Business background for the previous five years – Glen Eagle Advisors, LLC, Financial Advisor, 03/2003-present

Item 3– Disciplinary History

Susan Michel does not have any reportable disciplinary information.

Item 4 – Other Business Activities

Susan Michel is separately licensed as an independent insurance agent. In this capacity, she can effect transactions in insurance products for her clients and earn commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Susan Michel for insurance related activities. This could present a conflict of interest because she may have an incentive to recommend insurance products that are in addition to meeting your specific insurance needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm.

Susan Michel is actively engaged as a registered representative of Glen Eagle Advisors, LLC broker dealer. Susan receives commissions or other compensation based on the sale of securities or other investment products, including as a registered representative, and including distribution or service (“trail”) fees from the sale of mutual funds. These purchases and sales take place in a brokerage (#59Q) type account and not in an advisory account. In such a situation, the activity, specifically within the brokerage account, gives her an incentive to recommend investment products based on the compensation received rather than solely on a client’s needs.

Item 5 – Additional Compensation

Susan Michel does not receive any additional compensation for providing advisory services beyond that received as a result of her capacity as investment adviser representative of Glen Eagle Advisors, LLC.

Item 6 – Supervision

Gary Moody, Chief Compliance and Operating Officer, is responsible for supervising the advisory activities of Susan A. Michel. As part of his supervisory responsibilities, Mr. Moody periodically reviews client accounts, trading activity and communications with clients. Mr. Moody can be reached at (609)631-8231.
