(Release No. 34-60494; File No. SR-SCCP-2009-03)

August 12, 2009

Self-Regulatory Organizations; Stock Clearing Corporation of Philadelphia; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Related to an Amendment to the By-Laws of The NASDAQ OMX Group, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> notice is hereby given that on July 22, 2009, Stock Clearing Corporation of Philadelphia (“SCCP”) filed with the Securities and Exchange Commission (“Commission” or “SEC”) the proposed rule change described in Items I and II below, which items have been prepared primarily by SCCC. SCCC filed the proposed rule change under Rule 19b-4(f)(6) under the Act<sup>2</sup> so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the rule change from interested parties.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

SCCP is filing this proposed rule change with regard to proposed changes to the by-laws of its parent corporation, The NASDAQ OMX Group, Inc. (“NASDAQ OMX”). The proposed rule change will be implemented as soon as practicable following submission of this filing. The text of the proposed rule change is available at <http://nasdaqomxbx.cchwallstreet.com>, at SCCC’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

<sup>2</sup> 17 CFR 240.19b-4(f)(6).

In its filing with the Commission, SCCP included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. SCCP has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.<sup>3</sup>

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ OMX made certain amendments to its by-laws to update its by-laws and to make improvements in its governance. In SR-NASDAQ-2009-039, The NASDAQ Stock Market LLC ("NASDAQ Exchange") sought and received Commission approval to adopt these by-law changes as part of the rules of the NASDAQ Exchange.<sup>4</sup> SCCP is submitting this filing to adopt the same by-law changes as rules of SCCP.

The proposed changes to the by-laws are as follows:

- Article I is being amended to reflect the recent name changes of the Philadelphia Stock Exchange and the Boston Stock Exchange to NASDAQ OMX PHLX, Inc. and NASDAQ OMX BX, Inc., respectively.
- Article III is being amended to modify the procedures governing proposals by stockholders, including proposals by stockholders to nominate directors. Specifically, the amendment will require a stockholder making a proposal to supply more complete

information about the stockholder's background, including a description of any agreement, arrangement, or understanding between the stockholder, the beneficial owner of the stock, and any other persons acting in concert with them; a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares), the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such stockholder or such beneficial owner, with respect to shares of stock of NASDAQ OMX; and any other information regarding the stockholder and beneficial owner that would be required to be disclosed in a proxy statement under Section 14(a) of the Act. These changes are designed to provide the NASDAQ OMX Board of Directors and its stockholders with greater insight into the identity and intentions of persons presenting stockholder proposals to allow more thorough consideration of the merits of such proposals. These requirements are deemed satisfied, however, in the case of a proposal that is validly submitted under the rules and regulations promulgated under the Act (i.e., SEC Rule 14a-8) and included in NASDAQ OMX's proxy. However, compliance with the By-Laws or with SEC Rule 14a-8 provides the exclusive means for stockholders to make proposals. The amendments also provide that a representative of a stockholder qualified to appear at an annual meeting must be an officer, manager, or partner of the stockholder or must have written authorization from the stockholder. The amendments also make several minor clarifying changes to the text of Article III.

- Article IV is being amended to state explicitly that the Management Compensation Committee and the Audit Committee must be composed exclusively of independent directors within the meaning of the rules of the NASDAQ Stock Market that govern NASDAQ OMX's listing (and in the case of the Audit Committee, Section 10A of the Act).<sup>5</sup> Although NASDAQ OMX adheres scrupulously to the independence requirements imposed by the NASDAQ Stock Market and the Act, it believes that these requirements should be explicitly stated in the By-Laws as well. NASDAQ OMX is also removing language making its Chief Executive Officer an ex-officio, non-voting member of the Management Compensation Committee. In this regard, listing standards of the NASDAQ Stock Market require management compensation determinations regarding executive officers to be made by vote of the Board's independent directors or by vote of or upon the recommendation of a committee composed solely of independent directors.<sup>6</sup> NASDAQ OMX has satisfied this requirement by submitting compensation decisions to the vote of all of NASDAQ OMX's independent directors, but removing the Chief Executive Officer as an ex-officio director will provide it with flexibility to act upon the vote or upon the recommendation of the committee.
- Currently, NASDAQ OMX's Nominating Committee is required to be composed of persons who are not directors or who are directors not standing for reelection. This

<sup>5</sup> 15 U.S.C. 78j-1(m). Notably, "Staff Directors," who are officers of NASDAQ OMX serving on the NASDAQ OMX Board, are not considered independent under these provisions, and are therefore ineligible for service on the Audit Committee or Management Compensation Committee or, as discussed below, the newly constituted Nominating Committee.

<sup>6</sup> NASDAQ Exchange Rule 4350(c)(3).

- compositional requirement, which NASDAQ OMX's predecessor, The Nasdaq Stock Market, Inc., originally adopted while it was a wholly owned subsidiary of the National Association of Securities Dealers ("NASD"), is highly unusual for a public company such as NASDAQ OMX. In light of NASDAQ OMX's continued evolution into a public company with global operations, NASDAQ OMX believes that it is appropriate to adopt a standard nominating committee structure in which the committee is composed exclusively of independent directors. Under the amended by-law, the nominating committee shall consist of four or five directors, each of whom shall be an independent director within the meaning the rules of the NASDAQ Exchange. In addition, the number of Non-Industry Directors (i.e., Directors without material ties to the securities industry) must equal or exceed the number of Industry Directors, and at least two members of the committee must be Public Directors (i.e., directors who have no material business relationship with a broker or dealer, NASDAQ OMX, or its affiliates, or FINRA).
- Article VIII is being amended to provide that NASDAQ OMX shall provide indemnification against liability, advancement of expenses, and the power to purchase and maintain insurance on behalf of persons serving as a director, officer, or employee of any wholly owned subsidiary of NASDAQ OMX to the same extent as indemnification, advancement of expenses, and the power to maintain insurance is provided for directors, officers, or employees of NASDAQ OMX. Thus, for example, a director of one of NASDAQ OMX's US or Nordic exchanges would be entitled to indemnification (and advancement of expenses) by NASDAQ OMX if made a party to a lawsuit to the same extent as a director of NASDAQ OMX.

- Similarly, the discretionary authority of NASDAQ OMX under Section 8.1(c) of the By-Laws to provide indemnification to persons serving as an agent of NASDAQ OMX is being extended to persons serving as an agent of any wholly owned subsidiary of NASDAQ OMX. Article VIII is also being amended to clarify that any repeal, modification, or amendment of, or adoption of any provision inconsistent with the indemnification and advancement of expenses provided for in Article VIII will not adversely affect the right of any person covered by the provision if the act or omission that any proceeding arises out of or is related to had occurred prior to the time for the repeal, amendment, adoption, or modification.
- Article IX is being amended to modernize the language of the provisions dealing with capital stock to reflect possible participation in the Direct Registration System (“DRS”). DRS provides for the electronic registration of eligible securities in an investor's name on the books of the transfer agent or corporation eliminating the need for physical stock certificates or shares held in book-entry form by the beneficial owner's broker. Although under the Delaware General Corporation Law, NASDAQ OMX can authorize participation in the program through a resolution, the various amendments to Article IX track more closely the language of Section 158 of the Delaware General Corporation Law, as recently revised, to explicitly reference the possibility of capital stock in uncertificated form. The amendments, however, do not require NASDAQ OMX to participate in DRS or to eliminate stock certificates.
  - Article XII is being amended to conform certain of its provisions more closely to corresponding provisions in the Amended and Restated By-Laws of NYSE Euronext (“NYSE Euronext By-Laws”). Article XII contains provisions that govern the

relationship between NASDAQ OMX and each of its subsidiaries that is a self-regulatory organization. First, the article requires NASDAQ OMX's "[d]irectors, officers, employees, and agents" (emphasis added) to give due regard to the preservation of the independence of each self-regulatory subsidiary, not to take any actions that would interfere with each self-regulatory subsidiary's regulatory functions, to cooperate with the Commission, to consent to U.S. jurisdiction, and to consent in writing to the applicability of these provisions. Corresponding provisions of Articles VII, VIII, and IX of the NYSE Euronext By-Laws, however, do not include the ambiguous and potentially expansive word "agent." NASDAQ OMX is concerned that a broad construction of the term to include not only parties with which it establishes an explicit contractual agency relationship but also other service providers such as law firms and financial advisors that may act on NASDAQ OMX's behalf on certain occasions may deter some parties from providing services to NASDAQ OMX. However, in lieu of the requirement to obtain specific consents from agents, NASDAQ OMX proposes to adopt a provision from the NYSE Euronext By-Laws providing that NASDAQ OMX shall comply with the U.S. federal securities laws and the rules and regulations thereunder and shall cooperate with the Commission and the self-regulatory subsidiaries pursuant to and to the extent of their respective regulatory authority and shall take reasonable steps necessary to cause its agents to cooperate with the Commission and where applicable with the self-regulatory subsidiaries pursuant to their regulatory authority. Second, Article XII provides that NASDAQ OMX and its officers, directors, and employees<sup>7</sup> agree to

maintain an agent for service of process in the U.S. By contrast, Article VII of the NYSE Euronext By-Laws includes a statement that officers, directors, and employees shall be deemed to agree that the Corporation may serve as the U.S. agent for service of process. Accordingly, NASDAQ OMX proposes to adopt this more self-executing version. Finally, while the NASDAQ OMX By-Laws provide that NASDAQ OMX shall take such action as is necessary to insure that officers, directors, and employees consent in writing to the applicability of these provisions, Article IX of the NYSE Euronext By-Laws requires only that NYSE Euronext take reasonable steps necessary to cause officers, directors, and employees to consent. Although NASDAQ OMX has begun the process of collecting written consents from current officers, directors, and employees, it believes that the current language may be unreasonably demanding as applied to a multinational exchange operator with over 2,000 employees in over 20 countries. Accordingly, NASDAQ OMX proposes to adopt a version of NYSE Euronext's language, which will require reasonable steps to obtain consent from both current officers, directors, and employees, as well as prospective officers, directors, and employees prior to their acceptance of a position.

## 2. Statutory Basis

The proposed rule change is consistent with provisions of Section 17A of the Act<sup>8</sup> in general and with Section 17A(b)(3)(A) of the Act<sup>9</sup> in particular because it is designed to ensure that SCCP is so organized and has the capacity to be able to facilitate the prompt and accurate

<sup>9</sup> 15 U.S.C. 78q-1(b)(3)(A).

clearance and settlement of securities transactions and to enforce compliance by its participants with the rules of the clearing agency. The proposed changes will enhance the clarity of NASDAQ OMX's governance documents and improve its Board committee structures.

(B) Self-Regulatory Organization's Statement on Burden on Competition

SCCP does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) becomes operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6) thereunder.<sup>11</sup>

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. SCCP requests that the Commission waive the 30-day pre-operative waiting period

<sup>10</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>11</sup> 17 CFR 240.19b-4(f)(6).

contained in Rule 19b-4(f)(6)(iii).<sup>12</sup> Waiver of the waiting period will ensure that NASDAQ OMX is able to implement the proposed rule change, which has already been approved as a rule of the NASDAQ Exchange, without undue delay.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.<sup>13</sup> The Commission notes the proposal is substantively identical to proposals that were recently approved by the Commission and does not raise any new regulatory issues.<sup>14</sup> For these reasons, the Commission designates the proposed rule change as operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
