Diane is a registered representative of 1st Global Capital Corp., a registered broker-dealer, Member FINRA/SIPC. Clients are under no obligation to purchase or sell securities through the Advisory Representatives. However, if they choose to implement their plan, commissions may be earned in addition to any fees paid for advisory services. Commissions maybe higher or lower at 1st Global than at other broker-dealers. Diane may have a conflict of interest in having clients purchase securities and or insurance related products through 1st Global in that the higher their production with 1st Global the greater opportunity for obtaining a higher payout on commissions earned. Further, Diane is restricted to only offering those products and services that have been reviewed and approved for offering to the public through 1st Global Capital Corp. Most trades will be referred to 1st Global Capital Corp for execution. Diane may earn reasonable and customary commission and/or 12b-1 fees on the sale of insurance, advisory or securities products to clients. The commission will be outlined in the product's prospectus or offering document or described in detail before the products is sold.

1st Global Capital Corp. and it affiliated firm 1st Global Advisors, Inc. have a clearing relationship with National Financial Serivces, LLC., member SIPC. NFS, LLC will execute trades in client accounts at the direction of Diane. Trades will be referred to 1st Global Capital

Corp., a broker-dealer for execution. Clients are advised that a conflict of interest exists since the broker-dealer may receive compensation on the transactions.

Diane may buy or sell for herself securities she also recommends to clients.

Diane is a certified public accountant with Anderson & Whitney.

Supervision

Diane Alexander is a contracted employee of Wealth Advisors Network, Inc., and her advisory services are accordingly self-supervised through a program administered by the Chief Compliance Officer. Advisory activities are supervised in several ways at various stages of the client relationship. Prior to implementation, the client's paperwork is reviewed to ensure the account is being established in accordance with the client's stated objectives and risk tolerance. Subsequent transactions are reviewed through manual reviews to ensure they are suitable. The account will be monitored on a periodic basis to ensure it is being managed in accordance with the client's stated objectives and tolerance for risk and has not drifted too far from the original asset allocation.
