B. Port Fees

A port is a logical connection or session that enables a market participant to send inbound messages and/or receive outbound messages from the Exchange using various communication protocols. Port Fees are assessed in full month increments and are not prorated.

(i) The following order and quote protocols are available on Phlx:

(1) [Order Entry]FIX Port Fee \$650 per month per mnemonic

The [Order Entry]FIX Port Fee will be waived for mnemonics that are used exclusively for complex orders where one of the components of the complex order is the underlying security.

Member organizations will not be assessed a[n Order Entry]FIX Port Fee for additional ports acquired for ten business days for the purpose of transitioning technology. The member organization is required to provide the Exchange with written notification of the transition and all additional ports, provided at no cost, will be removed at the end of the ten business days.

(2) [Active] SQF Port Fee for ports that receive inbound quotes at any time within that month \$1,250 per port per month up to a maximum of \$42,000 per month
