I. Rebates and Fees for Adding and Removing Liquidity in Select Symbols

With respect to Section I of this Pricing Schedule, the order that is received by the trading system first in time shall be considered an order adding liquidity and an order that trades against that order shall be considered an order removing liquidity, except with respect to orders that trigger an order exposure alert. An order that triggered an order exposure alert shall be considered an order removing liquidity during the order exposure period and an order that executed against such order shall be considered an order adding liquidity during the order exposure period. For orders triggering an order exposure alert, the "order exposure period" shall be defined as a time period established by the Exchange not to exceed one second.

Select Symbols BAC, EEM, GLD, IWM, MSFT, QQQ, SPY, and XLF. The following fees in this Section I shall only apply to Select Symbols.
