Rule 8.601-E. Active Proxy Portfolio Shares

(a) The Exchange shall consider for trading, whether by listing or pursuant to unlisted trading privileges, Active Proxy Portfolio Shares that meet the criteria of this Rule.

(b) Applicability. This Rule is applicable only to Active Proxy Portfolio Shares. Except to the extent inconsistent with this Rule, or unless the context otherwise requires, the rules and procedures of the Board of Directors shall be applicable to the trading on the Exchange of such securities. Active Proxy Portfolio Shares are included within the definition of “security” or “securities” as such terms are used in the Rules of the Exchange.

(c) Definitions. The following terms as used in the Rules shall, unless the context otherwise requires, have the meanings herein specified:

(1) Active Proxy Portfolio Shares. The term “Active Proxy Portfolio Share” means a security that (a) is issued by a investment company registered under the Investment Company Act of 1940 (“Investment Company”) organized as an open-end management investment company that invests in a portfolio of securities selected by the Investment Company’s investment adviser consistent with the Investment Company’s investment objectives and policies; (b) is issued in a specified minimum number of shares , or multiples thereof, in return for a deposit by the purchaser of the Proxy Portfolio and/or cash with a value equal to the next determined net asset value (“NAV”); (c) when aggregated in the same specified minimum number of Active Proxy Portfolio Shares, or multiples thereof, may be redeemed at a holder’s request in return for a transfer of the Proxy Portfolio and/or cash to the holder by the issuer with a value equal to the next determined NAV; and

(d) the portfolio holdings for which are disclosed within at least 60 days following the end of every fiscal quarter.

(2) Actual Portfolio. The term “Actual Portfolio” means the identities and quantities of the securities and other assets held by the Investment Company that shall form the basis for the Investment Company’s calculation of NAV at the end of the business day.

(3) Proxy Portfolio. The term “Proxy Portfolio” means a specified portfolio of securities, other financial instruments and/or cash designed to track closely the daily performance of the Actual Portfolio of a series of Active Proxy Portfolio Shares as provided in the exemptive relief pursuant to the Investment Company Act of 1940 applicable to such series. The website for each series of Active Proxy Portfolio Shares shall disclose the information regarding the Proxy Portfolio as provided in the exemptive relief pursuant to the Investment Company Act of 1940 applicable to such series, including the following, to the extent applicable:

- (i) Ticker symbol;
- (ii) CUSIP or other identifier;
- (iii) Description of holding;
- (iv) Quantity of each security or other asset held; and
- (v) Percentage weighting of the holding in the portfolio.

(4) Creation Unit. The term “Creation Unit” means a specified minimum number of Active Proxy Portfolio Shares issued by an Investment Company in return for a deposit by the purchaser of the Proxy Portfolio and/or cash.

(5) Reporting Authority. The term “Reporting Authority” in respect of a particular series of Active Proxy Portfolio Shares means the Exchange, an institution, or a reporting service designated by the Exchange or by the exchange that lists a particular series of Active Proxy Portfolio Shares (if the Exchange is trading such series pursuant to unlisted trading privileges) as the official source for calculating and reporting information relating to such series, including, but not limited to, NAV, the Actual Portfolio, Proxy Portfolio, or other information relating to the issuance, redemption or trading of Active Proxy Portfolio Shares. A series of Active Proxy Portfolio Shares may have more than one Reporting Authority, each having different functions.

(6) Normal Market Conditions. The term "normal market conditions" includes, but is not limited to, the absence of trading halts in the applicable financial markets generally; operational issues (e.g., systems failure) causing dissemination of inaccurate market information; or force majeure type events such as natural or manmade disaster, act of God, armed conflict, act of terrorism, riot or labor disruption or any similar intervening circumstance.

(d) Initial and Continued Listing. Active Proxy Portfolio Shares shall be listed and traded on the Exchange subject to application of the following criteria:

(1) Initial Listing. Each series of Active Proxy Portfolio Shares shall be listed and traded on the Exchange subject to application of the following initial listing criteria:

(A) For each series, the Exchange shall establish a minimum number of Active Proxy Portfolio Shares required to be outstanding at the time of commencement of trading on the Exchange.

(B) The Exchange shall obtain a representation from the issuer of each series of Active Proxy Portfolio Shares that the NAV per share for the series shall be calculated daily and that the NAV, the Proxy Portfolio, and the Actual Portfolio shall be made publicly available to all market participants at the same time.

(C) All Active Proxy Portfolio Shares shall have a stated investment objective, which shall be adhered to under normal market conditions.

(2) Continued Listing. Each series of Active Proxy Portfolio Shares shall be listed and traded on the Exchange subject to application of the following continued listing criteria:

(A) Actual Portfolio.

(i) The Actual Portfolio shall be publicly disseminated within at least 60 days following the end of every fiscal quarter and shall be made publicly available to all market participants at the same time.

(B) Proxy Portfolio.

(i) The Proxy Portfolio shall be made publicly available on the website for each series of Active Proxy Portfolio Shares at least once daily and shall be made available to all market participants at the same time.

(C) Suspension of trading or removal. The Exchange will consider the suspension of trading in, and will commence delisting proceedings under Rule 5.5-E(m) for, a series of Active Proxy Portfolio Shares under any of the following circumstances:

(i) if any of the continued listing requirements set forth in Rule 8.601-E are not continuously maintained;

(ii) if, following the initial twelve month period after commencement of trading on the Exchange of a series of Active Proxy Portfolio Shares, there are fewer than 50 beneficial holders of such series of Active Proxy Portfolio Shares;

(iii) if the Exchange is notified, or otherwise becomes aware, that the Investment Company is not in compliance with the conditions of any currently applicable exemptive order or no-action relief granted by the Commission or Commission staff to the Investment Company with respect to a series of Active Proxy Portfolio Shares;

(iv) if any of the statements or representations regarding (a) the description of the portfolio, (b) limitations on portfolio holdings, or (c) the applicability of Exchange listing rules, specified in the Exchange's rule filing pursuant to Section 19(b) of the Securities Exchange Act of 1934 to permit the listing and trading of a series of Active Proxy Portfolio Shares, is not continuously maintained; or

(v) if such other event shall occur or condition exists which, in the opinion of the Exchange, makes further dealings on the Exchange inadvisable.

(D) Trading Halt.

(i) The Exchange may consider all relevant factors in exercising its discretion to halt trading in a series of Active Proxy Portfolio Shares. Trading may be halted because of market conditions or for reasons that, in the view of the Exchange, make trading in the series of Active Proxy Portfolio Shares inadvisable. These may include: (a) the extent to which trading is not occurring in the securities and/or the financial instruments composing the portfolio; or (b) whether other unusual conditions or circumstances detrimental to the maintenance of a fair and orderly market are present.

(ii) If a series of Active Proxy Portfolio Shares is trading on the Exchange pursuant to unlisted trading privileges, the Exchange shall halt trading in that series as specified in Rule 7.18-E(d)(1).

(iii) Upon notification to the Exchange by the issuer of a series of Active Proxy Portfolio Shares, that the NAV, Proxy Portfolio or Actual Portfolio with respect to a series of Active Proxy Portfolio Shares is not disseminated to all market participants at the same time, the Exchange shall halt trading in such series until such time as the NAV, Proxy Portfolio or Actual Portfolio is available to all market participants at the same time.

(E) Termination. Upon termination of an Investment Company, the Exchange requires that Active Proxy Portfolio Shares issued in connection with such entity be removed from Exchange listing.

(F) Voting. Voting rights shall be as set forth in the applicable Investment Company prospectus.

(e) Limitation of Exchange Liability. Neither the Exchange, the Reporting Authority, when the Exchange is acting in the capacity of a Reporting Authority, nor any agent of

the Exchange shall have any liability for damages, claims, losses or expenses caused by any errors, omissions, or delays in calculating or disseminating any current portfolio value; the current value of the portfolio of securities required to be deposited to the Investment Company in connection with issuance of Active Proxy Portfolio Shares; the amount of any dividend equivalent payment or cash distribution to holders of Active Proxy Portfolio Shares; NAV; or other information relating to the purchase, redemption, or trading of Active Proxy Portfolio Shares, resulting from any negligent act or omission by the Exchange, the Reporting Authority, when the Exchange is acting in the capacity of a Reporting Authority, or any agent of the Exchange, or any act, condition, or cause beyond the reasonable control of the Exchange, its agent, or the Reporting Authority, when the Exchange is acting in the capacity of a Reporting Authority, including, but not limited to, an act of God; fire; flood; extraordinary weather conditions; war; insurrection; riot; strike; accident; action of government; communications or power failure; equipment or software malfunction; or any error, omission, or delay in the reports of transactions in one or more underlying securities.

Commentary:

.01 The Exchange will file separate proposals under Section 19(b) of the Securities Exchange Act of 1934 before the listing and trading of a series of Active Proxy Portfolio Shares. All statements or representations contained in such rule filing regarding (a) the description of the portfolio, (b) limitations on portfolio holdings, or (c) the applicability of Exchange listing rules specified in such rule filing will constitute continued listing requirements. An issuer of such securities must notify the Exchange of any failure to comply with such continued listing requirements.

.02 Transactions in Active Proxy Portfolio Shares shall occur during the trading hours specified in NYSE Arca Rule 7.34-E(a).

.03 Surveillance Procedures. The Exchange will implement and maintain written surveillance procedures for Active Proxy Portfolio Shares. As part of these surveillance procedures, the Investment Company's investment adviser will, upon request by the Exchange or FINRA, on behalf of the Exchange, make available to the Exchange or FINRA the daily portfolio holdings of each series of Active Proxy Portfolio Shares.

.04 If the investment adviser to the Investment Company issuing Active Proxy Portfolio Shares is registered as a broker-dealer or is affiliated with a broker-dealer, such investment adviser will erect and maintain a "fire wall" between the investment adviser and personnel of the broker-dealer or broker-dealer affiliate, as applicable, with respect to access to information concerning the composition and/or changes to such Investment Company's Actual Portfolio and/or Proxy Portfolio. Any person related to the investment adviser or Investment Company who makes decisions pertaining to the Investment

Company's portfolio composition or has access to non-public information regarding the Investment Company's Actual Portfolio or changes thereto or the Proxy Portfolio must be subject to procedures reasonably designed to prevent the use and dissemination of material non-public information regarding the Actual Portfolio or changes thereto or the Proxy Portfolio.
