This brochure supplement provides information about Paul M. Embree, Matthew L. Stadler, James Karabas, Christopher Jenks, Jennifer Clifford and Chad Rawleigh. Please contact the firm if you did not receive EMBREE FINANCIAL GROUP's brochure or if you have questions about the contents of this supplement.

Education and Business Standards

EMBREE FINANCIAL GROUP requires that advisors in its employ have a bachelor's degree from an accredited undergraduate academic institution. The firm also encourages additional coursework and continuing education as part of its ongoing personnel training, and including but not limited to administration, operations, compliance, financial planning, tax planning and investment management. Coursework toward the following accreditations or degrees are also highly recommended: an MBA, a CFP®, a CFA, a ChFC, JD, CTFA, EA, CIMA or CPA. Additionally, advisors must demonstrate an aptitude for financial planning and investment management.

Professional Certifications

Employees have earned certifications and credentials that are required to be explained in further detail.

Certified Financial Planner (CFP) - Certified Financial Planners are licensed by the CFP Board to use the CFP mark. CFP certification requirements:

- Hold a bachelor's degree from an accredited college or university.
- Completion of the financial planning education requirements set by the CFP Board (www.cfp.net).
- Successful completion of the 10-hour CFP® Certification Exam.
- Three-year qualifying full-time work experience.
- Successfully pass the Candidate Fitness Standards and background check.

Certified Investment Management Analyst (CIMA) are certified by the Investment Management Consultants Association

- The CIMA certification program covers five core topic areas
- Requires that candidates meet all eligibility requirements, including experience, education, examination, and ethics.
- Applicants must complete five steps in order to earn the certification.
- The CIMA certification program also requires that certificants complete three certification renewal requirements during each certification renewal period.

Chartered Financial Analyst (CFA) - Chartered Financial Analysts are licensed by the CFA Institute to use the CFA mark. CFA certification requirements:

- Hold a bachelor's degree from an accredited institution or have equivalent education or work experience.
- Successful completion of all three exam levels of the CFA Program.
- Have 48 months of acceptable professional work experience in the investment decision-making process.
- Fulfill society requirements, which vary by society. Unless you are upgrading from affiliate membership, all societies require two sponsor statements as part of each application; these are submitted online by your sponsors.

Agree to adhere to and sign the Member's Agreement, a Professional Conduct Statement, and any additional documentation requested by CFA Institute.
