**RULE 605 – Daily Margin Report**

*[marked changes from File No. SR-OCC-2022-004 are not effective until after the settlement time on the business day before the implementation date that the Corporation will announce at least two weeks prior to implementation, at which point the changes will be applied and this note automatically will be deleted]*

Prior to ~~8:00~~ ~~9:00~~-A.M. Central Time (~~9:00~~ ~~10:00~~- A.M. Eastern Time) of each business day, the Corporation shall make available to each Clearing Member a Daily Margin Report for each account

maintained by the Clearing Member with the Corporation. The Daily Margin Report shall show the amount of margin required by the Corporation on the Clearing Member's short positions in options (including futures options and commodity options that are subject to the Corporation's margin requirements pursuant to any Participating CCO Agreement), the Clearing Member's positions in futures (including commodity futures that are subject to the Corporation's margin requirements pursuant to any Participating CCO Agreement), and the Clearing Member's exercised contracts and stock loan and borrow positions. Margins previously deposited by the Clearing Member and any surplus over the amount required or deficit to be satisfied, as the case may be, will also be shown. A deficit in any account of a Clearing Member as shown in the Daily Margin Report of a particular day shall be satisfied by Settlement Time 9:00 A.M. Central Time (10:00 A.M. Eastern Time) on such day, notwithstanding any error in such Report and notwithstanding any margin excess that may exist in another account of the Clearing Member. Subject to the provisions of Rule 606, the Corporation shall be authorized to withdraw from the Clearing Member's bank account established in respect of any account an amount equal to such deficit as shown on the Daily Margin Report. All errors in the Daily Margin Report shall be reported to the Corporation promptly, and any correction or adjustment in the amount of required margin shall be shown on the next day's Daily Margin Report.

~~.... Interpretations and Policies:~~

~~.01 The Daily Margin Report will not include the amount of margin required by the Corporation on the Clearing Member's positions in variance futures. Instead, the Corporation will advise Clearing Members of such margin requirement separately, but in any event before 9:00 A.M. Central Time. For all purposes of the By-Laws and Rules, including Rule 605, the margin requirement with respect to variance futures will be treated as if it were included in the Daily Margin Report.~~

*Adjusted Contribution.* The required Clearing Fund contribution of a Clearing Member may be adjusted by the Corporation due to mergers, consolidations, position transfers, business expansions, membership approval or other similar events in connection with the calculations made in respect of a particular calendar month or at any other time. The Corporation shall provide notice to affected Clearing Members, by means of the reports described in Rule 1007, as soon as practicable after any such adjustment is determined. Any deficit resulting from the adjusted contribution shall be satisfied by the Clearing Member as provided in Rule 1005(a); ~~provided, however that a deficit that would otherwise be required to be satisfied on the first business day of a calendar month may be satisfied on the second business day if the deficit coincides with a deficit due to regular monthly sizing of the Clearing Fund as provided for in Rule 1005(b).~~ All individual adjustments as of a particular date, taken together, may result in a corresponding increase in the amount of the Clearing Fund but shall not be deemed to be a change in the calculated Clearing Fund size as that may be determined under Rule 1001. Any adjusted contribution resulting from any adjustment shall be in effect until the earlier of the next adjustment of the calculated size of the Clearing Fund under Rule 1001, or the next adjustment of the Clearing Member's required contribution pursuant to this paragraph.

Deficits due to standard monthly resizing of the Clearing Fund shall be satisfied by ~~9:00 A.M. Central Time (10:00 A.M. The cooling-off period shall be fifteen consecutive calendar days from the date of such proportionate charge; provided however, that if one or more subsequent events described in clauses (i) through (vi) of Rule 1006(a) occur during the fifteen-day period and result in one or more proportionate charges against the Clearing Fund, the cooling-off period shall be extended through (i) the fifteenth calendar day from the date of the most recent proportionate charge resulting from the subsequent event, or (ii) the twentieth calendar day from the date of the initial proportionate charge, whichever is sooner. After the cooling-off period ends, Clearing Members shall not be liable for any deficiency arising from losses or expenses suffered by the Corporation as a result of any event described in clauses (i) through (vi) of Rule 1006(a) that occurred during the cooling-off period. Each Clearing Member shall have and shall at all times maintain the ability to make good any deficiency described in this Rule 1006(h) by ~~9:00 A.M. Central Time (10:00 A.M. Eastern Time)~~ the first Settlement Time on the first business day following ~~the day on which the Corporation notifies~~ notification to the Clearing Member of such deficiency or such later time as provided by the Corporation.
