Fees are generally deducted from the Client account(s) or may be direct billed to the Client or to a [third party] custodian at the Client’s instruction. The ASA will continue in effect until terminated by either party upon thirty (30) days written notice to the other party. However, if the Client has not received the CAPTRUST Form ADV, Part II at least 48 hours prior to entering into the ASA, the Client may terminate the agreement within five business days of entering into the agreement without penalty.

If any advisory relationship terminates before the last day of a quarter, fees are prorated accordingly, and the Adviser will refund any unearned fees due to the Client.

Fees, minimum accounts sizes and services are negotiable and may be waived under certain circumstances. For example, Adviser, in its sole discretion, may charge a lesser (or no) advisory fee based upon certain criteria (e.g. existing financial planning client relationship, anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, negotiations with Client, etc.). Adviser may provide *investment supervisory services* on a discretionary or non-discretionary basis. Adviser's fees for these services are negotiable depending on the specific type of investment management services to be rendered (as detailed in the *ASA*), but generally will be calculated as a percentage of total assets under management according to the following schedule:

Gross Market Value	Maximum Annual Fee
0-\$500,000	2.25%
\$500,001 – \$1,000,000	2.00%
\$1,000,001 – \$2,000,000	1.75%
\$2,000,001 - \$5,000,000	1.25%
Over \$5,000,001	1.00%

Minimum Account Size is \$250,000

Adviser's investment supervisory services may include the following:

- Adviser may design, revise, and reallocate a Client's custom portfolio. Investments are determined based upon the Client's investment objectives, risk tolerance, net worth, net income, age, time horizon, tax situation and other various suitability factors.
- Adviser may manage the Client's custom accounts on an individualized basis. Restrictions and guidelines imposed by clients may affect the composition and performance of custom portfolios (as a result, performance of custom portfolios within the same investment objective may differ and Clients should not expect that the performance of their custom portfolios will be identical to any other individual's portfolio performance).
- Adviser may utilize services of sub-advisers and established third party research services to assist Adviser with formulating asset allocation, industry and sector selection, and individual security investment recommendations in constructing and maintaining custom portfolios.
- The majority of Adviser's Clients enter into a fee-based *ASA* but, occasionally a Client may choose a commissioned-based account in lieu of a fee-based contract. This is permissible since the Adviser is also a registered broker/dealer. On that occasion, commissions for trade executions will be billed to Client. Should a transaction be a block trade for securities to be apportioned over various suitable accounts, the commission will be billed pro rata according to the portion of the trade placed in the Client's account. Commissions charged may be higher or lower than obtainable elsewhere.

**Other Investment Advisory Services.** Adviser may provide investment advisory services that do not involve investment supervisory services on a discretionary or non-discretionary basis. In order to determine a suitable course of action for an individual client, Adviser shall perform a review of the variables that are presented. Such review may include, but would not necessarily be limited to, investment objectives, consideration of the client's overall financial condition, income and tax status, personal and business assets, risk profile, and other factors unique to the client's particular circumstances. Adviser may provide asset management services to clients on a non-discretionary basis. In connection therewith, Adviser may provide investment supervisory or management services or may recommend products or services by other investment advisers.

**Wrap Fee Accounts.** Adviser also may offer a Wrap Fee Account(s), which be will administered through Pershing, *LLC* ("Pershing") but are *sponsored* by CAPTRUST. The Wrap Fee Programs are designed to assist clients, both individuals and institutions (such as corporations and other business entities, trusts, estates, and charitable organizations), to identify their investment needs and to obtain professional asset management for a convenient single "wrap" fee. <b>Item 8A</b>	CAPTRUST is both a FINRA broker-dealer and an SEC registered investment adviser. CAPTRUST is also registered as a Commodity Trading Advisor with the National Futures Association.	
<b>Item 8C (9)</b>	CapFinancial Partners, LLC has a business entity insurance license which allows CAPTRUST to assist Clients in executing their financial plan that may include (fixed or variable) life insurance. Additionally many Financial Advisors are life insurance licensed in order to act as agent of record for those Clients who own life insurance products.	
<b>Item 9A</b>	Occasionally, Adviser may, in its capacity as FINRA Broker/Dealer, engage in riskless principal transactions giving its clients access to investments which otherwise may not be accessible in a retail brokerage account. For example, Adviser may purchase a block of securities acting on a riskless principal basis and then allocate those securities amongst several client accounts. Rarely, Adviser may, in its capacity as a FINRA Broker/Dealer engage in an agency cross transaction between two clients, but this only occurs when it is beneficial to both parties and Adviser does not act as a principal. However, Adviser does not engage in such transactions when acting as fiduciary as defined by ERISA.	
<b>Item 9B</b>	The investment adviser representatives of Adviser also effect securities transactions for Clients as registered representatives of a broker/dealer. All FINRA, SEC, and other regulatory agencies disclosure requirements and policies are observed for all transactions. As noted in Item 7, Adviser may, in its capacity as a broker-dealer, effect certain securities transactions that may have been recommended as part of its investment advisory services. Further, Adviser or its associated persons may receive compensation for such transactions, where such compensation is separate and distinct from Adviser's compensation related to its investment advisory services. As stated in Item 1, most Clients choose a fee in lieu of commissions (or wrap fee) arrangement when utilizing the brokerage platform provided for by Pershing, LLC. See Schedule H for complete description of wrap fee programs sponsored by CAPTRUST.	
<b>Item 9E</b>	Occasionally, associated persons of Adviser may recommend that Clients buy or sell the same securities or investment products that associated persons of the Adviser also own. In such circumstances, Adviser shall give precedence to client transactions.	
<b>Code of Ethics (Summary)</b>	CAPTRUST has adopted a Code of Ethics that sets forth standards of conduct requiring compliance with federal securities regulations. The Code of Ethics governs personal securities transactions of employees of CAPTRUST that may pose a conflict of interest with CAPTRUST's clients. Under the Code of Ethics, CAPTRUST personnel deemed to be "Access Persons" are required to report quarterly all their personal securities transactions and to request pre-clearance for certain types of transactions including private placements or IPOs. For a complete copy of the CAPTRUST Financial Advisors Code of Ethics, please call (919) 870-6822 or (800) 967-9948 and ask for the Compliance Department.	
<b>Item 10</b>	Adviser maintains a minimum account size requirement for its investment adviser Clients of \$50,000 to initially establish an account. The value of this account is subject to fluctuation, and therefore there is not a minimum maintenance requirement. Adviser retains the right to waive minimum initial account sizes should Adviser feel it is necessary.	
<b>Item 11A</b>	<b>Reviews:</b>  Adviser will review Client accounts quarterly. The Designated Reviewer shall review the Client accounts for suitability and service. Client objectives are used to review for suitability. Quarterly transactions are reviewed referencing the Client objectives for any transaction that may not fit the Client's stated objectives. <b>Item 11B</b>	Most clients choose to have daily confirms suppressed (electronic copies available), however, monthly statements will be provided by the custodian of the account identifying the account positions by cost basis, current price, and gains/(losses) for all securities transactions. A quarterly account appraisal will be created for the Clients as well as an annual year-end statement.
<b>Item 12 A</b>	<p>For certain of CAPTRUST Clients, adviser has the authority to determine, without obtaining specific client consent, both the securities to be bought and sold as well as the amount of the securities to be bought or sold. However, this discretion must be provided at the beginning of the Adviser/Client relationship and documented in the <i>ASA</i>. There is no particular set limit to this discretion established as part of the <i>ASA</i> or this disclosure document. Adviser has the authority to determine the commission rates paid on behalf of the Adviser but does not have any control over the commissions charged by the custodian/clearing firm for the services they provide. These fee changes have a direct impact to the Client as they may be charged commissions for certain transactions. There is no limitation on such discretion, and the Client may pay commissions higher than those obtainable from other broker/dealers for the same products and services. As a broker-dealer, the Adviser has an existing relationship with the custodian/clearing firm to execute, clear, settle, and hold Client accounts and securities all customer transactions (with the exception of those done by application) are placed through Pershing, LLC. Advisor does not direct brokerage to any particular broker/dealer for execution, but rather relies on Pershing to direct brokerage execution. Those transactions that must be facilitated by application or subscription agreement will be facilitated directly with either the fund family, insurance company, or other legal entity. Most of Advisor business is done on a fee basis. However, there are a limited number of [client] accounts that are on a commissioned basis.</p> <p>All commissions received from effecting transactions will be reviewed for reasonableness in accordance with Advisor policy on best execution. Commissions and/or transaction fees charged by Pershing, LLC may be higher or lower than obtainable elsewhere.</p>

In those cases, CAPTRUST does have the ability to negotiate fees or commissions on behalf of Clients, but CAPTRUST does not direct brokerage to a particular venue for execution, but rather relies on Schwab or Fidelity (with the exception of bond trades that may be directed to a prime broker available to CAPTRUST thru the Fidelity Platform). Fees and commissions charged by Fidelity or Schwab may be higher or lower than obtainable elsewhere.
<b>Items 12B and 13A</b>	Adviser may be compensated by general promotion, advertising, and distribution fees (12b-1 fees) in relation to Client purchases and sales of mutual fund shares. These 12b-1 fees will be taken into account when calculating the Client fee for service for a particular period and the typical fee reduced based on the 12b-1 fees received by the Adviser.

In keeping with the regulatory requirements, the business continuity plan for CAPTRUST is designed to address key areas of concern - including but not limited to the following:

- Data back-up and recovery;
- Mission critical systems;
- Financial and operational assessments;
- Alternate means of communication between CAPTRUST and its clients;
- Alternate means of communication between CAPTRUST and its employees;
- Alternate physical locations of employees;
- Critical business constituent, bank and counter-party impact;
- Regulatory reporting;
- Communications with regulators; and
- How CAPTRUST will ensure that customers have access to their funds and securities in the event CAPTRUST determines it is unable to continue its business.

Since events creating business disruptions may vary in nature and scope, CAPTRUST has anticipated scenarios in which the following are affected:

- A primary CAPTRUST building at its headquarter location
- A CAPTRUST branch location
- A city wide area
- A regional area

Regardless of the scope of potential disruption, CAPTRUST intends to continue to provide service to its clients.

In the event of a significant business disruption, where the primary building or business district is located, we will move our staff from affected offices to the closest of our unaffected offices. The firm has four other locations from which to conduct business. Therefore, should the primary building or business district be affected by a disruption, the other locations can be used to help restore operations.

In the unlikely event of a citywide or regional disruption, both of CAPTRUST's other locations ("established recovery sites") are in other cities. The first established recovery site is approximately 170 miles from its headquarters and the other is approximately 400 miles. Either alternate location can be used to restore time sensitive functions as soon as key employees are relocated to the facility. In the event that any such disruption occurs, we have developed alternative service arrangements, systems, locations and contingency plans to ensure that any service is quickly restored.

CAPTRUST has identified several computer applications with Mission Critical or High criticality ratings and has documented this within the business continuity plan. These Mission Critical computer applications are proprietary to our Clearing Firm (Pershing). Pershing regularly performs disaster recovery testing and reports results to CAPTRUST. Pershing provides an annual BCP disclosure to CAPTRUST clients. Clients may reach Pershing directly at (201)413-3635 for recorded instructions during a significant business disruption.

For those CAPTRUST Clients who are utilizing Fidelity as custodian:  
Although CAPTRUST recognizes Fidelity as a Critical Business Constituent, Fidelity's proprietary web-based platform makes permits access to your account remotely regardless of a business local, city-wide or regional disruption. For a summary of Fidelity's Business Continuity Plan, please call CAPTRUST at (800) 216-0645 or you may reach Fidelity directly at (800) 343-3548.
