12.B	<p>An Investment Advisor Representative of Hutchinson Financial may suggest the purchase of securities through the Institutional Services Division of Charles Schwab & Co., Inc. or Foliofn Investments, Inc. In this case, the Investment Advisor Representative of Hutchinson Financial is not acting in the capacity of Registered Representative for Charles Schwab & Co, Inc., a registered broker dealer (Schwab) or Foliofn Investments, Inc., a registered broker-dealer (Foliofn). Whether the client chooses to use Schwab or Foliofn as their broker dealer, standard commission or fee rates are charged. In the case of Schwab, most, but not all mutual fund transactions are processed without commissions charged to the client. Further, through Schwab, other services may be provided to the client, such as customized statements, special reporting features, and electronically transmitted reporting functions. Through Foliofn, if a client requests a transaction outside Foliofn's "trading window", the client will incur extra charges. If these other services are provided to the client, the client will be notified of any additional charges or fees associated with such services. In the case of Foliofn, a percentage fee is charged by Foliofn to the client's account for all trading and custody services.</p> <p>Under Hutchinson Financial's pricing schedule with Foliofn, each client is allowed up to 45 Folios at no additional cost and the Folios can be held in multiple accounts under the same tax identification number. For the purposes of Foliofn's pricing schedule, a client is defined by each distinct tax identification number, even though the client may have multiple accounts. If a client has more than 10 Folios in a single account, each additional Folio shall cost \$120 per client per year, which shall be billed directly to the client's account. Further, each client is entitled to buy or sell up to 600 securities per month in Foliofn's periodic trading windows* commission free. Each window trade in excess of 600 per month shall cost \$1.00 per security per trade, which shall be billed directly to the client. Foliofn reserves the right to change the number of commission-free window trades included in the basic Foliofn Brokerage Fee at any time at its sole discretion, upon prior notice to Advisor.</p> <p>* Foliofn maintains a list of securities that are tradeable in its periodic block trading windows. Foliofn reserves the right to revise the list of securities available in its trading windows from time to time at its sole discretion.</p> <p>VOTING OF PROXIES</p> <p>Unless a client directs otherwise, in writing, the Registrant shall be responsible for directing the manner in which proxies solicited by issuers of securities beneficially owned by the client shall be voted. Information pertaining to how the Registrant voted on any specific proxy issue is also available upon written request.</p>
