Louis Woodbeck is an employee of Innovation Partners LLC. Innovation Partners LLC and IP Financial Advisory Services LLC are not affiliated entities.

IP Financial Advisory Services LLC (IPFS LLC) is a registered investment advisory firm and is also a licensed Insurance agency. Our representatives are registered with IP FINANCIAL ADVISORY SERVICES LLC as investment advisor representative and may also be licensed insurance agents. IP FINANCIAL ADVISORY SERVICES LLC and our representatives, acting in capacity as insurance agents, will earn commission-based compensation for selling insurance products such as life, health, and long-term care products. Insurance commissions are separate from our advisory fees. This practice presents a conflict of interest where representatives providing investment advice on behalf of our firm and who are also insurance agents may have an incentive to recommend insurance products to clients for the purpose of generating commissions. In addition, IP FINANCIAL ADVISORY SERVICES LLC is a fiduciary and must act in the best interest of clients. Clients are under no obligation, contractually or otherwise, to purchase insurance products or any other products through IP FINANCIAL ADVISORY SERVICES LLC.

IP FINANCIAL ADVISORY SERVICES LLC and our representatives may recommend that clients use a third-party investment advisor ("TPIA") based on their needs and suitability. Prior to referring clients to third party advisors IP FINANCIAL ADVISORY SERVICES LLC ensures that the third-party advisors are duly licensed or notice filed with the Department of Corporations or other appropriate jurisdictions. IP FINANCIAL ADVISORY SERVICES LLC and our representatives may receive compensation from these TPIAs for recommending that clients use their services. This compensation generally takes the form of the TPIA sharing a percentage of the advisory fee the client pays to them with IP FINANCIAL ADVISORY SERVICES LLC and the respective representative.

These compensation arrangements present a conflict of interest because IP FINANCIAL ADVISORY SERVICES LLC and our representatives may have a financial incentive to recommend TPIAs that pay fees rather than those that don't. In addition, IP FINANCIAL ADVISORY SERVICES LLC and our representatives may have a conflict to refer clients to those TPIAs that pay higher fees over those that pay lower fees. Clients are not obligated, contractually or otherwise, to use the services of any TPIA that IP FINANCIAL ADVISORY SERVICES LLC or our representatives recommend.

IP FINANCIAL ADVISORY SERVICES LLC provides actuarial and other consulting services. The fees for such services are separate and apart from the advisory fees charged by IP FINANCIAL ADVISORY SERVICES LLC.

The actuarial and other consulting services that IP FINANCIAL ADVISORY SERVICES LLC provides include but are not limited to the following:
