Release of Disciplinary Information **Through the Public Disclosure Program**

Rule 10.17(a) The Exchange shall, in response to a request, release a copy of any identified disciplinary decision issued by the Exchange or any Committee thereof; provided, however, that each copy of:

(1) a decision that is released prior to the expiration of the time period provided under NYSE Arca Rule 10.8 for appeal or while such an appeal is pending shall be accompanied by a statement that the findings and sanctions imposed in the decision may be increased, decreased, modified, or reversed by the Exchange;

(2) a final decision of the Exchange that is released prior to the time period provided under the Securities Exchange Act of 1934 for appeal to the Securities and Exchange Commission or while such an appeal is pending shall be accompanied by a statement that the findings and sanctions of the Exchange are subject to review and modification by the Securities and Exchange Commission; and

(3) a final decision of the Exchange that is released after the decision is appealed to the Securities and Exchange Commission shall be accompanied by a statement as to whether the effectiveness of the sanctions has been stayed pending the outcome of proceedings before the Securities and Exchange Commission.

(b)(1) The Exchange shall release to the public information with respect to any disciplinary decision issued pursuant to NYSE Arca Rule 10 imposing: (i) a suspension, cancellation or expulsion upon an OTP Holder or OTP Firm; or (ii) suspension or revocation of

the registration of an associated person of an OTP Holder or OTP Firm; or (iii) suspension or barring of an OTP Holder or OTP Firm or associated person from association with all OTP Holders or OTP Firms; or (iv) imposition of monetary sanctions of \$10,000 or more upon an OTP Holder or OTP Firm or associated person; or (v) containing an allegation of a violation of a Designated Rule; and may also release to the public such information with respect to any disciplinary decision or group of decisions that involve a significant policy or enforcement determination where the release of information is deemed by the President of the Exchange to be in the public interest. The Exchange may, in its discretion, determine to waive the requirement to release information with respect to a disciplinary decision under those extraordinary circumstances where the release of such information would violate fundamental notions of fairness or work as an injustice. The Exchange may release to the public information on any disciplinary or other decision issued pursuant to NYSE Arca Rule 10 not specifically enumerated in this paragraph, regardless of sanctions imposed, so long as the names of the parties and other identifying information is redacted.

A “Designated Rule” means (i) SEC Rule 10b-5, (ii) NYSE Arca Rule 11.5, or (iii) NYSE Arca Rule 11.2.

(A) The Exchange shall release to the public, in unredacted form, information with respect to any disciplinary decision issued pursuant to NYSE Arca Rule 10.8 that does not meet one or more of the criteria in section (b)(1) for the release of information to the public, provided that the underlying decision issued pursuant to NYSE Arca Rule 10.7 meets one or more of the criteria in section (b)(1) for the release of information to the public, and information regarding such decision has been released to the public in unredacted form.

(B) In the event there is more than one respondent in a disciplinary decision issued pursuant to NYSE Arca Rule 10 and sanctions imposed on one or more, but not all, of the respondents meets one or more of the criteria in section (b)(1) for the release of information to the public, the Exchange shall release to the public, in unredacted form, information with respect to the respondent(s) who meet such criteria, and may release to the public, in redacted form, information with respect to the respondent(s) who do not meet such criteria. Notwithstanding the foregoing, the Exchange shall release to the public, in unredacted form, information with respect to any respondent in a disciplinary decision issued pursuant to NYSE Arca Rule 10.8 if the sanctions imposed on such respondent in the underlying decision issued pursuant to NYSE Arca Rule 10.7 meet one or more of the criteria for release of information to the public, and information with respect to that respondent has been released in unredacted form.

(2) Information released to the public pursuant to subparagraph (b)(1) shall be accompanied by a statement to the extent required for that type of information under subparagraphs (a)(1) – (3).

(c) Information regarding any sanctions imposed pursuant to NYSE Arca Rule 10.6 shall be released to the public pursuant to paragraph (b) immediately upon such approval.

(d) If a decision of the Exchange imposing monetary sanctions of \$10,000 or more or a penalty of expulsion, revocation, suspension and/or barring of an OTP Holder or OTP Firm from being associated with all OTP Holders or OTP Firms is appealed to the Securities and Exchange Commission, notice thereof shall be given to all OTP Holders and OTP Firms and to the press as soon as possible after receipt by the Exchange of notice from the Securities and

Exchange Commission of such appeal and the Exchange's notice shall state whether the effectiveness of the Exchange's decision has been stayed pending the outcome of proceedings before the Securities and Exchange Commission.

(e) In the event an appeal to the federal courts is filed from a decision by the Securities and Exchange Commission in a case previously appealed to it from a decision of the Exchange, involving the imposition of monetary sanctions of \$10,000 or more or a penalty of expulsion, revocation, suspension and/or barring of an OTP Holder or OTP Firm from being associated with all OTP Holders or OTP Firms, notice thereof shall be given to the OTP Holders or OTP Firms as soon as possible after receipt by the Exchange of a formal notice of appeal. Such notice shall include a statement whether the order of the Securities and Exchange Commission has been stayed.

(f) Any order issued by the Securities and Exchange Commission of (i) revocation or suspension of an OTP Holder's or OTP Firm's broker/dealer registration with the Securities and Exchange Commission; or (ii) the suspension or expulsion of an OTP Holder or OTP Firm from the Exchange; or (iii) the suspension or barring of an OTP Holder or OTP Firm or an associated person from association with all broker/dealers or OTP Holders or OTP Firms; or (iv) the imposition of monetary sanctions of \$10,000 or more shall be released to the public through a notice containing the effective date thereof sent as soon as possible after receipt by the Exchange of the order of the Securities and Exchange Commission.

(g) Cancellations of Option Trading Permits or registration pursuant to the Exchange's Rules and interpretative material shall be released to the public as soon after the effective date of the cancellation as possible.

(h) Releases to the public referred to in paragraph (b) above shall identify the Exchange Rule(s) or the SEC Rule(s) violated, and shall describe the conduct constituting such violation. Releases may also identify the OTP Holder or OTP Firm with which an individual was associated at the time the violations occurred if such identification is determined by the Exchange to be in the public interest.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE Arca included statements concerning the purpose of, and basis for, the proposed rule change. The text of these statements may be examined at the places specified in Item III below, and is set forth in Sections A, B, and C below.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Under the proposed Public Disclosure Program, the Exchange would release to the public certain information concerning the disciplinary history of OTP Holders, OTP Firms, and associated persons. The Exchange is instituting such procedures in order to provide investors with information regarding final disciplinary decisions related to such OTP Holders, OTP Firms, and associated persons. The primary purpose of the Public Disclosure Program is to help investors make informed choices about the individuals and firms with whom they may wish to do business. Currently, the Exchange does not have rules related to the release of disciplinary decisions to members of the public. Proposed NYSE Arca Rule 10.17 would allow the Exchange to release

such information upon request and when certain other circumstances exist, as explained in greater detail below.

Disciplinary Decisions. If a member of the public requests a copy of an identified disciplinary decision issued by the Exchange or any committee thereof, a copy of the decision will be provided to the requesting member of the public. The Exchange's practice will be to provide such information on a per-OTP Holder, OTP Firm, or associated person basis. The Exchange will not charge the public for this service.

The Exchange will also release information to the public with respect to disciplinary decisions that: (i) impose a suspension, cancellation, or expulsion of an OTP Holder or OTP Firm; (ii) impose the suspension or revocation of the registration of an associated person of an OTP Holder or OTP Firm; (iii) impose the suspension or barring of an OTP Holder, OTP Firm, or associated person from association with all OTP Holders or OTP Firms; (iv) impose monetary sanctions of \$10,000 or more upon an OTP Holder, OTP Firm, or associated person; or (v) contain an allegation of a violation of a Designated Rule.³ The Exchange will release unredacted information concerning decisions issued by the Board Appeals Committee that do not meet one or more of the criteria in proposed NYSE Arca Rule 10.17(b)(1), provided that the underlying decision meets one or more of the criteria in proposed NYSE Arca Rule 10.17(b)(1), and the information regarding the underlying decision was released to the public in unredacted form.

In the event that there is more than one respondent in a disciplinary decision and sanctions are imposed on one or more of the respondents, but not all of the respondents meet one or more of the criteria in proposed NYSE Arca Rule 10.17(b)(1) for the release of information, the Exchange

³ A "Designated Rule" means (i) Commission Rule 10b-5 under the Act, (ii) NYSE Arca Rule 11.5 (Manipulation), or (iii) NYSE Arca Rule 11.2 (Prohibited Acts). See proposed NYSE Arca Rule 10.17(b)(1).

will release to the public unredacted information with respect to the respondents who meet such criteria. In addition, the Exchange may release redacted information to the public with respect to the respondents who do not meet the criteria in proposed NYSE Arca Rule 10.17(b)(1).

The Exchange may release information to the public concerning disciplinary decisions that involve significant policy or enforcement determinations where the release of such information is deemed by the President of the Exchange to be in the public interest. In addition, the Exchange may exercise its discretion and waive the requirement to release information with respect to a disciplinary decision under extraordinary circumstances where the release of the information would violate fundamental notions of fairness or work as an injustice. Finally, the Exchange may release public information concerning any disciplinary or other decision issued pursuant to NYSE Arca Rule 10 that is not specifically enumerated in proposed NYSE Arca Rule 10.17(b)(1), regardless of the sanctions imposed, so long as the names of the parties and other identifying information are redacted.

Notices. Decisions that are released to a member of the public must include certain notices. Decisions that are released prior to the period in which a respondent may request an appeal pursuant to NYSE Arca Rule 10.8 (Review) or while an appeal is pending must include a statement that the findings and sanctions imposed in the decision may be increased, decreased, modified, or reversed by the Exchange. In addition, a final decision by the Exchange that is released prior to the period in which a respondent may appeal to the Commission or while such appeal is pending will include a statement that the findings and sanctions of the Exchange are subject to review and modification by the Commission. Lastly, a final decision of the Exchange that is released after the decision is appealed to the Commission will include a statement as to

whether the effectiveness of the sanctions has been stayed pending the outcome of proceedings before the Commission.

Appeals. In the instance that the Exchange's decisions are appealed to the Commission or the federal courts, the Exchange will notify all OTP Holders, OTP Firms, and the press. This includes all Exchange decisions imposing monetary sanctions of \$10,000 or more or a penalty of expulsion, revocation, suspension, and/or barring of an OTP Holder or OTP Firm from being associated with all OTP Holders or OTP Firms.

Commission Orders. The Exchange will release through a notice to the public information with respect to any order issued by the Commission: (i) revoking or suspending an OTP Firm's or OTP Holder's broker-dealer registration; (ii) suspending or expelling an OTP Firm or OTP Holder from the Exchange; (iii) suspending or barring an OTP Holder, OTP Firm, or an associated person from associating with all broker-dealers, OTP Holders, or OTP Firms; or (iv) imposing monetary sanctions of \$10,000 or more.

Offers of Settlement. The Exchange will release information regarding sanctions imposed pursuant to NYSE Arca Rule 10.6 (Offers of Settlement) upon the approval of offers of settlement.

Cancellation of Option Trading Permits. In cases where the Exchange cancels an Options Trading Permit or registration, the Exchange will notify the public as soon after the effective date of the cancellation as possible.

While proposed NYSE Arca Rule 10.17 is based substantially on NASD Rule 8310 (Sanctions for Violation of the Rules) and IM-8310-2 (Release of Disciplinary and Other Information Through the Public Disclosure Program), it does not incorporate all aspects of such NASD Rule. For example, proposed NYSE Arca Rule 10.17 excludes public disclosure of disciplinary complaints and arbitrations. The Exchange's intention is for public disclosure not to

apply to disciplinary complaints that involve undecided issues or arbitrations between parties. The Exchange plans to notify OTP Holders, OTP Firms, and associated persons of the effectiveness of this proposed rule change through the Exchange's Internet Web site and a regulatory bulletin.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁴ in general, and furthers the objectives of Section 6(b)(5)⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁶ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁷ which requires that an exchange have rules designed, among other things, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general to protect investors and the public interest.

The Commission believes that the proposal to institute the Public Disclosure Program, which is substantially based on NASD Rule 8310 and IM-8310-2,⁸ serves the interest of investor protection because it allows NYSE Arca members and the general public to promptly learn of final disciplinary decisions involving its broker-dealer members or associated persons of such members. By notifying the public of a final decision issued by the Exchange or any committee of the Exchange that results in the suspension, cancellation, expulsion, and/or barring of an OTP Holder or OTP Firm or the imposition of monetary sanctions of \$10,000 or more, for example, the Commission believes that the Public Disclosure Program should provide important information to the public, create additional incentives for members of the Exchange to comply with its rules, and help investors make informed choices and decisions about the individuals and firms with whom they may wish to conduct business. As such, the Commission finds that the proposed program

⁶ In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁷ 15 U.S.C. 78f(b)(5).

⁸ See Securities Exchange Act Release No. 35138 (December 22, 1994), 59 FR 67362 (December 29, 1994) (approving the NASD program to publish final disciplinary decisions involving its members).

promotes just and equitable principles of trade, encourages the prevention of fraudulent and manipulative acts and practices, and seeks to perfect the mechanism of a free and open market.

The Commission finds good cause for approving this proposed rule change, as amended, before the thirtieth day after the publication of notice thereof in the Federal Register. As noted earlier, prompt disclosure of final disciplinary decisions serves the interest of protecting investors and the general public.⁹ Therefore, accelerating approval of the proposed rule change should benefit investors because they will have access to the NYSE Arca disciplinary information sooner. The Public Disclosure Program should foster compliance with NYSE Arca rules, heighten awareness of the public investor with respect to the conduct of business on the Exchange, and, in general, improve the overall integrity of the market center.

⁹ See id.

IT IS THEREFORE ORDERED, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (SR-NYSEArca-2006-03), as amended, is hereby approved on an accelerated basis.¹⁰
