. Current Items V (Port Fees) and VI (ETP Fee) of the Price List would be re-numbered.

The proposed changes are not otherwise intended to address other issues, and the Exchange is not aware of any significant problems that market participants would have in complying with the proposed changes.

⁴ See note 10, supra. [sic]

⁵ See Securities Exchange Act Release No. 95499 (August 12, 2022), 87 FR 50894 (August 18, 2022) (SR-NYSEAMER-2022-35) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delete Current Rule 7.39E).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,⁷ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Proposed Change is Reasonable

The Exchange believes that the proposed elimination of after-hours trading facility fees is reasonable because, effective September 1, 2022, the fees are no longer charged. The Exchange believes it is reasonable to delete obsolete fees from the Price List because it would streamline the Price List and reduce confusion as to which fees are applicable on the Exchange. The Exchange believes that amending the Price List to remove fees that are no longer charged would promote the protection of investors and the public interest because it would promote clarity and transparency in the Price List, thereby enabling market participants to navigate the Exchange's Price List more easily.

The Proposal is an Equitable Allocation of Fees

The Exchange believes the proposal equitably allocates its fees among its market participants because the obsolete after-hours trading facility fees that the Exchange proposes to eliminate would be eliminated in their entirety, and would no longer be available to any member organization in any form. Similarly, the Exchange believes the proposal equitably allocates fees among its market participants because elimination of obsolete fees would apply to all similarly-

⁷ 15 U.S.C. 78f(b)(4) & (5).

situated member organizations on an equal basis. All such member organizations would continue to be subject to the same fee structure, and access to the Exchange's market would continue to be offered on fair and nondiscriminatory terms.

The Proposal is Not Unfairly Discriminatory

The Exchange believes that the proposal is not unfairly discriminatory because it neither targets nor will it have a disparate impact on any particular category of market participant. The Exchange believes that the proposal is not unfairly discriminatory because the proposed elimination of the obsolete fees would affect all similarly-situated market participants on an equal and non-discriminatory basis. The Exchange believes that eliminating obsolete fees would no longer be available to any member organization on an equal basis. The Exchange also believes that the proposed change would protect investors and the public interest because the deletion of obsolete fees would make the Price List more accessible and transparent and facilitate market participants' understanding of the fees charged for services currently offered by the Exchange.

Finally, the Exchange believes that it is subject to significant competitive forces, as described below in the Exchange's statement regarding the burden on competition.

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁸ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Instead, as discussed above, the proposal relates solely to elimination of obsolete fees for a decommissioned after-hours trading facility and, as such,

⁸ 15 U.S.C. 78f(b)(8).

would not have any impact on intra- or inter-market competition because the proposed change is solely designed to accurately reflect the services that the Exchange currently offers, thereby adding clarity to the Price List.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
