The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make a correction to the PHLX Fee Schedule, Section IX, entitled “NASDAQ OMX PSX FEES” under the “Market Data Distributor Fees” section to correct an inadvertent error in the definition of “Direct Access” contained in a recent filing (“previous filing”).³ The previous filing intended to amend the fee schedule to correct an anomaly that effectively exempted certain customers residing within the Exchange’s co-location facility from paying a monthly fee for direct access to Exchange data, while customers that received data from an extranet and resided outside the co-location facility were assessed the fee. The previous filing also deleted outdated verbiage in the fee schedule in order to eliminate confusion regarding application of the fees. However, the rule language contained an inadvertent error that effectively still exempts certain co-located customers receiving Exchange data feeds from paying a direct access fee.

The definition should be corrected to make clear that the definition of “Direct Access” is also applicable to a telecommunications interface with the Exchange for receiving Exchange data feeds (and not Exchange data) within the Exchange co-location facility as well. The Exchange is making this change due to an inadvertent clerical error in the previous filing and is making no other changes to Section IX.

³ Securities Exchange Act Release No. 63443 (December 6, 2010), 75 FR 77028, (December 10, 2010) (SR-Phlx-2010-170).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Sections 6(b)(5) of the Act,⁵ in particular. The proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed rule change is to correct an inadvertent error in the definition of “Direct Access” in Section IX of its Fee Schedule.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(3) thereunder,⁷ the Exchange has designated this proposal as one that is concerned solely with the administration of the self-regulatory organization. Accordingly, the Exchange believes that its proposal should become immediately effective.
