FEE SCHEDULE OF NYSE TEXAS, INC.

Updated through May 19, 2025

FEES, ASSESSMENTS, CREDITS AND REBATES

* * * * *

E. Transaction and Order Processing Fees and Credits

1. Executions resulting from single-sided orders

Trading Session	Tape	Security Price	Liquidity Providing Rate	Liquidity Removing Fee	Routing Fee	<u>Auction Fees</u>
All Trading Sessions	Tape A, Tape B and Tape C	≥ \$1.00 / share	\$0.0029/share credit for providing displayed liquidity \$0.0014/share credit for providing non-displayed liquidity (including MPL Orders)	\$0.0030 / share	\$0.0030 / share ¹	<u>\$0.0015 for Opening Orders</u> <u>\$0.0012 for Closing Orders</u> <u>\$0.0006 for executions in an auction other than from Auction Orders</u>
		< \$1.00 / share	0.10% of trade value fee	0.10% of trade value	0.30% of trade value	<u>0.10% of trade value</u>

These fees and credits are charged to the Participant that submits the order to the Exchange, with the following exception in connection with transactions that are subject to the agency fees set out in Section E.3(a) below:

- (a) The liquidity removing fee and liquidity providing credits shall not be assessed to any Institutional Broker.

- “Trade value” means a dollar amount equal to the price per share multiplied by the number of shares executed.
- “Auction Orders” means Market Orders, Market-On-Close Orders, Limit-On-Close Orders, and Auction-Only Orders executed in an NYSE Texas auction.
- “Closing Orders” means Market Orders, Market-On-Close Orders, Limit-On-Close Orders, and Auction-Only Orders executed in a Closing Auction.
- “Opening Orders” means Market Orders and Auction-Only Orders executed in an Early Open Auction, Core Open Auction, or Trading Halt Auction.

¹ \$0.0015 per share for Directed Orders routed to OneChronos LLC. Directed Orders means a Limit Order with instructions to route on arrival at its limit price to a specified alternative trading system (“ATS”) with which the Exchange maintains an electronic linkage.
