Supervision

Max Kathol is a contracted employee of Wealth Advisors Network, Inc., and his advisory services are accordingly self-supervised through a program administered by the Chief Compliance Officer. Advisory activities are supervised in several ways at various stages of the client relationship. Prior to implementation, the client's paperwork is reviewed to ensure the account is being established in accordance with the client's stated objectives and risk tolerance. Subsequent transactions are reviewed through manual reviews to ensure they are suitable. The account will be monitored on a periodic basis to ensure it is being managed in accordance with the client's stated objectives and tolerance for risk and has not drifted too far from the original asset allocation.
