Commentary

.01 No change.

.02 Self-Trade Prevention. The Exchange shall cancel any resting Market Maker quote(s) and order(s) to buy (sell) that are priced equal to or higher (lower) than an incoming Market Maker quote, order or both to sell (buy) entered under the same trading permit identification. The Exchange shall specify from time to time via a Regulatory Information Bulletin the Market Maker trading interest (i.e., quotes and orders) to which Self-Trade Prevention will apply. Self-Trade Prevention shall not be applicable during a Trading Auction or to individual legs of Complex Orders.
