On a periodic basis the President meets with Mr. Yongue to discuss investment or administrative matters relating to specific client portfolios.

¹ *Chartered Financial Analyst (CFA®): The Chartered Financial Analyst (CFA) charter is a professional designation established in 1962 and awarded by CFA charter, candidates must pass three sequential, six-hour examinations over two to four years. The three levels of the CFA Program test a wide range of investments topics, including ethical and professional standards, fixed-income analysis, alternative and derivative investments, and portfolio management and wealth planning. In addition, CFA charter holders must have at least four years of acceptable profession experience in the investment decision-making process and must commit to abide by, and annually reaffirm, their adherence to the CFRA Institute Code of Ethics and Standards of Profession Conduct. To learn more about CFA charter, visit www.cfainstitute.org.*
