Please keep a copy of this brochure supplement for your records.

Educational Background and Business Experience

Richard Lindsey, PhD is a Managing Partner of Windham Capital Management and Co-head of Windham Liquid Alternative strategies. Previously, he served as the Chief Investment Strategist, Liquid Alternatives for Janus Capital. In this role he developed and co-managed the liquid alternative strategies and was also a member of the Janus Capital Group Global Allocation Committee. Prior to joining Janus in August 2012, Dr. Lindsey was a principal of the Callcott Group, LLC, a quantitative consulting group, where he was responsible for directing research activities and advisory services. For eight years Dr. Lindsey was president of Bear, Stearns Securities Corporation and a member of the Management Committee of The Bear Stearns Companies, Inc. Before joining Bear Stearns, Dr. Lindsey served as the Director of Market Regulation for the U.S. Securities and Exchange Commission and as the Chief Economist of the SEC. He was a finance professor at the Yale School of Management before joining the SEC. Dr. Lindsey has also served on several corporate boards including, The Investment Fund for Foundations (TIFF), the Options Clearing Corporation, the International Securities Exchange, and Strike Technologies. Dr. Lindsey has done extensive work in the areas of portfolio construction, risk management, and the trading of securities. He has held the positions of Visiting Academic at the Nikko Research Institute in Tokyo, Japan, and Visiting Economist at the New York Stock Exchange. He is a Fellow of the Courant Institute, the Chairman of the International Association for Quantitative Finance as well as an Executive Vice President of the Quantitative Group for Finance.
