Item 4 Advisory Business

- A. myCIO Wealth Partners, LLC (the “Registrant”) was organized as a limited liability company on March 23, 2005 in the Commonwealth of Pennsylvania and, on October 1, 2015, converted to a Delaware limited liability company. The Registrant became registered as an Investment Adviser Firm in April 2005. The Registrant’s advisory business is overseen by principals James Joseph Biles, David Edmund Lees and Paul Joseph Bracaglia. In October 2015, AMG Wealth Partners, LP (“AMG Wealth Partners”), a subsidiary of Affiliated Managers Group, Inc. (“AMG”), a publicly traded company, acquired a majority equity interest in the Registrant. The Registrant’s principals hold the remaining equity interests in the firm. AMG, a publicly traded asset management company (NYSE: AMG), and AMG Wealth Partners also hold equity interests in certain other investment advisers (“AMG Affiliates”). Further information on AMG, AMG Wealth Partners and AMG Affiliates is provided in Item 10.
- B. As discussed below, the Registrant offers to its clients (individuals, business entities, trusts, estates and charitable organizations, pension and profit sharing plans, etc.) investment advisory services, and, to the extent specifically requested by a client, financial planning and related consulting services.

INVESTMENT ADVISORY SERVICES

The client can determine to engage the Registrant to provide discretionary and/or non-discretionary investment advisory services on a *fee-only* basis. The Registrant’s annual investment advisory fee is based upon a percentage (%) of the market value of the assets placed under the Registrant’s management. The Registrant provides investment advisory services specific to the needs of each client. Before providing investment advisory services, an investment adviser representative will ascertain each client’s investment objectives. Thereafter, the Registrant will allocate and/or recommend that the client allocate investment assets consistent with the designated investment objectives. Once allocated, the Registrant provides ongoing monitoring and review of account performance and asset allocation as compared to client investment objectives and may rebalance or recommend rebalancing the account based on such reviews.

PRIVATE INVESTMENT FUNDS

Affiliated Private Funds. The Registrant is affiliated with several private investment funds: REF Partners, LP, RUS Partners, LP, RDA Partners, LP, and BRP II, LP (collectively, the “*affiliated funds*”) (condensed descriptions of each of which are set forth below (the complete description of the terms, conditions, risks and fees [including incentive compensation] associated with each of the *affiliated funds* is set forth in each *affiliated fund*’s offering documents)). The Registrant, on a non-discretionary basis, may recommend that qualified clients consider allocating a portion of their investment assets to the *affiliated funds*. The terms and conditions for participation in the *affiliated funds*, including management and incentive fees, conflicts of interest, and risk factors, are set forth in the fund’s offering documents. Registrant’s clients are under absolutely no obligation to consider or make an investment in a private investment fund(s).

Please Note: Private investment funds generally involve various risk factors, including, but not limited to, potential for complete loss of principal, liquidity constraints and lack of transparency, a complete discussion of which is set forth in each fund's offering documents, which will be provided to each client for review and consideration. Unlike liquid investments that a client may maintain, private investment funds do not provide daily liquidity or pricing. Each prospective client investor will be required to complete a Subscription Agreement, pursuant to which the client shall establish that he/she is qualified for investment in the fund, and acknowledges and accepts the various risk factors that are associated with such an investment.

Please Also Note: Conflict Of Interest. To the extent that the Registrant manages any client account as an investment advisor and the client is also an investor in one or more of the *affiliated funds*, the client is aware that the Registrant will be entitled to an investment advisory fee as described in either the *Investment Advisory Agreement* and/or *Financial Planning Agreement*, in addition to the Administrative Fee received by the Registrant for services provided to one or more of the *affiliated funds*. **The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions regarding this conflict of interest.**

Please Also Note: Valuation. In the event that the Registrant references private investment funds owned by the client on any supplemental account reports prepared by the Registrant, the value(s) for all private investment funds owned by the client shall reflect the most recent valuation provided by the fund sponsor. If the fund sponsor does not provide a post-purchase valuation, then the valuation shall reflect the initial purchase price (and/or a value as of a previous date) or the current value(s) (either the initial purchase price and/or the most recent valuation provided by the fund sponsor). If the valuation reflects the initial purchase price (and/or a value as of a previous date), then the current value(s) (to the extent ascertainable) **could be significantly more or less than the original purchase price.** The client's advisory fee shall be based upon such reflected fund value(s).

REF Partners, LP

Registrant's related party, myCIO Hedge Fund Advisors, LLC serves as the General Partner for REF Partners, LP, a Delaware limited partnership (referred to as the "*REF Fund*"), which is an affiliated private investment limited partnership offered in accordance with Regulation D under SEC regulations. To the extent that certain of Registrant's individual advisory clients qualify and determine that an investment is appropriate given their investment objective(s) and financial situation, they may be eligible to participate as limited partners in the *REF Fund*. The *REF Fund* will then allocate investment assets within the RIEF Strategic Partners Fund LLC, an unaffiliated investment vehicle.

Investment in the *REF Fund* involves a significant degree of risk. All relevant information, terms and conditions relative to the *REF Fund*, including the management fee to be paid the general partner, suitability, investment strategy, risk factors, and potential conflicts of interest, are set forth in the Private Offering Memorandum, Limited Partnership Agreement, and Subscription Agreement, which each subscriber is required to receive and/or execute prior to being accepted as a Limited Partner of the *REF Fund*.

In such capacity (as a related party to the general partner of the REF Fund), Registrant receives a fee from *REF Partners* in consideration of Registrant managing *REF Partners*' operations. The annual management fee payable to Registrant (through its affiliate) under the partnership agreement of *REF Partners* equals 0.50% (50 basis points) of the aggregate Capital Account balances of all Limited Partners (including Registrant's clients) of *REF Partners*. *REF Partners* (and thus Limited Partners of *REF Partners*, who may be Registrant's clients) is responsible for fund fees and expenses (such fees and expenses include organizational expenses of *REF Partners*, custodial fees, interest and other lenders' charges (if any), taxes (other than income taxes, which will be the responsibility of the Limited Partners), brokerage commissions paid in the course of the purchase or sale of securities, legal, accounting, auditing and tax return preparation fee and expenses, auditing, tax return preparation fees, and all other expert and consulting fees and expenses arising in connection with *REF Partners*' business). The General Partner, myCIO Hedge Fund Advisors, LLC, which is fully and solely owned by the Registrant, has an ownership interest in the *REF Fund*.

RUS Partners, LP

Registrant's related party, myCIO Hedge Fund Advisors, LLC serves as the General Partner for RUS Partners, LP, a Delaware limited partnership (referred to as the "*RUS Fund*"), which is an affiliated private investment limited partnership offered in accordance with Regulation D under SEC regulations. To the extent that certain of Registrant's individual advisory clients qualify and determine that an investment is appropriate given their investment objective(s) and financial situation, they may be eligible to participate as limited partners in the *RUS Fund*. The *RUS Fund* will then allocate investment assets within the Radcliffe Domestic Ultra Short Duration Fund, L.P., an unaffiliated investment vehicle.

Investment in the *RUS Fund* involves a significant degree of risk. All relevant information, terms and conditions relative to the *RUS Fund*, including the management fee to be paid the general partner, suitability, investment strategy, risk factors, and potential conflicts of interest, are set forth in the Private Offering Memorandum, Limited Partnership Agreement, and Subscription Agreement, which each subscriber is required to receive and/or execute prior to being accepted as a Limited Partner of the *RUS Fund*.

In such capacity (as a related party to the general partner of the *RUS Fund*), Registrant receives a fee from the *RUS Fund* in consideration of Registrant managing the *RUS Fund*'s operations. The annual management fee payable to Registrant (through its affiliate) under the partnership agreement of the *RUS Fund* equals 0.25% (25 basis points) of the aggregate Capital Account balances of all limited partners (including Registrant's clients) of the *RUS Fund*. The *RUS Fund* (and thus limited partners of the *RUS Fund*, who may be Registrant's clients) is responsible for *RUS Fund* fees and expenses (such fees and expenses include organizational expenses of the *RUS Fund*, custodial fees, interest and other lenders' charges (if any), taxes (other than income taxes, which will be the responsibility of the limited partners), brokerage commissions paid in the course of the purchase or sale of securities, legal, accounting, auditing and tax return preparation fee and expenses, auditing, tax return preparation fees, and all other expert and consulting fees and expenses arising in connection with *Fund*'s business). The General Partner, myCIO Hedge Fund Advisors, LLC, which is fully and solely owned by the Registrant, has an ownership interest in the *RUS Fund*.

RDA Partners, LP

Registrant's related party, myCIO Hedge Fund Advisors, LLC serves as the General Partner for RDA Partners, LP, a Delaware limited partnership (referred to as the "*RDA Fund*"), which is an affiliated private investment limited partnership offered in accordance with Regulation D under SEC regulations. To the extent that certain of Registrant's individual advisory clients qualify and determine that an investment is appropriate given their investment objective(s) and financial situation, they may be eligible to participate as limited partners in the *RDA Fund*. The *RDA Fund* will then allocate investment assets within the Renaissance Institutional Diversified Alpha Fund LLC, an unaffiliated investment vehicle.

Investment in the *RDA Fund* involves a significant degree of risk. All relevant information, terms and conditions relative to the *RDA Fund*, including the management fee to be paid the general partner, suitability, investment strategy, risk factors, and potential conflicts of interest, are set forth in the Private Offering Memorandum, Limited Partnership Agreement, and Subscription Agreement, which each subscriber is required to receive and/or execute prior to being accepted as a Limited Partner of the *RDA Fund*.

In such capacity (as a related party to the general partner of the *RDA Fund*), Registrant receives a fee from the *RDA Fund* in consideration of Registrant managing the *RDA Fund*'s operations. The annual management fee payable to Registrant (through its affiliate) under the partnership agreement of the *RDA Fund* equals 0.5% (50 basis points) of the aggregate Capital Account balances of all Limited Partners (including Registrant's clients) of the *RDA Fund*. The *RDA Fund* (and thus Limited Partners of the *RDA Fund*, who may be Registrant's clients) is responsible for *RDA Fund* fees and expenses (such fees and expenses include organizational expenses of the *RDA Fund*, custodial fees, interest and other lenders' charges (if any), taxes (other than income taxes, which will be the responsibility of the Limited Partners), brokerage commissions paid in the course of the purchase or sale of securities, legal, accounting, auditing and tax return preparation fee and expenses, auditing, tax return preparation fees, and all other expert and consulting fees and expenses arising in connection with *RDA Fund*'s business). The General Partner, myCIO Hedge Fund Advisors, LLC, which is fully and solely owned by the Registrant, has an ownership interest in the *RDA Fund*.

BRP II, LP

Registrant's related party, myCIO Hedge Fund Advisors, LLC serves as the General Partner for BRP II, LP, a Delaware limited partnership (referred to as the "*BRP Fund*"), which is an affiliated private investment limited partnership offered in accordance with Regulation D under SEC regulations. To the extent that certain of Registrant's individual advisory clients qualify and determine that an investment is appropriate given their investment objective(s) and financial situation, they may be eligible to participate as limited partners in the *BRP Fund*. The *BRP Fund* will then allocate investment assets within the Bay II Resource Partners, L.P. Fund, an unaffiliated investment vehicle.

Investment in the *BRP Fund* involves a significant degree of risk. All relevant information, terms and conditions relative to the *BRP Fund*, including the management fee to be paid the general partner, suitability, investment strategy, risk factors, and potential conflicts of interest, are set forth in the Private Offering Memorandum, Limited

Partnership Agreement, and Subscription Agreement, which each subscriber is required to receive and/or execute prior to being accepted as a Limited Partner of the *BRP Fund*.

In such capacity (as a related party to the General Partner of the *BRP Fund*), Registrant receives a fee from the *BRP Fund* in consideration of Registrant managing the *BRP Fund*'s operations. The annual management fee payable to Registrant (through its affiliate) under the partnership agreement of the *BRP Fund* equals 0.50% (50 basis points) of the aggregate capital account balances of all Limited Partners (including Registrant's clients) of the *BRP Fund*. The *BRP Fund* (and thus Limited Partners of the *BRP Fund*, who may be Registrant's clients) is responsible for *BRP Fund* fees and expenses (such fees and expenses include organizational expenses of the *BRP Fund*, custodial fees, interest and other lenders' charges (if any), taxes (other than income taxes, which will be the responsibility of the Limited Partners), brokerage commissions paid in the course of the purchase or sale of securities, legal, accounting, auditing and tax return preparation fee and expenses, auditing, tax return preparation fees, and all other expert and consulting fees and expenses arising in connection with *BRP Fund*'s business). The General Partner, myCIO Hedge Fund Advisors, LLC, which is fully and solely owned by the Registrant, has an ownership interest in the *BRP Fund*.

Unaffiliated Private Investment Funds. Registrant may also provide investment advice regarding unaffiliated private investment funds. Registrant, on a non-discretionary basis, may recommend that certain qualified clients consider an investment in private investment funds. Registrant's role relative to the private investment funds shall be limited to its initial and ongoing due diligence and investment monitoring services. If a client determines to become a private fund investor, the amount of assets invested in the fund(s) shall be included as part of "assets under management" for purposes of Registrant calculating its investment advisory fee. Registrant's clients are under absolutely no obligation to consider or make an investment in a private investment fund(s).

In certain cases, unaffiliated private investment funds recommended by the Registrant may include funds sponsored or advised by AMG Affiliates. None of AMG, AMG Wealth Partners, or any AMG Affiliate has any involvement or influence in the Registrant's selection of unaffiliated private investment funds. As such, AMG Wealth Partners' ownership interest in the Registrant does not, in the Registrant's view, present any potential conflict of interest for the Registrant with respect to our clients. The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions concerning the Registrant's selection of unaffiliated private investment funds.

Please Note: Private investment funds generally involve various risk factors, including, but not limited to, potential for complete loss of principal, liquidity constraints and lack of transparency, a complete discussion of which is set forth in each fund's offering documents, which will be provided to each client for review and consideration. Unlike liquid investments that a client may maintain, private investment funds do not provide daily liquidity or pricing. Each prospective client investor will be required to complete a Subscription Agreement, pursuant to which the client shall establish that he/she is qualified for investment in the fund and acknowledges and accepts the various risk factors that are associated with such an investment.

Please Also Note: Valuation. In the event that the Registrant references private investment funds owned by the client on any supplemental account reports prepared by the Registrant, the value(s) for all private investment funds owned by the client shall reflect the most recent valuation provided by the fund sponsor. If the fund sponsor does

not provide a post-purchase valuation, then the valuation shall reflect the initial purchase price (and/or a value as of a previous date) or the current value(s) (either the initial purchase price and/or the most recent valuation provided by the fund sponsor). If the valuation reflects the initial purchase price (and/or a value as of a previous date), then the current value(s) (to the extent ascertainable) **could be significantly more or less than the original purchase price**. The client's advisory fee shall be based upon such reflected fund value(s).

FINANCIAL PLANNING AND CONSULTING SERVICES (STAND-ALONE)

To the extent requested by a client, the Registrant *may* determine to provide financial planning and/or consulting services (including investment and non-investment related matters, including estate planning, insurance planning, etc.) on a stand-alone separate fee basis. Registrant's planning and consulting fees are negotiable depending upon the level and scope of the service(s) required and the professional(s) rendering the service(s). Prior to engaging the Registrant to provide planning or consulting services, clients are generally required to enter into a *Financial Planning and Consulting Agreement* with Registrant setting forth the terms and conditions of the engagement (including termination), describing the scope of the services to be provided, and the portion of the fee that is due from the client prior to Registrant commencing services. If requested by the client, Registrant may recommend the services of other professionals for implementation purposes. The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from the Registrant. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client's responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

RETIREMENT PLAN CONSULTING SERVICES

The client can determine to engage Registrant to provide retirement plan consulting services on a non-discretionary *fee-only* basis. Under such an engagement, Registrant assists sponsors of self-directed retirement plans and defined benefit plans with the selection and/or monitoring of investment alternatives (generally open-end mutual funds) from which plan participants shall choose in self-directing the investments for their individual plan retirement accounts. To the extent requested by the plan sponsor, Registrant may also provide participant education designed to assist participants in identifying the appropriate investment strategy for their retirement plan accounts. The terms and conditions of the engagement shall generally be set forth in a *Retirement Plan Consulting Agreement* between the Registrant and the plan sponsor.

TAX PREPARATION SERVICES

To the extent requested by the client, the Registrant *may* determine to provide tax preparation services on a stand-alone separate fee basis.

MISCELLANEOUS

Limitations of Non-Investment Consulting/Implementation Services. To the extent requested by the client, the Registrant *may* provide consulting services regarding non-investment related matters, such as estate planning, tax planning, insurance, etc. Neither the Registrant, nor any of its representatives, serves as an attorney or licensed insurance agent, and no portion of the Registrant's services should be construed as legal services or insurance implementation services. Accordingly, the Registrant does not prepare estate planning documents or sell insurance products. To the extent requested by a client, the Registrant may recommend the services of other professionals for certain non-investment implementation purposes (i.e. attorneys, accountants, insurance agents, etc.). The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from the Registrant. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client's responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

Non-Discretionary Service Limitations. Clients that determine to engage Registrant on a non-discretionary investment advisory basis **must be willing to accept** that Registrant cannot affect any account transactions without obtaining prior consent to such transaction(s) from the client. Thus, in the event that Registrant would like to make a transaction for a client's account (including in the event of an individual holding or general market correction), and the client is unavailable, the Registrant will be unable to affect the account transaction(s) (as it would for its discretionary clients) without first obtaining the client's consent.

Sub-Advisory Arrangements. The Registrant may engage sub-advisors for the purpose of assisting the Registrant with the management of its client accounts. The sub-advisor(s) shall have discretionary authority for the day-to-day management of the assets that are allocated to it by the Registrant. The sub-advisor shall continue in such capacity until such arrangement is terminated or modified by the Registrant. The Registrant shall pay a portion of the investment advisory fee received for these allocated assets to the sub-advisor for its sub-advisory services.

In certain cases, the sub-adviser engaged by the Registrant may include AMG Affiliates. None of AMG, AMG Wealth Partners, or any AMG Affiliate has any involvement or influence in the Registrant's selection of sub-advisors. As such, AMG Wealth Partners' ownership interest in the Registrant does not, in the Registrant's view, present any potential conflict of interest for the Registrant with respect to our clients. The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions concerning the Registrant's sub-advisory arrangements.

Independent Managers. The Registrant may allocate (and/or recommend that the client allocate) a portion of a client's investment assets among unaffiliated independent investment managers ("Independent Manager(s)") in accordance with the client's designated investment objective(s). In such situations, the Independent Manager(s) shall have day-to-day responsibility for the active discretionary management of the allocated

assets according to the terms and conditions of a separate agreement executed between the client and the Independent Manager. The Registrant shall continue to render investment advisory services to the client relative to the ongoing monitoring and review of account performance, asset allocation and client investment objectives. Factors which the Registrant shall consider in recommending Independent Manager(s) include the client's designated investment objective(s), management style, performance, reputation, financial strength, reporting, pricing, and research.

In certain cases, Independent Managers selected by the Registrant may include AMG Affiliates. None of AMG, AMG Wealth Partners, or any AMG Affiliate has any involvement or influence in the Registrant's selection of Independent Managers. As such, AMG Wealth Partners' ownership interest in the Registrant does not, in the Registrant's view, present any potential conflict of interest for the Registrant with respect to our clients. The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions concerning the Registrant's selection of Independent Managers.

Client Obligations. In performing its services, Registrant shall not be required to verify any information received from the client or from the client's other professionals, and is expressly authorized to rely thereon. Moreover, each client is advised that it remains his/her/its responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

Disclosure Statement. A copy of the Registrant's written Brochure as set forth on Part 2 of Form ADV shall be provided to each client prior to, or contemporaneously with, the execution of the *Investment Advisory Agreement, Financial Planning and Consulting Agreement* or *Retirement Plan Consulting Agreement*.

Use of REITs. Registrant may allocate or recommend the allocation of client investment assets to non-traded / non-public Real Estate Investment Trusts ("REITs"), which are subject to risks generally associated with investing in real estate, such as: possible declines in the value of real estate; adverse general and local economic conditions; possible lack of availability of mortgage funds; changes in interest rates; and environmental problems. In addition, REITs are subject to certain other risks related specifically to their structure and focus such as: dependency upon management skills; limited diversification; the risks of locating and managing financing for projects; heavy cash flow dependency; possible default by borrowers; the costs and potential losses of self-liquidation of one or more holdings; the possibility of failing to maintain exemptions from securities registration; and, in many cases, relatively small market capitalization, which may result in less market liquidity and greater price volatility.

Use of Mutual Funds. While the Registrant may recommend allocating investment assets to mutual funds that are not available directly to the public, the Registrant may also recommend that clients allocate investment assets to publicly-available mutual funds that the client could obtain without engaging Registrant as an investment adviser. However, if a client or prospective client determines to allocate investment assets to publicly-available mutual funds without engaging Registrant as an investment adviser, the client or prospective client would not receive the benefit of Registrant's initial and ongoing investment advisory services. Other mutual funds, such as those issued by Dimensional Fund Advisors ("DFA"), are generally only available through registered

investment advisers. Registrant may allocate client investment assets to DFA mutual funds. Therefore, upon the termination of Registrant's services to a client, restrictions regarding transferability and/or additional purchases of, or reallocation among DFA funds will apply.

Retirement Plan Rollovers-No Obligation/Conflict of Interest. A client leaving an employer typically has four options regarding an existing retirement plan (and may engage in a combination of these options): (i) leave the money in his/her former employer's plan, if permitted, (ii) roll over the assets to his/her new employer's plan, if one is available and rollovers are permitted, (iii) roll over to an Individual Retirement Account ("IRA"), or (iv) cash out the account value (which could, depending upon the client's age, result in adverse tax consequences). The Registrant may recommend an investor roll over plan assets to an IRA managed by the Registrant. As a result, the Registrant and its representatives may earn an asset-based fee (see Please **Note below**). In contrast, a recommendation that a client or prospective client leave his or her plan assets with his/her former employer or roll the assets to a plan sponsored by a new employer may or may not result in compensation to Registrant, depending on whether the client has engaged the Registrant to monitor and/or manage the account while maintained at his/her employer. The Registrant has an economic incentive to encourage a client to roll plan assets into an IRA that the Registrant will manage **or** to engage the Registrant to monitor and/or manage the account while maintained at the client's employer. There are various factors that the Registrant may consider before recommending a rollover, including but not limited to: (i) the investment options available in the plan versus the investment options available in an IRA, (ii) fees and expenses in the plan versus the fees and expenses in an IRA, (iii) the services and responsiveness of the plan's investment professionals versus the Registrant's, (iv) protection of assets from creditors and legal judgments, (v) required minimum distributions and age considerations, and (vi) employer stock tax consequences, if any. **No client is under any obligation to roll over plan assets to an IRA managed by the Registrant or to engage the Registrant to monitor and/or manage the account while maintained at the client's employer. Please Note:** If Registrant's engagement will include the management of the client's retirement account per the same fee schedule set forth in Item 5 below, regardless of custodian or the client's decision to process a rollover, the above economic incentive to recommend a rollover is generally not present. **The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding its prospective engagement and the corresponding conflict of interest presented by such engagement.**

- C. The Registrant shall provide investment advisory services specific to the needs of each client. Prior to providing investment advisory services, an investment adviser representative will ascertain each client's investment objective(s). Thereafter, the Registrant shall allocate and/or recommend that the client allocate investment assets consistent with the designated investment objective(s). The client may, at any time, impose reasonable restrictions, in writing, on the Registrant's services.
- D. The Registrant does not participate in a wrap fee program by providing portfolio management services.

E. As of December 31, 2017, the Registrant had \$4,079,705,581 in assets under management on a discretionary basis, \$2,449,574,982 in assets under management on a non-discretionary basis, and \$2,745,765,843 in assets under advisement. Clients receiving Registrant's retirement plan consulting services, as described above in Item 4.B., represent Registrant's assets under advisement.

Item 5 Fees and Compensation

- A. The client can determine to engage the Registrant to provide discretionary and/or non-discretionary investment advisory services on a *fee-only* basis.

INVESTMENT ADVISORY SERVICES

If a client determines to engage the Registrant to provide discretionary and/or non-discretionary investment advisory services on a negotiable *fee-only* basis, the Registrant's annual investment advisory fee shall be based upon a percentage (%) of the market value and type of assets placed under the Registrant's management (generally between negotiable and 1.00%) as follows:

<u>Assets Under Management</u>	<u>Annual Fee</u>
First \$1,000,000	1.00%
Next \$2,000,000	0.75%
Next \$2,000,000	0.50%
Next \$5,000,000	0.35%
Next \$5,000,000	0.25%
Additional Assets	Negotiable

* Alternatively, at a client's request, Registrant may perform investment management services on a fixed fee basis generally ranging from \$10,000 to \$300,000.

PRIVATE FUNDS AND OTHER POOLED VEHICLES

To the extent that Registrant invests in private funds or other pooled vehicles sponsored by third parties, clients also typically pay fees to the issuers or sponsors of those funds in accordance with the funds' fee schedules as in effect from time to time. The terms of these funds, including fees and expenses, are described in the funds' offering memoranda. Various aspects of those terms, such as management and incentive fees, withdrawal and redemption conditions, and information rights, may be negotiable and varied in limited circumstances under side letters, depending on the size of the proposed investment, type of investor, and special legal requirements applicable to the proposed investor.

FINANCIAL PLANNING AND CONSULTING SERVICES (STAND-ALONE)

To the extent specifically requested by a client, the Registrant *may* determine to provide financial planning and/or consulting services (including investment and non-investment related matters, including estate planning, insurance planning, etc.) on a stand-alone fee basis. Registrant's planning and consulting fees are negotiable, but generally range

between \$10,000 and \$300,000 on a fixed fee basis, and between \$100 and \$600 on an hourly rate basis, depending upon the level, complexity, and scope of the service(s) required and the professional(s) rendering the service(s).

RETIREMENT PLAN CONSULTING SERVICES

If a client determines to engage Registrant to provide retirement plan consulting services on a negotiable *fee-only* basis, Registrant's annual advisory fee generally ranges between \$15,000 and \$30,000 on a fixed fee basis, generally based upon the number of investments offered in the retirement plan.

TAX PREPARATION SERVICES

To the extent requested by the client, the Registrant may determine to provide tax preparation services on a stand-alone separate fee basis. Registrant's typical tax preparation fee is negotiable, but generally ranges between \$600 and \$32,500 on a fixed fee basis, depending upon the level, complexity, and scope of the service(s) required and the professional(s) rendering the service(s). Registrant reserves the right to charge tax preparation fees outside of the range presented.

- B. Clients may elect to have the Registrant's advisory fees deducted from their custodial account. Both Registrant's *Investment Advisory Agreement* and the custodial/ clearing agreement may authorize the custodian to debit the account for the amount of the Registrant's investment advisory fee and to directly remit that management fee to the Registrant in compliance with regulatory procedures. In the limited event that the Registrant bills the client directly, payment is due upon receipt of the Registrant's invoice. The Registrant shall deduct fees and/or bill clients quarterly in advance, based upon the market value of the assets on the last business day of the previous quarter.
- C. As discussed below, unless the client directs otherwise or an individual client's circumstances require, the Registrant shall generally recommend that Charles Schwab and Co., Inc. ("Schwab"), Fidelity Investments ("Fidelity"), HSBC, Bank of New York or JP Morgan Chase & Co. ("JP Morgan") serve as the broker- dealer/custodian for client investment management assets. Broker-dealers such as Schwab, Fidelity, HSBC, Bank of New York and JP Morgan charge brokerage commissions and/or transaction fees for effecting certain securities transactions (i.e. transaction fees are charged for certain no-load mutual funds, commissions are charged for individual equity and fixed income securities transactions). In addition to Registrant's investment management fee, brokerage commissions and/or transaction fees, clients will also incur, relative to all mutual fund and exchange traded fund purchases, charges imposed at the fund level (e.g. management fees and other fund expenses).
- D. Registrant's annual advisory fees shall be prorated and paid quarterly, in advance. As applicable, Registrant's annual investment advisory fee shall be based upon the market value of the assets on the last business day of the previous quarter. The *Investment Advisory Agreement* between the Registrant and the client will continue in effect until terminated by either party by written notice in accordance with the terms of the *Investment Advisory Agreement*. Upon termination, the Registrant shall refund the pro-rated portion of the advanced advisory fee paid based upon the number of days remaining in the billing quarter.
- E. Neither the Registrant, nor its representatives accept compensation from the sale of securities or other investment products.

Item 6 Performance-Based Fees and Side-by-Side Management

Neither the Registrant nor any supervised person of the Registrant accepts performance-based fees.

Item 7 Types of Clients

The Registrant's clients shall generally include individuals, business entities, trusts, estates and charitable organizations, pension and profit sharing plans. The Registrant generally requires a minimum asset level of \$1,000,000 for investment advisory services. The Registrant, in its sole discretion, may charge a lesser investment management fee and/or waive or reduce its minimum asset requirement based upon certain criteria (i.e. anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, negotiations with client, etc.).

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

- A. The Registrant may utilize the following methods of security analysis:
- Fundamental - (analysis performed on historical and present data, with the goal of making financial forecasts)
 - Technical – (analysis performed on historical and present data, focusing on price and trade volume, to forecast the direction of prices)

The Registrant may utilize the following investment strategies when implementing investment advice given to clients:

- Long Term Purchases (securities held at least a year)
- Short Term Purchases (securities sold within a year)
- Short Sales (contracted sale of borrowed securities with an obligation to make the lender whole)
- Margin Transactions (use of borrowed assets to purchase financial instruments)
- Options (contract for the purchase or sale of a security at a predetermined price during a specific period of time)

Please Note: Investment Risk. Investing in securities involves risk of loss that clients should be prepared to bear. Different types of investments involve varying degrees of risk, and it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by the Registrant) will be profitable or equal any specific performance level(s).

- B. The Registrant's methods of analysis and investment strategies do not present any significant or unusual risks. However, every method of analysis has its own inherent risks. To perform an accurate market analysis the Registrant must have access to current/new market information. The Registrant has no control over the dissemination rate of market information; therefore, unbeknownst to the Registrant, certain analyses may be compiled with outdated market information, severely limiting the value of the Registrant's analysis. Furthermore, an accurate market analysis can only produce a forecast of the direction of market values. There can be no assurances that a forecasted change in market value will materialize into actionable and/or profitable investment opportunities.

The Registrant's primary investment strategies - Long Term Purchases and Short Term Purchases - are fundamental investment strategies. However, every investment strategy has its own inherent risks and limitations. For example, longer term investment strategies require a longer investment time period to allow for the strategy to potentially develop. Shorter term investment strategies require a shorter investment time period to potentially develop but, as a result of more frequent trading, may incur higher transactional costs when compared to a longer-term investment strategy.

In addition to the fundamental investment strategies discussed above, the Registrant may also implement and/or recommend – short selling, use of margin, and/or options transactions. Each of these strategies has a high level of inherent risk. (*See* discussion below).

Short selling is an investment strategy with a high level of inherent risk. Short selling, involves the selling of assets that the investor does not own. The investor borrows the assets from a third-party lender (i.e. Broker-Dealer) with the obligation of buying identical assets at a later date to return to the third-party lender. Individuals who engage in this activity shall only profit from a decline in the price of the assets between the original date of sale and the date of repurchase. Conversely, the short seller will incur a loss if the price of the assets rises. Other costs of shorting may include a fee for borrowing the assets and payment of any dividends paid on the borrowed assets.

Margin is an investment strategy with a high level of inherent risk. A margin transaction occurs when an investor uses borrowed assets to purchase financial instruments. The investor generally obtains the borrowed assets by using other securities as collateral for the borrowed sum. The effect of purchasing a security using margin is to magnify any gains or losses sustained by the purchase of the financial instruments on margin. **Please Note:** To the extent that a client authorizes the use of margin, and margin is thereafter employed by the Registrant in the management of the client's investment portfolio, the market value of the client's account and corresponding fee payable by the client to the Registrant may be increased. As a result, in addition to understanding and assuming the additional principal risks associated with the use of margin, clients authorizing margin are advised of the potential **conflict of interest** whereby the client's decision to employ margin *may* correspondingly increase the management fee payable to the Registrant. Accordingly, the decision as to whether to employ margin is left totally to the discretion of client.

The use of options transactions as an investment strategy involves a high level of inherent risk. Option transactions establish a contract between two parties concerning the buying or selling of an asset at a predetermined price during a specific period of time. During the term of the option contract, the buyer of the option gains the right to demand fulfillment by the seller. Fulfillment may take the form of either selling or purchasing a security depending upon the nature of the option contract. Generally, the purchase or the recommendation to purchase an option contract by the Registrant shall be with the intent of offsetting" hedging" a potential market risk in a client's portfolio. **Please Note:** Although the intent of the options-related transactions that may be implemented by the Registrant is to hedge against principal risk, certain of the options-related strategies (i.e. straddles, short positions, etc.), may, in and of themselves, produce principal volatility and/or risk. Thus, a client must be willing to accept these enhanced volatility and principal risks associated with such strategies. In light of these enhanced risks, client may direct the Registrant, in writing, not to employ any or all such strategies for his/her/their/its accounts. For detailed information on the use of options and option strategies, please refer to the Option Clearing Corp.'s Option Disclosure Document, which can be found at: <http://www.optionsclearing.com/components/docs/riskstoc.pdf>

Hard copies may be ordered by calling 1-888-678-4667 or writing OCC, 1 North Wacker Drive, Suite 500 Chicago, IL 60606.

- C. Currently, the Registrant primarily allocates client investment assets among various individual equity (stocks), debt (bonds) and fixed income securities, mutual funds and/or exchange traded funds, private investment funds, non-traded / non-public REITs, sub-advisors, and Independent Manager(s), on a discretionary and non-discretionary basis in accordance with the client's designated investment objective(s). Please refer to Item 4.B. above with respect to private investment funds, non-traded / non-public REITs, sub-advisors, and Independent Manager(s).

Item 9 Disciplinary Information

The Registrant has not been the subject of any disciplinary actions.

Item 10 Other Financial Industry Activities and Affiliations

- A. Neither the Registrant, nor its representatives, are registered or have an application pending to register, as a broker-dealer or a registered representative of a broker-dealer.
- B. As discussed above, myCIO Hedge Fund Advisors, LLC is an affiliated entity. myCIO Hedge Fund Advisors, LLC has registered as a commodity pool operator with the National Futures Association ("NFA") as a result of its relationship as the General Partner of several of the Registrant's affiliated funds.
- C. **Private Investment Funds.** myCIO Hedge Fund Advisors, LLC, an affiliated entity, serves as the General Partner for several private investment funds: REF Partners, LP, RUS Partners, LP, RDA Partners, LP, and BRP II, LP, condensed descriptions of each of which are set forth above. Registrant's clients are under absolutely no obligation to consider or make an investment in a private investment fund(s).

AMG Affiliates. As noted in Item 4, AMG Wealth Partners holds an equity interest in the Registrant. AMG Wealth Partners' equity interest in the Registrant is structured so that the Registrant maintains operational autonomy in managing its business. AMG Wealth Partners does not have any role in the day-to-day management of the Registrant. AMG and AMG Wealth Partners also hold equity interests in certain other investment advisers ("AMG Affiliates"). In certain cases, sponsors or advisers to unaffiliated private investment funds, Independent Managers and/or sub-advisors selected by the Registrant may include AMG Affiliates. Each of the AMG Affiliates, including the Registrant, operates autonomously and independently of AMG, AMG Wealth Partners and of each other. None of AMG Wealth Partners, AMG or any AMG Affiliate has any involvement or influence in the Registrant's selection of unaffiliated private investment funds, Independent Managers and/or sub-advisors. As such, AMG Wealth Partners' ownership interest in the Registrant does not, in the Registrant's view, present any potential conflict of interest for the Registrant's selection of unaffiliated private investment funds, Independent Managers and/or sub-advisors or otherwise with respect to our clients. More information regarding AMG, including its public filings and a list of all AMG Affiliates is available to the Registrant's clients upon request. The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions concerning the Registrant's possible selection of unaffiliated private investment

funds sponsored or advised by AMG Affiliates or AMG Affiliates as either Independent Managers or sub- advisors.

- D. The Registrant does not receive, directly or indirectly, compensation from investment advisors that it recommends or selects for its clients.

Item 11 Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

- A. The Registrant maintains an investment policy relative to personal securities transactions. This investment policy is part of Registrant's overall Code of Ethics, which serves to establish a standard of business conduct for all of Registrant's Representatives that is based upon fundamental principles of openness, integrity, honesty and trust, a copy of which is available upon request.

In accordance with Section 204A of the Investment Advisers Act of 1940, the Registrant also maintains and enforces written policies reasonably designed to prevent the misuse of material non-public information by the Registrant or any person associated with the Registrant.

- B. As disclosed above, the Registrant has a financial interest in the *affiliated funds*. The Registrant, on a non-discretionary basis, may recommend that qualified clients consider allocating a portion of their investment assets to the *affiliated funds*. The terms and conditions for participation in the *affiliated funds*, including management and incentive fees, conflicts of interest, and risk factors, are set forth in the fund's offering documents. Registrant's clients are under absolutely no obligation to consider or make an investment in a private investment fund(s).

The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest such arrangement may create.

- C. The Registrant and/or representatives of the Registrant *may* buy or sell securities that are also recommended to clients. This practice may create a situation where the Registrant and/or representatives of the Registrant are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. Practices such as "scalping" (i.e., a practice whereby the owner of shares of a security recommends that security for investment and then immediately sells it at a profit upon the rise in the market price which follows the recommendation) could take place if the Registrant did not have adequate policies in place to detect such activities. In addition, this requirement can help detect insider trading, "front-running" (i.e., personal trades executed prior to those of the Registrant's clients) and other potentially abusive practices.

All employees of the Registrant are subject to the Affiliated Managers Group, Inc. Insider Trading Policy and Procedures (the "AMG Insider Trading Policy"). The AMG Insider Trading Policy broadly prohibits the use of material, non-public information, and also imposes restrictions on the trading of AMG's stock.

In addition to the AMG Insider Trading Policy, the Registrant has a personal securities transaction policy in place to monitor the personal securities transactions and securities

holdings of each of the Registrant's "Access Persons". The Registrant's securities transaction policy requires that an Access Person of the Registrant must provide the Chief Compliance Officer or his/her designee with a written report of their current securities holdings within ten (10) days after becoming an Access Person. Additionally, each Access Person must provide the Chief Compliance Officer or his/her designee with a written report of the Access Person's current securities holdings at least once each twelve (12) month period thereafter on a date the Registrant selects; provided, however that at any time that the Registrant has only one Access Person, he or she shall not be required to submit any securities report described above.

- D. The Registrant and/or representatives of the Registrant *may* buy or sell securities, at or around the same time as those securities are recommended to clients. This practice creates a situation where the Registrant and/or representatives of the Registrant are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. As indicated above in Item 11 C, the Registrant has a personal securities transaction policy in place to monitor the personal securities transaction and securities holdings of each of Registrant's AccessPersons.

Item 12 Brokerage Practices

- A. Prior to engaging Registrant to provide investment management services, the client will be required to enter into a formal Investment Advisory Agreement with Registrant setting forth the terms and conditions under which Registrant shall manage the client's assets, and a separate custodial/clearing agreement with each designated broker-dealer/custodian. Factors that the Registrant considers in recommending broker-dealers/custodians to clients include historical relationship with the Registrant, financial strength, reputation, execution capabilities, pricing, research, and service. Although the commissions and/or transaction fees paid by Registrant's clients shall comply with the Registrant's duty to seek best execution, a client may pay a commission that is higher than another qualified broker- dealer might charge to affect the same transaction where the Registrant determines, in good faith, that the commission/transaction fee is reasonable. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer's services, including the value of research provided, execution capability, commission rates, and responsiveness. Accordingly, although Registrant will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client account transactions. The brokerage commissions or transaction fees charged by the designated broker-dealer/custodian are exclusive of, and in addition to, Registrant's investment management fee. The Registrant's best execution responsibility is qualified if securities that it purchases for client accounts are mutual funds that trade at net asset value as determined at the daily market close.

- 1. Research and Additional Benefits

- The Registrant does not receive soft dollar benefits or any direct payment from any custodian. However, although not a material consideration when determining whether

to recommend that a client utilize the services of a particular broker-dealer/custodian, Registrant may receive from recommended broker-dealers/custodians (or another broker-dealer/custodian, investment platform, unaffiliated investment manager, vendor, and/or mutual fund sponsor) without cost (and/or at a discount) support services and/or products, certain of which assist the Registrant to better monitor and service client accounts maintained at such institutions. Included within the support services that may be obtained by the Registrant may be investment-related research, pricing information and market data, software and other technology that provide access to client account data used by Registrant in furtherance of its investment advisory business operations.

As indicated above, certain of the support services and/or products that may be received may assist the Registrant in managing and administering client accounts.

Registrant's clients do not pay more for investment transactions affected and/or assets maintained at recommended broker-dealers/custodians as a result of this arrangement. There is no corresponding commitment made by the Registrant to recommended broker-dealers/custodians or any other entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as a result of the above arrangement.

The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest such arrangement may create.

2. The Registrant does not receive referrals from broker-dealers.
3. The Registrant does not generally accept directed brokerage arrangements (when a client requires that account transactions be effected through a specific broker-dealer). In such client directed arrangements, the client will negotiate terms and arrangements for their account with that broker-dealer, and Registrant will not seek better execution services or prices from other broker-dealers or be able to "batch" the client's transactions for execution through other broker-dealers with orders for other accounts managed by Registrant. As a result, client may pay higher commissions or other transaction costs or greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case.

Please Note: In the event that the client directs Registrant to effect securities transactions for the client's accounts through a specific broker-dealer, the client correspondingly acknowledges that such direction may cause the accounts to incur higher commissions or transaction costs than the accounts would otherwise incur had the client determined to effect account transactions through alternative clearing arrangements that may be available through Registrant. Higher transaction costs adversely impact account performance. **Please Also Note:** Transactions for directed accounts will generally be executed following the execution of portfolio transactions for non-directed accounts.

The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding the above arrangement.

- B. To the extent that the Registrant provides investment management services to its clients, the transactions for each client account generally will be effected independently, unless the Registrant decides to purchase or sell the same securities for several clients at approximately the same time. The Registrant may (but is not obligated to) combine or “bunch” such orders to obtain best execution, to negotiate more favorable commission rates or to allocate equitably among the Registrant’s clients’ differences in prices and commissions or other transaction costs that might have been obtained had such orders been placed independently. Under this procedure, transactions will be averaged as to price and will be allocated among clients in proportion to the purchase and sale orders placed for each client account on any given day. The Registrant shall not receive any additional compensation or remuneration as a result of such aggregation.

Item 13 Review of Accounts

- A. For those clients to whom Registrant provides investment supervisory services, account reviews are conducted on an ongoing basis by the Registrant’s Principals and/or representatives. All investment supervisory clients are advised that it remains their responsibility to advise the Registrant of any changes in their investment objectives and/or financial situation. All clients (in person or via telephone) are encouraged to review financial planning issues (to the extent applicable), investment objectives and account performance with the Registrant on an annual basis.
- B. The Registrant *may* conduct account reviews on an other than periodic basis upon the occurrence of a triggering event, such as a change in client investment objectives and/or financial situation, market corrections and client request.
- C. Clients are provided, at least quarterly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. The Registrant may also provide a written periodic report summarizing account activity and performance.

Item 14 Client Referrals and Other Compensation

- A. As referenced in Item 12.A.1 above, the Registrant may receive indirect economic benefits from recommended brokers including support services and/or products without cost (and/or at a discount). Registrant’s clients do not pay more for investment transactions effected and/or assets maintained with these brokers as a result of this arrangement. There is no corresponding commitment made by the Registrant to these brokers or any other entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as a result of the above arrangement.

The Registrant’s Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest any such arrangement may create.

Item 15 Custody

The Registrant shall have the ability to have its advisory fee for each client debited by the custodian on a quarterly basis. Clients are provided, at least quarterly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. The Registrant may also provide a written periodic report summarizing account activity and performance.

Please Note: To the extent that the Registrant provides clients with periodic account statements or reports, the client is urged to compare any statement or report provided by the Registrant with the account statements received from the account custodian. **Please Also Note:** The account custodian does not verify the accuracy of the Registrant's advisory fee calculation.

Please Note: Custody Situations: The Registrant engages in other practices and/or services on behalf of its clients that require disclosure at the Custody section of Part 1 of Form ADV, which practices and/or services are subject to an annual surprise CPA examination in accordance with the requirements of Rule 206(4)-2 under the Investment Advisers Act of 1940. The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding custody-related issues.

Item 16 Investment Discretion

The client can determine to engage the Registrant to provide investment advisory services on a discretionary basis. Prior to the Registrant assuming discretionary authority over a client's account, the client shall be required to execute an *Investment Advisory Agreement*, naming the Registrant as the client's attorney and agent in fact, granting the Registrant full authority to buy, sell, or otherwise effect investment transactions involving the assets in the client's name found in the discretionary account.

Clients who engage the Registrant on a discretionary basis may, at any time, impose restrictions, **in writing**, on the Registrant's discretionary authority (i.e. limit the types/amounts of particular securities purchased for their account, exclude the ability to purchase securities with an inverse relationship to the market, limit or proscribe the Registrant's use of margin, etc.).

Item 17 Voting Client Securities

- A. The Registrant does not vote client proxies. Clients maintain exclusive responsibility for:
(1) directing the manner in which proxies solicited by issuers of securities owned by the client shall be voted, and (2) making all elections relative to any mergers, acquisitions, tender offers, bankruptcy proceedings or other type events pertaining to the client's investment assets.
- B. Clients will receive their proxies or other solicitations directly from their custodian. Clients may contact the Registrant to discuss any questions they may have with a particular solicitation.

Item 18 Financial Information

- A. The Registrant is unaware of any financial condition that is reasonably likely to impair its ability to meet its contractual commitments relating to its discretionary authority over certain client accounts.
- B. The Registrant has not been the subject of a bankruptcy petition.

ANY QUESTIONS: The Registrant's Chief Compliance Officer, James J. Biles, remains available to address any questions that a client or prospective client may have regarding the above disclosures and arrangements.
