Item 4: Other Business Activities

In addition to being an Investment Advisory Representative (“Advisory Representative”) of NWF Advisory Services, Inc., I, Shehab Mohammad, am a Registered Representative and Advisory Representative of Royal Alliance Associates, Inc. (“Royal Alliance”). Royal Alliance is a diversified financial services company registered with the Financial Industry Regulatory Authority (“FINRA”) as a broker-dealer engaged in the offer and sale of securities products. I may recommend the purchase of securities offered by Royal Alliance. If you purchase these products from me, I will receive normal commissions and may receive other indirect forms of compensation which may be in addition to customary advisory fees. As such, I may have an incentive to sell you commissionable products in addition to providing you with advisory services when such commissionable products may not be in your best interest.

While my security sales are reviewed for suitability by an appointed supervisor, you should be aware of the incentives I have to sell certain securities products and are encouraged to ask me about any conflict presented.

In addition, I am a licensed insurance agent and may recommend that you purchase insurance from me. I may receive direct and indirect compensation from the insurance that I sell you and as such, I may have incentive to recommend the purchase of insurance to increase my compensation even if the insurance I sell you may not be in your best interest.

In addition to the activities listed above, I am the President of NWF Advisory Group, Inc., NWF Advisory Services, Inc., and New World Financial & Insurance Services.

In addition to the activities listed above, I am an elected member of Optimist Youth Homes.

In an effort to ensure that my outside business activities do not interfere with or otherwise compromise my relationship with you, all outside business activities that I engage in are reviewed and approved by an appointed supervisor.

Please be aware that you are under no obligation to purchase products or services recommended by me in connection with providing you with any advisory service that I offer.

Item 5: Additional Compensation

As discussed previously, I am a Registered Representative of Royal Alliance. Royal Alliance offers me educational, training and incentive programs to me upon reaching certain sales production goals.

I may invest in mutual funds that participate in the Focus Elite and FundVest Programs, provided by Royal Alliance. In these programs, transaction charges that I may ordinarily have to bear for purchasing these securities in your account may be reduced or waived.

Certain Third Party Advisory Service Programs ("Advisory Service Programs") that I may offer you, provide me with the opportunity to attend training or education conferences. Such conferences include the payment or reimbursement of travel, meals and lodging expenses for attendees. Further, if I highlight the products or services of certain Advisory Service Programs during seminars or presentations that I compose, I may be entitled to advertising or marketing expense reimbursement.

Royal Alliance has provided me with funding in the form of loans as incentive to establish, maintain or expand my broker-dealer relationships with Royal Alliance. Such loans are typically used to assist in the transition and expansion of my practice.

As outlined above, the benefits that I receive may provide me with an incentive to put my interests before your best interests. While my security sales are reviewed for suitability by an appointed supervisor, you should be aware of the incentives I have to sell certain securities and provide certain advisory services and are encouraged to ask me about any conflict presented.

Item 6: Supervision

I have an appointed supervisor which generally reviews the advice that I provide to you which includes a review of all my securities transactions. My appointed supervisor as of the date of this writing is:

Desiree Sii
Regional Vice President, Supervision
Western Region
