II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE MKT Rules 500-525 - Equities, as a pilot program, govern the trading of any Nasdaq-listed security on the Exchange pursuant to unlisted trading privileges (“UTP Pilot Program”).<sup>5</sup> The Exchange hereby seeks to extend the operation of the UTP Pilot Program, currently scheduled to expire on January 31, 2013, until the earlier of Commission approval to make such pilot permanent or July 31, 2013.

The UTP Pilot Program includes any security listed on Nasdaq that (i) is designated as an “eligible security” under the Joint Self-Regulatory Organization Plan Governing the Collection, Consolidation and Dissemination of Quotation and Transaction Information for Nasdaq-Listed Securities Traded on Exchanges on an Unlisted Trading Privilege Basis, as amended (“UTP

The Exchange notes that its New Market Model Pilot (“NMM Pilot”), which, among other things, eliminated the function of specialists on the Exchange and created a new category of market participant, the Designated Market Maker (“DMM”),<sup>9</sup> is also scheduled to end on January 31, 2013.<sup>10</sup> The timing of the operation of the UTP Pilot Program was designed to correspond to that of the NMM Pilot. In approving the UTP Pilot Program, the Commission acknowledged that the rules relating to DMM benefits and duties in trading Nasdaq Securities on

the Exchange pursuant to the UTP Pilot Program are consistent with the Act<sup>11</sup> and noted the similarity to the NMM Pilot, particularly with respect to DMM obligations and benefits.<sup>12</sup> Furthermore, the UTP Pilot Program rules pertaining to the assignment of securities to DMMs are substantially similar to the rules implemented through the NMM Pilot.<sup>13</sup> The Exchange has similarly filed to extend the operation of the NMM Pilot until the earlier of Commission approval to make the NMM Pilot permanent or July 31, 2013.<sup>14</sup>

Extension of the UTP Pilot Program in tandem with the NMM Pilot, both from January 31, 2013 until the earlier of Commission approval to make such pilots permanent or July 31, 2013, will provide for the uninterrupted trading of Nasdaq Securities on the Exchange on a UTP basis and thus continue to encourage the additional utilization of, and interaction with, the Exchange, and provide market participants with improved price discovery, increased liquidity, more competitive quotes and greater price improvement for Nasdaq Securities.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange. In particular, the Exchange believes that its proposal to extend the UTP Pilot Program is consistent with (i) Section 6(b) of the Act,<sup>15</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>16</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to

and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; (ii) Section 11A(a)(1) of the Act,<sup>17</sup> in that it seeks to ensure the economically efficient execution of securities transactions and fair competition among brokers and dealers and among exchange markets; and (iii) Section 12(f) of the Act,<sup>18</sup> which governs the trading of securities pursuant to UTP consistent with the maintenance of fair and orderly markets, the protection of investors and the public interest, and the impact of extending the existing markets for such securities.

Specifically, the Exchange believes that extending the UTP Pilot Program would provide for the uninterrupted trading of Nasdaq Securities on the Exchange on a UTP basis and thus continue to encourage the additional utilization of, and interaction with, the Exchange, thereby providing market participants with additional price discovery, increased liquidity, more competitive quotes and potentially greater price improvement for Nasdaq Securities.

Additionally, under the UTP Pilot Program, Nasdaq Securities trade on the Exchange pursuant to rules governing the trading of Exchange-Listed securities that previously have been approved by the Commission. Accordingly, this proposed rule change would permit the Exchange to extend the effectiveness of the UTP Pilot Program in tandem with the NMM Pilot, which the Exchange has similarly proposed to extend until the earlier of Commission approval to make such pilot permanent or July 31, 2013.<sup>19</sup>

**B. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
