Item 1.D	<p>Investment Management Services</p> <p>Lifecourse Capital, Inc. "the Adviser" provides investment advisory services to clients on a discretionary and non-discretionary basis, defined as giving advice to a client or making investments for a client based on the individual needs of the client. The advisory services include, among other things, providing advice regarding asset allocation and the selection of investments. Account management is guided by the stated objectives of the client.</p> <p>Fees are paid quarterly in advance. Fees are due on the first day of the calendar quarter, and are based on the account's asset value as of the last business day of the prior calendar quarter. Fees are prorated for accounts opened during the quarter.</p> <p>All "Related" Fee based accounts are added together to determine the fee breakpoints. Related accounts are accounts of an individual, his or her spouse, and their children under the age of 21, and includes individually owned accounts, individual IRA's, self directed accounts(i.e. directed by individual participants) under an employee benefit pension plan ("ERISA" plan), and ERISA plans in which an individual is the sole participant.</p> <p>Furthermore, accounts of the same corporation or business entity are normally deemed as "related." For example, if ABC Manufacturing has both a profit sharing plan and a pension plan (non-directed), these two accounts will be related. This may include general non-securities advice on topics that may include insurance, tax and budgetary planning, estate planning and business planning. These services do not generate a separate fee.</p> <p>The account Custodian may charge fees, which are in addition to and separate from the investment advisory service fee. Custodians may charge accounts for various transaction costs, retirement plan and administration fees. In addition, some mutual fund assets deposited in the account may have been subject to deferred sales charges and 12 (b)(1) fees and other mutual fund annual expenses as described in the fund's prospectus. Advisory clients should also note that fees for comparable services vary and lower fees for comparable services may be available from other sources.</p>	Annual Advisor Fee	Household Aggregated Value	Up to 2%	Up to \$1 Million	Up to 1.75%	Over \$1 Million
