II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE Amex proposes to amend Rule 975NY pertaining to the nullification and adjustment of options transactions. Specifically, the Exchange proposes to adopt a new provision which provides that in the interest of maintaining a fair and orderly market and for the protection of investors, the Chief Executive Officer of NYSE Amex ("CEO") or his/her designee (collectively "Exchange officer"),⁶ may, on his or her own motion or upon request, determine to review any transaction occurring on the Exchange that is believed to be erroneous.⁷ A transaction reviewed pursuant to this new provision may be nullified or adjusted only if it is determined by the Exchange officer that the transaction is erroneous as provided in Rule 975NY(a)(1)-(5) or Commentary .04 thereof. A transaction would be adjusted or nullified in accordance with the provision under which it is deemed an erroneous transaction. The Exchange

⁶ The Exchange represents that a CEO designee will be an officer of the Exchange, who has also been designated as a Trading Official, such as the Executive Vice President of Trading Operations or the Vice President of Trade Operations or the Vice President of Options Floor Operations. Exchange officers are employees of the Exchange, and are not affiliated with ATP Holders or ATP Firms.

⁷ In the event a party to a transaction requests the review of a transaction, an Exchange officer nonetheless would need to determine, on his or her own motion, whether to review the transaction.

officer may be assisted by a Trading Official in reviewing a transaction.

The Exchange officer shall act pursuant to this paragraph as soon as possible after receiving notification of the transaction, and ordinarily would be expected to act on the same day as the transaction occurred. However, because a transaction under review may have occurred near the close of trading or due to unusual circumstances, the rule provides that the Exchange officer shall act no later than 9:30 a.m. (ET) on the next trading day following the date of the transaction in question. An ATP Holder affected by a determination to nullify or adjust a transaction pursuant to this new provision may appeal such determination in accordance with Rule 975NY(a)(6); however, a determination by an Exchange officer not to review a transaction, or a determination not to nullify or adjust a transaction for which a review was requested or conducted, is not appealable. NYSE Amex believes it is appropriate to limit review on appeal to only those situations in which a transaction is actually nullified or adjusted.

This new provision is not intended to replace a party's obligation to request a review, within the required time periods under Rule 975NY(a)(3), of any transaction that it believes meets the criteria for an obvious error. And, if a transaction is reviewed and a determination has been rendered pursuant to Rules 975NY(a)(1)-(5) or Commentary .04 thereof, no additional relief may be granted under this new provision. Moreover, NYSE Amex does not anticipate exercising this new authority in every situation in which a party fails to make a timely request for review of a transaction pursuant to Rule 975NY(a)(3). NYSE Amex believes this provision will help to protect the integrity of its marketplace by vesting an Exchange officer with the authority to review a transaction that may be erroneous, notwithstanding that a party failed to make a timely request for a review.

The Exchange also proposes at this time to revise Rule 975NY(a)(3)(A) in order to clarify that the time period in which a Market Maker or other ATP Holder must notify the Exchange, when requesting relief from a possible erroneous transaction, applies to all transactions that are subject to adjustment or nullification, pursuant to Rule 975NY(a)(1)-(5).

2. Statutory Basis

This proposed rule change is designed to allow an Exchange officer to review a transaction in order to provide the opportunity for potential relief to a party affected by an obvious error. The Exchange believes that for these reasons the proposed rule change is consistent with Section 6(b) of the Act⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act⁹ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. NYSE Amex notes that the Exchange officer can adjust or nullify a transaction under the authority granted by this new provision only if the transaction meets the objective criteria for an obvious error under NYSE Amex rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

⁹ 15 U.S.C. 78f (b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6)(iii) thereunder.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

¹³ 17 CFR 240.19b-4(f)(6).
