B. Monthly Credits

Requirement

Monthly Credit

* * * * *

eDMMs may elect to receive an additional monthly credit per security (“Credit Per Security”) across all eDMM assigned securities, provided that the eDMM agrees to a lower transaction credit for adding displayed liquidity of \$0.0020 for all assigned securities. An eDMM that elects the Credit Per Security must notify the Exchange prior to the start of a month if the eDMM elects to change their credit either to or from the Credit Per Security. The Credit Per Security will be available for the following month for assigned securities that meet the following quoting requirements:

	Minimum Average Time eDMM Quotes at the NBBO per Security			
	25%	40%	50%	<u>70%</u>
Monthly Credit per Security	\$100	\$350	\$850	<u>\$1,000</u>
