

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-84648; File No. SR-NYSEArca-2018-85)

November 26, 2018

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Its Certificate of Incorporation, Bylaws and Rule 3.3

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on November 20, 2018, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its certificate of incorporation, bylaws and Rule 3.3(a)(1)(B) to (1) harmonize certain provisions thereunder with similar provisions in the governing documents of the Exchange’s national securities exchange affiliates and parent companies; and (2) make clarifying and updating changes. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it

received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Certificate of Incorporation of the Exchange (“Exchange Certificate”), Amended and Restated Bylaws of the Exchange (“Exchange Bylaws”), and Rule 3.3(a)(1)(B) to (1) harmonize certain provisions thereunder with similar provisions in the governing documents of the Exchange’s national securities exchange affiliates⁴ and parent companies; and (2) make clarifying and updating changes.

The Exchange is owned by the Holding Member, which in turn is indirectly wholly owned by NYSE Holdings LLC (“NYSE Holdings”). NYSE Holdings is a wholly owned subsidiary of Intercontinental Holdings, Inc. (“ICE Holdings”), which is in turn wholly owned by the Intercontinental Exchange, Inc. (“ICE”).⁵

⁴ The Exchange has four registered national securities exchange affiliates: NYSE National, Inc. (“NYSE National”), New York Stock Exchange LLC (“NYSE”), NYSE America [sic] LLC (“NYSE American”), and Chicago Stock Exchange, Inc. (“CHX” and together with the Exchange, NYSE National, NYSE American, and NYSE, the “NYSE Group Exchanges”). CHX has filed to change its name to NYSE Chicago, Inc. See Exchange Act Release No. 84494 (October 26, 2018), 83 FR 54953 (November 1, 2018) (SR-CHX-2018-05) (“NYSE Chicago Release”) (notice of filing and immediate effectiveness of proposal to reflect name changes of the Exchange and its direct parent company and to amend certain corporate governance provisions). The rule changes set forth in the NYSE Chicago Release will become operative upon the Second Amended and Restated Certificate of Incorporation of Chicago Stock Exchange, Inc. (“NYSE Chicago Certificate”) becoming effective pursuant to its filing with the Secretary of State of the State of Delaware.

⁵ See Exchange Act Release No. 82638 (February 6, 2018), 83 FR 6072 (February 12, 2018) (SR-NYSE Arca-2018-09) (notice of filing and immediate effectiveness of

The Exchange operates as a separate self-regulatory organization and has rules, membership rosters and listings distinct from the rules, membership rosters and listings of the other NYSE Group Exchanges. At the same time, however, the Exchange believes it is important for each of the NYSE Group Exchanges to have a consistent approach to corporate governance in certain matters, to simplify complexity and create greater consistency among the NYSE Group Exchanges.⁶

Because the Exchange is a Delaware non-stock corporation, most of the proposed changes are based on the governing documents of CHX and NYSE National, which are Delaware corporations, as the most comparable NYSE Group Exchanges.⁷ The proposed Exchange Certificate and Exchange Bylaws reflect the expectation that the Exchange will continue to be operated with a governance structure substantially similar to that of other NYSE Group Exchanges, primarily CHX and NYSE National.

The changes described herein would become operative upon the Exchange Certificate becoming effective pursuant to its filing with the Secretary of State of the State of Delaware.

The proposed amendments described below are primarily based on the Second Amended and Restated Certificate of Incorporation of Chicago Stock Exchange, Inc. (“NYSE Chicago Certificate”); Second Amended and Restated By-Laws of NYSE Chicago, Inc. (“NYSE Chicago Bylaws”)⁸; Amended and Restated Certificate of Incorporation of NYSE National, Inc. (“NYSE

proposed rule change to amend certain of the governing documents of the Exchange’s intermediate parent companies).

⁶ See NYSE Chicago Release, *supra* note 4, at 54953.

⁷ The other NYSE Group Exchanges, NYSE and NYSE American, are limited liability companies organized under New York and Delaware limited liability company law, respectively.

⁸ The NYSE Chicago Certificate and NYSE Chicago Bylaws will become operative when the NYSE Chicago Certificate becomes effective pursuant to its filing with the Secretary

National Certificate”); Fifth Amended and Restated Bylaws of NYSE National, Inc. (“NYSE National Bylaws”)⁹; and Sixth Amended and Restated Certificate of Incorporation of NYSE Group, Inc. (“NYSE Group Certificate). In addition, the amendments to the indemnification provisions are based on the Eighth Amended and Restated Bylaws of Intercontinental Exchange, Inc. (“ICE Bylaws”) and the Sixth Amended and Restated Bylaws of Intercontinental Exchange Holdings, Inc. (“ICE Holdings Bylaws”).

Proposed Amendments to the Exchange Certificate

The Exchange proposes to amend the Exchange Certificate as follows.

Title and Introductory Paragraphs

The Exchange proposes to amend the title to reflect that the proposed Exchange Certificate is the “Amended and Restated Certificate of Incorporation of NYSE Arca, Inc.”¹⁰ In addition, it proposes to adopt introductory paragraphs stating the Exchange’s name and stating that the Exchange Certificate was adopted and amended in accordance with specific provisions of the General Corporation Law of the State of Delaware (“DGCL”). The introductory paragraphs are substantially similar to the introductory paragraphs of the NYSE Chicago

of State of the State of Delaware. Id.

⁹ The Exchange notes that, concurrent with this filing, NYSE National is filing changes to the NYSE National Certificate and Bylaws. See SR-NYSENat-2018-24. References to such documents in this filing are to the NYSE National Certificate and Bylaws currently in effect. The Exchange governing documents use “member,” “Exchange” and “Board” instead of “stockholder,” “Corporation,” and “Board of Directors,” which are used by CHX and NYSE National in their governing documents. When comparing a proposed change to the provision it is based on, the below descriptions do not note when such terms differ, as they are not substantive differences.

¹⁰ See Exhibit B [sic] to Amendment No. 2, SR-PCX-2006-24 (March 6, 2006); see also Exchange Act Release No. 53615 (April 7, 2006), 71 FR 19226 (April 13, 2006) (SR-PCX-2006-24) (notice of filing and immediate effectiveness of proposed rule change and Amendments No. 1 and 2 thereto to change the names of the Pacific Exchange, Inc., PCX Equities, Inc., PCX Holdings, Inc., and the Archipelago Exchange, L.L.C.).

Certificate.

Article 1

In a non-substantive change, the Exchange proposes to replace “NYSE ARCA, INC.” with “NYSE Arca, Inc.” in Article 1, to reflect that the legal name of the Exchange is not entirely in capital letters. Proposed Article 1 is substantially similar to Article 1 of the NYSE Chicago Certificate and Article FIRST of the NYSE National Certificate, provided that the Exchange Certificate provision defines “Exchange.”

Article 2 and Certificate of Change of Registered Agent and/or Registered Office

In a non-substantive change, the Exchange proposes to update the address of the registered office and name of the registered agent, as previously filed. The Exchange also proposes to delete the “Certificate of Change of Registered Agent and/or Registered Office.”¹¹

Article 9

Article 9 permits the Exchange to enter into a compromise with its creditors in certain circumstances. The Exchange proposes to amend current Article 9 to be consistent with the relevant provision of the DGCL, including the use of “corporation” instead of “Exchange.”¹² The proposed article would be substantially similar to Article TENTH of the NYSE Chicago Certificate and Article TENTH of the NYSE National Certificate.

Article 10

In a non-substantive change, the Exchange proposes to correct a reference to “this Article 11” to reference Article 10.

Article 12

¹¹ See Exchange Act Release No. 82924 (March 22, 2018), 83 FR 13163 (March 27, 2018) (SR-NYSEArca-2018-18).

¹² See Del. Code tit. 8, §102(b)(2)(ii).

Article 12 addresses indemnification. The Exchange proposes to delete Article 12 in its entirety, as the indemnification provision is set forth in Article VII, Section 7.01 of the Exchange Bylaws, making this provision redundant. Subsequent articles would be renumbered accordingly. NYSE Chicago made a similar change, deleting Article EIGHTH(a) of its Certificate.¹³

Article 13

Current Article 13 (proposed Article 12) states that the approval of a majority of the members of the Board and a majority of the existing Corporate Members shall be required to amend or repeal any provision of the Exchange Certificate, and that any change to the Exchange Certificate or Bylaws that is required to be approved by or filed with the Commission before it may become effective shall not become effective until the required Commission procedures have been satisfied.

The Exchange proposes to amend the provision to state that the Exchange reserves the right to amend the Exchange Certificate and to change or repeal any provision thereof, provided that any amendment must be approved by a majority of the members of the Board present at the relevant meeting and by a majority of the existing Corporate Members. In addition, the Exchange proposes to add a sentence providing that before any amendment to, alteration or repeal of any provision of the Exchange Certificate shall be effective, those changes shall be submitted to the Board and, if required, the proposed changes shall not become effective until filed with or filed with and approved by the Commission, as the case may be. The revised provision would read as follows (deletions bracketed; new text underlined):

¹³ See NYSE Chicago Release, supra note 4, at 54956.

The approval of either a majority of the Board of Directors or the affirmative vote of a majority of the existing Corporate Members, shall be required to adopt, amend or repeal any provision of the bylaws of the Exchange. The [approval of]Exchange reserves the right to amend this certificate of incorporation, and to change or repeal any provision of the certificate of incorporation, and all rights conferred upon Corporate Members by such certificate of incorporation are granted subject to this reservation; provided, however, that any amendment to this certificate of incorporation must be approved by a majority of the members of the Board of Directors who are present at the meeting at which the amendment is proposed and by a majority of the existing Corporate Members [shall be required to amend or repeal any provision of this Certificate of Incorporation]. Any change to the Certificate of Incorporation or bylaws that is required to be approved by or filed with the United States Securities and Exchange Commission (the "Commission") before it may become effective shall not become effective until the procedures of the Commission necessary to make it effective shall have been satisfied. Before any amendment to, or repeal of, any provision of this Certificate of Incorporation shall be effective, those changes shall be submitted to the Board of Directors of the Exchange and if such amendment or repeal must be filed with or filed with and approved by the Commission, then the proposed changes to this Certificate of Incorporation shall not become effective until filed with or filed with and approved by the Commission, as the case may be.

The proposed new text would be substantially similar to Article ELEVENTH of the NYSE Chicago Certificate. In addition, the proposed final sentence is consistent with the final sentence of Article ELEVENTH of the NYSE National Certificate.

Article 14

Article 14 sets forth the name and mailing address of each of the incorporators. In a non-substantive change, the Exchange proposes to delete current Article 14 in its entirety, as it is obsolete.¹⁴ Neither NYSE Chicago nor NYSE National have a similar provision in their respective certificates.¹⁵

Proposed Article 13 and Signature Block

In an administrative change, the Exchange proposes to add a statement in proposed Article 13 setting forth the date and time that the Exchange Certificate shall be effective, as well as to add a signature block with the date of execution. The proposed change would be consistent with Article XIV and signature block of the NYSE Group Certificate.

Proposed Amendments to the Exchange Bylaws

The Exchange proposes to amend the Exchange Bylaws as follows.

Article I (Offices)

Article I contains a provision stating that the Exchange shall have a registered office in Delaware as required by law, and elsewhere as determined by the Board. The Exchange proposes to (a) amend the title and number to the provision in Article I, and (b) add a sentence that states that the Exchange's Delaware registered agent shall be such person or entity determined by the Board. The proposed title and final sentence would be consistent with the final sentence of

¹⁴ See Del. Code tit. 8, §242(a)(7)(a).

¹⁵ The Exchange notes that the certificates of incorporation of NYSE Group, ICE Holdings and ICE also do not have similar provisions.

Article I, Section 1 of the NYSE Chicago Bylaws and of Article II, Section 2.1 of the NYSE National Bylaws.¹⁶

Article II (Members)

The Exchange proposes to delete Sections 2.02, 2.04, and 2.05, which are marked “Reserved,” and renumber the remaining sections of Article II accordingly.

Proposed Article 2.03 (Dividends; Regulatory Fees and Penalties: Current Section 2.06 states that “revenues received by the Exchange from regulatory fees or regulatory penalties will be applied to fund the legal, regulatory and surveillance operations of the Exchange and will not be used to pay dividends.”

The Exchange proposes to maintain the substance of current Section 2.06, renumbering it as Article 2.03, but substantially conforming the provision to the governing documents of the other NYSE Group Exchanges.¹⁷ The proposed language would expand the scope of the provision to include regulatory assets and fines as well as fees or penalties collected by the Exchange’s regulatory staff, and would add a prohibition on the payment of distributions to other entities. The Exchange would also revise the title and add subparagraphs. Proposed Section 2.03 provides as follows (deletions bracketed; new text underlined):

(b) Any [revenues received by the Exchange from]regulatory assets or any regulatory fees, fines or [regulatory] penalties collected by the Exchange’s regulatory staff will be applied to fund the legal, regulatory and surveillance operations of the Exchange, and the Exchange shall not distribute such assets, fees, fines or penalties [and will not be used] to pay dividends or be distributed to

any other entity. For purposes of this Section, regulatory penalties shall include restitution and disgorgement of funds intended for customers.

Article III (Board of Directors)

Section 3.03 (Vacancies): Section 3.03 provides that any vacancy on the Board may be filled by the Chairman of the Board, subject to the approval by a majority of the directors.

In an administrative change, the Exchange proposes to add text stating that (a) such approval must be made by a majority of the directors then in office, as opposed to total number of seats on the Board; and (b) the Holding Member may also fill any vacancy, and those vacancies resulting from removal from office by a vote of the Holding Member for cause may be filled by a vote of the Holding Member at the same meeting at which such removal occurs. The first sentence of the amended paragraph would be as follows (additions underlined):

Whenever between meetings of the Exchange any vacancy exists on the Board of Directors by reason of death, resignation, removal or increase in the authorized number of directors or otherwise, it may be filled (i) by the Chairman of the Board, subject to approval by a majority of the Board of Directors then in office, or (ii) by action taken by the Holding Member, and those vacancies resulting from removal from office by a vote of the Holding Member for cause may be filled by a vote of the Holding Member at the same meeting at which such removal occurs.

The change would be consistent with clause (ii) of Article II, Section 5 of the NYSE Chicago Bylaws, which was amended at the time of its acquisition by ICE.¹⁸

Section 3.04 (Place of Meetings): Section 3.04 provides that any meeting of the Board may be held within or without the State of Delaware.

¹⁸ See Exchange Act Release No. 83635 (July 13, 2018), 83 FR 34182 (July 19, 2018) (SR-CHX-2018-004), and Partial Amendment No. 2 to SR-CHX-2018-004 (June 11, 2018).

In an administrative change, the Exchange proposes to amend the provision to state that the meeting shall be at the place designated in the notice of the meeting, but that if no designation is made, the meeting will be at the principal office of the Exchange. The change would be consistent with the first sentence of NYSE National Bylaws Article III, Section 3.8 and NYSE Chicago Bylaws, Article II, Section 7.¹⁹

Sections 3.07 (Quorum): Section 3.07 (Quorum) provides that the presence of a majority of the number of directors on the Board is necessary to constitute a quorum, and adds that, if less than a quorum is present at a Board meeting, the directors present may adjourn the meeting to another time or place until a quorum is present.

The Exchange proposes to revise the quorum requirement to state that “Except as otherwise required by law, at all meetings of the Board, the presence of a majority of the number of directors then in office shall constitute a quorum for the transaction of business.” In addition, it proposes to replace the sentence regarding procedures if less than a quorum is present with the statement that, if a quorum is not present, “a majority of the directors present at the meeting may adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present.”

Changing the quorum requirement to a majority of the directors then in office would be consistent with the quorum provisions of the other NYSE Group Exchanges.²⁰ The proposed

¹⁹ The remaining text of the NYSE National and NYSE Chicago provisions address conference call meetings, which are covered in Article III, Section 3.10 of the Exchange Bylaws.

²⁰ See NYSE Chicago Bylaws Article II, Section 10; NYSE National Bylaws Article III, Section 3.11; NYSE Operating Agreement, Article II, Section 2.03(d); and NYSE American Operating Agreement, Article II, Section 2.03(d). See also DCGL Section 141(b).

text is substantially similar to the second and fourth sentences of NYSE Chicago Bylaws Article II, Section 10.²¹

Section 3.08 (Vote): Pursuant to Section 3.08, the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by law, the Exchange Certificate, the Exchange Bylaws or the Rules.

The Exchange proposes to add a sentence stating that each director shall be entitled to one vote. The revised provision is substantially similar to the first and third sentences of NYSE Chicago Bylaws Article II, Section 10.²²

Section 3.09 (Action in Lieu of a Meeting): Section 3.09 provides that, unless otherwise restricted by the Exchange Certificate, Exchange By-Laws, or Exchange Rules, action may be taken without a meeting if certain procedural requirements are met.

In an administrative change, the Exchange proposes to replace “Unless otherwise restricted by” with “Unless otherwise provided by law.” The proposed change would allow the provision to be consistent with both applicable law and the Exchange governing documents and rules, should applicable law set forth specific requirements that differ from such documents. The change would be consistent with NYSE Chicago Bylaws Article II, Section 13.

Article V (Officers)

Section 5.01 (General): Section 5.01 provides that officers of the Exchange must include a Secretary and may include a President, Chief Executive Officer (“CEO”) and, upon the CEO’s recommendation, any other officers deemed desirable for the conduct of business. In addition, it states that any two or more offices may be held by the same person.

²¹ See NYSE Chicago Release, supra note 4, at 54958-54959.

²² See id. See also NYSE National Bylaws Article III, Section 3.11.

In an administrative change, the Exchange proposes to amend Section 5.01 to provide that the Board shall elect officers of the Exchange as it deems appropriate. The statement that two or more offices may be held by the same person would be revised to exclude the Chief Regulatory Officer and the Secretary from holding the office of CEO or President. The revised provision would be substantially similar to Article VI, Section 6.1 of the NYSE National Bylaws and Article V, Section 1 of the NYSE Chicago Bylaws.²³

Section 5.02 (Privileges): In a non-substantive change, the Exchange proposes to revise the name of Section 5.02 to “Powers and Duties,” as it is more indicative of the content of the Section, which sets forth the powers and duties of officers. The Exchange does not propose to amend the text of Section 5.02. The revised title would be the same as the title of Article VI, Section 6.4 of the NYSE National Bylaws and Article V, Section 3 of the NYSE Chicago Bylaws.

Section 5.03 (Term of Office; Removal and Vacancy): The first sentence of Section 5.03 provides that “[e]ach officer shall hold office until his or her successor is elected and qualified or until his or her earlier resignation or removal.”

The Exchange proposes to add death and retirement as events that would cause an officer to no longer hold office. The proposed change would be consistent with Article V, Section 2(a) of the NYSE Chicago Bylaws.²⁴

Section 5.04 (Chief Executive Officer): The second sentence of Section 5.04 states that “[s]ubject to the control of the Board of Directors, the Chief Executive Officer, or such other officer or officers as may be designated by the Board, shall have general executive charge, management and control of the properties, business and operations of the Exchange with all such

²³ See NYSE Chicago Release, supra note 4, at 54962.

²⁴ See id.

powers as may be reasonably incident to such responsibilities; may agree upon and execute all leases, contracts, evidences of indebtedness and other obligations in the name of the Exchange; and shall have such other powers and duties as designated in accordance with these Bylaws and as from time to time may be assigned by the Board of Directors.”

The Exchange proposes to delete the second sentence of Section 5.04, as Section 5.02 already provides that the any officer of the Exchange, including the CEO, shall, unless otherwise ordered by the Board, have such powers and duties as generally pertain to their office as well as such powers and duties as from time to time may be conferred by the Board. The Exchange notes that Article VI of the NYSE National Bylaws similarly does not have a separate provision regarding the powers of its chief executive officer.²⁵

Article VI (Miscellaneous)

Section 6.05 (Affiliate Transaction): Section 6.05 sets forth a list of transactions that the Exchange may not enter into with any affiliate of the Exchange unless such transaction shall have been first approved by a majority vote of the disinterested directors of the Exchange who are also public directors, and sets our related definitions and requirements.

The Exchange proposes to delete Section 6.05 in its entirety. Section 6.05 of the Exchange Bylaws dates to the demutualization of the Exchange (then “Pacific Exchange, Inc.”), when its ownership structure was materially different.²⁶ The Exchange believes that Section 6.05 is no longer necessary given the corporate structure of ICE and the Exchange, as reflected

by the fact that no other NYSE Group Exchange has a similar provision in its governing documents.²⁷

Article VII (Indemnification)

Section 7.01 (Indemnification): Section 7.01 sets forth provisions related to indemnification by the Exchange. As a wholly-owned subsidiary of ICE, the Exchange believes it appropriate to harmonize the Exchange’s indemnification provisions with those of ICE and the Exchange’s intermediate holding company, ICE Holdings.²⁸ The same change was made to Article VI of the NYSE Chicago Bylaws.²⁹

Accordingly, the Exchange proposes to delete the text of Section 7.01 (Indemnification) in its entirety and replace it with proposed text that is substantially similar to the CHX, ICE and ICE Holdings provisions, with the exception of changes to be consistent with the Exchange Bylaws’ terminology.³⁰ The proposed text follows:

- (a) The Exchange shall, to the fullest extent permitted by law, as those laws may be amended and supplemented from time to time, indemnify any director or officer made, or threatened to be made, a party to any action, suit or proceeding,

²⁷ The Exchange notes that it has not found a similar provision in the bylaws of other incorporated self-regulatory organizations. See Tenth Amended and Restated Bylaws of CBOE Exchange, Inc.. [sic]; Ninth Amended and Restated Bylaws of CBOE EDGA Exchange, Inc.; Ninth Amended and Restated Bylaws of CBOE EDGX Exchange, Inc.; Eighth Amended And Restated Bylaws of CBOE BYX Exchange, Inc.; and By-Laws Of Nasdaq BX, Inc. ²⁹ See NYSE Chicago Release, supra note 4, at 54962-54963. The Exchange understands that NYSE, NYSE American, and NYSE National propose to file similar changes to their respective indemnification provisions.

³⁰ For example, proposed Section 7.01 uses “officer” instead of “Senior Officers,” “Exchange” instead of “Corporation,” and “Section 7.01” instead of “Section 10.6.”

whether criminal, civil, administrative or investigative, by reason of being a director or officer of the Exchange or a predecessor corporation or, at the Exchange's request, a director, officer, partner, member, employee or agent of another corporation or other entity; provided, however, that the Exchange shall indemnify any director or officer in connection with a proceeding initiated by such person only if such proceeding was authorized in advance by the Board of Directors of the Exchange. The indemnification provided for in this Section 7.01 shall: (i) not be deemed exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement or vote of stockholders or disinterested directors or otherwise, both as to action in their official capacities and as to action in another capacity while holding such office; (ii) continue as to a person who has ceased to be a director or officer; and (iii) inure to the benefit of the heirs, executors and administrators of an indemnified person.

(b) Expenses incurred by any such person in defending a civil or criminal action, suit or proceeding by reason of the fact that he is or was a director or officer of the Exchange (or was serving at the Exchange's request as a director, officer, partner, member, employee or agent of another corporation or other entity) shall be paid by the Exchange in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Exchange as authorized by law.

Notwithstanding the foregoing, the Exchange shall not be required to advance such expenses to a person who is a party to an action, suit or proceeding brought

by the Exchange and approved by a majority of the Board of Directors of the Exchange that alleges willful misappropriation of corporate assets by such person, disclosure of confidential information in violation of such person's fiduciary or contractual obligations to the Exchange or any other willful and deliberate breach in bad faith of such person's duty to the Exchange or its stockholders.

(c) The foregoing provisions of this Section 7.01 shall be deemed to be a contract between the Exchange and each director or officer who serves in such capacity at any time while this bylaw is in effect, and any repeal or modification thereof shall not affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought based in whole or in part upon any such state of facts. The rights provided to any person by this bylaw shall be enforceable against the Exchange by such person, who shall be presumed to have relied upon it in serving or continuing to serve as a director or officer or in such other capacity as provided above.

(d) The Board of Directors in its discretion shall have power on behalf of the Exchange to indemnify any person, other than a director or officer, made or threatened to be made a party to any action, suit or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that such person, or his or her testator or intestate, is or was an officer, employee or agent of the Exchange or, at the Exchange's request, is or was serving as a director, officer, partner, member, employee or agent of another corporation or other entity.

(e) To assure indemnification under this Section 7.01 of all directors, officers, employees and agents who are determined by the Exchange or otherwise to be or to have been “fiduciaries” of any employee benefit plan of the Exchange that may exist from time to time, Section 145 of the Delaware General Corporation Law shall, for the purposes of this Section 7.01, be interpreted as follows: an “other enterprise” shall be deemed to include such an employee benefit plan, including without limitation, any plan of the Exchange that is governed by the Act of Congress entitled “Employee Retirement Income Security Act of 1974,” as amended from time to time; the Exchange shall be deemed to have requested a person to serve an employee benefit plan where the performance by such person of his duties to the Exchange also imposes duties on, or otherwise involves services by, such person to the plan or participants or beneficiaries of the plan; excise taxes assessed on a person with respect to an employee benefit plan pursuant to such Act of Congress shall be deemed “fines.”

Article IX (Amendment)

In a conforming change, the Exchange proposes to add a section number before the word “Amendment.”

Proposed Amendments to Rule 3.3(a)(1)(B)

Rule 3.3(a)(1)(B) establishes the composition of the Exchange Regulatory Oversight Committee (“ROC”), and is substantially the same as the related provisions in the governing documents of the other NYSE Group Exchanges.³¹ Among other things, the provision states that

³¹ See NYSE National Bylaws, Article V, Section 5.6; NYSE Operating Agreement, Article II, Section 2.03(h)(ii); NYSE American Operating Agreement, Article II, Section 2.03(h)(ii); and NYSE Chicago Bylaws, Article IV, Section 6.

“[t]he Board may, on affirmative vote of a majority of directors, at any time remove a member of the ROC for cause.” The Exchange proposes to add language clarifying that the majority affirmative vote requirement is based on the “directors then in office,” as opposed to total number of seats on the Board. The change would be consistent with Article IV, Section 6 of the NYSE Chicago Bylaws.³²

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act,³³ in general, and furthers the objectives of Section 6(b)(1)³⁴ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Exchange Act,³⁵ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed amendments to the Exchange Bylaws,

³² See NYSE Chicago Release, *supra* note 4, at 54961. The Exchange understands that NYSE, NYSE American, and NYSE National propose to file similar changes to their respective ROC provisions.

Certificate and Rule 3.3(a) would enable the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange, because such amendments would add or expand upon existing provisions to protect and maintain the independence and integrity of the Exchange and its regulatory function and reinforce the notion that the Exchange is not solely a commercial enterprise, but a national securities exchange subject to the obligations imposed by the Exchange Act. Such provisions include ensuring that regulatory assets, fees, fines, and penalties may only be used to fund legal, regulatory and surveillance operations; and providing that any amendments to the Exchange Certificate must be submitted to the Board and, as applicable, shall not be effective until filed with or filed with and approved by the Commission. The Exchange believes that such provisions are consistent with and will facilitate a governance structure that will provide the Commission with appropriate oversight tools to ensure that the Commission will have the ability to enforce the Exchange Act with respect to the Exchange. The Exchange also believes that such amendments would act to insulate the Exchange's regulatory functions from its market and other commercial interests so that the Exchange can carry out its regulatory obligations and that, in general, the Exchange is administered in a way that is equitable to all those who trade on its market or through its facilities. Therefore, the Exchange believes that the proposed rule change would prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in facilitating transactions in securities, remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest.

The Exchange believes that the proposed amendments to harmonize certain provisions of the Exchange Bylaws, Certificate and Rule 3.3(a) with similar provisions of the governing documents of other NYSE Group Exchanges, ICE and ICE Holdings would contribute to the orderly operation of the Exchange and would enable the Exchange to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply with the provisions of the Exchange Act by its members and persons associated with members. For example, the proposed changes would create greater conformity between the Exchange's provisions relating to officers, committees, and indemnification and those of its affiliates, particularly NYSE National and CHX. The Exchange believes that such conformity would streamline the NYSE Group Exchanges' corporate processes, create more equivalent governance processes among them, and also provide clarity to the Exchange's members, which is beneficial to both investors and the public interest. At the same time, the Exchange will continue to operate as a separate self-regulatory organization and to have rules, membership rosters and listings distinct from the rules, membership rosters and listings of the other NYSE Group Exchanges.

The Exchange also believes that the greater consistency among the governing documents of the NYSE Group Exchanges, ICE and ICE Holdings would promote the maintenance of a fair and orderly market, the protection of investors and the protection of the public interest. Indeed, the proposed amendments would make the corporate requirements and administrative processes relating to the Board, Board committees, officers, and other corporate matters more similar to those of the NYSE Group Exchanges, in particular NYSE National and CHX, which have been established as fair and designed to protect investors and the public interest.³⁶

³⁶ See NYSE Chicago Release, supra note 4; Exchange Act Release Nos. 83303 (May 22, 2018), 83 FR 24517 (May 29, 2018) (SR-CHX-2018-004); and 79902 (January 30, 2017), 82 FR 9258 (February 3, 2017) (SR-NSX-2016-16) (order approving proposed

The Exchange believes that the deletion of Article VI, Section 6.05 of the Exchange Bylaws would be consistent with the orderly operation of the Exchange and would enable the Exchange to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply with the provisions of the Exchange Act by its members and persons associated with members. Section 6.05 does not relate to the operations of the Exchange's markets, but rather to potential transactions with affiliates of the Exchange. Section 6.05 dates to the demutualization of the Exchange, when its ownership structure was materially different.³⁷ The Exchange believes that Section 6.05 is no longer necessary given the corporate structure of ICE and the Exchange, as reflected by the fact that no other NYSE Group Exchange has a similar provision in its governing documents.³⁸ For the same reasons, the Exchange believes that the proposed deletion would be consistent with the promotion of the maintenance of a fair and orderly market, the protection of investors and the protection of the public interest.

The proposed amendments to clarify the meaning of certain provisions of the Exchange Bylaws, Certificate and Rule 3.3(a), to better comport certain provisions with the DGCL and to effect non-substantive changes would facilitate the Exchange's continued compliance with the Exchange Certificate and Bylaws and applicable law, which would further enable the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange. Such amendments would also remove impediments to

rule change in connection with proposed acquisition of the Exchange by NYSE Group, Inc.).

and perfects the mechanism of a free and open market by removing confusion that may result from corporate governance provisions that are either unclear or inconsistent with the governing law.

The Exchange also believes that the proposed amendments would remove impediments to and perfect the mechanism of a free and open market by ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the governing documents. The Exchange further believes that the proposed amendments would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.
