Item 4 – Advisory Business

Blackstone Real Estate Advisors Europe L.P. (“BRE Europe”) is a Delaware limited partnership. BRE Europe provides investment advisory services to Blackstone Real Estate Partners International II L.P. and any parallel or alternative investment vehicles relating thereto (collectively, “BREP Intl II”), Blackstone Real Estate Partners Europe III L.P. and any parallel or alternative investment vehicles relating thereto (collectively, “BREP Europe III”), and Blackstone Real Estate Partners Europe IV L.P. and any parallel or alternative investment vehicles relating thereto (“BREP Europe IV”, and together with BREP Europe III and BREP Intl II, the “Funds”). The Funds are investment funds which specialize in control-oriented real estate and real estate related investments on a global basis. An affiliate of BRE Europe serves as the general partner (the “General Partner”) of each of the Funds. BRE Europe was formed in May 2005.

The ultimate parent of BRE Europe is The Blackstone Group L.P., which is a publicly held company listed on the New York Stock Exchange which trades under the ticker symbol “BX”. Please see the structure chart below. The Blackstone Group L.P. (together with its affiliates, “Blackstone”) is one of the leading alternative investment managers in the world with investment programs concentrating in the private equity, real estate, corporate advisory and debt/credit areas, as well as the hedge fund solutions business. Please see **Item 10 – Other Financial Industry Activities & Affiliations** for more information.

BREA Europe's regulatory assets under management ("RAUM") were \$7.658 billion as of December 31, 2012.

Description of Advisory Services:

BREA Europe serves as investment advisor to the Funds pursuant to various Advisory Agreements. As investment advisor to the Funds, BREA Europe:

1. Identifies and recommends investment opportunities for the Funds
2. Participates in the monitoring and evaluation of the Funds' investments
3. Makes recommendations to the General Partner of each Fund regarding the purchase and/or sale of investments

The individual needs of the investors in the Funds are not the basis of investment decisions by BREA Europe. Investment advice is provided directly to the Funds by BREA Europe and not individually to the Funds' investors.

Item 5 – Fees and Compensation

Per the Advisory Agreements with each of the Funds, BRE A Europe is entitled to compensation for its services in the form of an annual management fee (the “Management Fee”), payable quarterly in arrears. For each investor of BREP Intl II during BREP Intl II’s investment period, the Management Fee is (i) one and one half percent (1.5%) per annum (0.375% per calendar quarter) of an investor’s Capital Commitments for investors with Capital Commitments up to \$100 million or €100 million and (ii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor’s Capital Commitments for investors with Capital Commitments equal to or in excess of \$100 million or €100 million. Since the end of the investment period on June 25, 2008, for each investor of BREP Intl II the Management Fee is (i) one and one half percent (1.5%) per annum (0.375% per calendar quarter) of an investor’s invested capital for investors with Capital Commitments up to \$100 million or €100 million and (ii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor’s invested capital for investors with Capital Commitments equal to or in excess of \$100 million or €100 million.

For each investor of BREP Europe III during BREP Europe III’s investment period, the Management Fee is (i) one and one half percent (1.5%) per annum (0.375% per calendar quarter) of an investor’s Capital Commitments for investors with Capital Commitments up to \$200 million or €200 million, (ii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor’s Capital Commitments for investors with Capital Commitments equal to or in excess of \$200 million or €200 million and (iii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor Capital Commitments for investors with Capital Commitments to BREP Europe III and Blackstone Real Estate Partners VI L.P. in excess of \$950 million. For each investor of BREP Europe III after the end of BREP Europe III’s investment period, the Management Fee is (i) one and one half percent (1.5%) per annum (0.375% per calendar quarter) of an investor’s invested capital for investors with Capital Commitments up to \$200 million or €200 million, (ii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor’s invested capital for investors with Capital Commitments equal to or in excess of \$200 million or €200 million and (iii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor’s invested capital for investors with Capital Commitments to BREP Europe III and Blackstone Real Estate Partners VI L.P. equal to or in excess of \$950 million.

For each investor of BREP Europe IV during BREP Europe IV’s investment period, the Management Fee is (i) one and one half percent (1.5%) per annum (0.375% per calendar quarter) of an investor’s Capital Commitments for investors with aggregate Capital Commitments up to \$250 million or €200 million, (ii) one and one quarter percent (1.25%) per annum (0.3125% per

calendar quarter) of an investor's Capital Commitments for investors with aggregate Capital Commitments equal to or in excess of \$250 million or €200 million and (iii) one and one tenth percent (1.1%) per annum (0.275% per calendar quarter) of an investor's Capital Commitments for investors with aggregate Capital Commitments equal to or in excess of \$500 million or the Euro equivalent of \$500 million (as converted at the relevant spot rate of exchange as of the date prior to such investor's admission to BREP Europe IV (or increase in its Capital Commitments) or as otherwise agreed to between such investor and the BREP Europe IV General Partner). For each investor of BREP Europe IV that itself is an investment vehicle formed for the purpose of aggregating unaffiliated investors for purposes of investing in BREP Europe IV, the Management Fee is one and one half percent (1.5%) per annum (0.375% per calendar quarter) of such investor's Capital Commitments during BREP Europe IV's investment period. In certain circumstances and upon the BREP Europe IV General Partner's prior acknowledgement, the Capital Commitments of investors of BREP Europe IV who have a common investment manager with sole discretionary investment authority pursuant to a binding agreement that was utilized in making and responsible for the investors' Capital Commitments may be aggregated for such investors for purposes of calculating the applicable Management Fee payable by such investors. With respect to investors who participated in the initial closing of BREP Europe IV, no Management Fees will be charged to such investors for the five-month period following September 23, 2013. With respect to investors who participate in the first subsequent closing of BREP Europe IV following the initial closing of BREP Europe IV, no Management Fees will be charged to such investors for the four-month period following September 23, 2013. For each investor of BREP Europe IV after the end of BREP Europe IV's investment period, the Management Fee is (i) one and one half percent (1.5%) per annum (0.375% per calendar quarter) of an investor's invested capital for investors with aggregate Capital Commitments up to \$250 million or €200 million, (ii) one and one quarter percent (1.25%) per annum (0.3125% per calendar quarter) of an investor's invested capital for investors with aggregate Capital Commitments equal to or in excess of \$250 million or €200 million and (iii) one and one tenth percent (1.1%) per annum (0.275% per calendar quarter) of an investor's invested capital for investors with aggregate Capital Commitments equal to or in excess of \$500 million or the Euro equivalent of \$500 million (as converted at the relevant spot rate of exchange as of the date prior to such investor's admission to BREP Europe IV (or increase in its Capital Commitments) or as otherwise agreed to between such investor and the BREP Europe IV General Partner).

Prorated refunds would be provided for partial quarters, if any. As set forth in Item 6 below, the General Partners of the Funds are each eligible to receive performance allocations. The Private Placement Memorandum ("PPM", as supplemented from time to time) and the Partnership Agreement and Advisory Agreement of each Fund includes further details on fees and compensation and related matters.

Additional Fees and Expenses:

In addition to BREA Europe's Management Fee and performance-based allocations (see below), Fund investors will bear indirectly as partnership expenses any fees and expenses charged by BREA Europe or the General Partners to the Funds, and such fees and expenses are deducted directly from the Funds. Those fees will vary, but typically include professional fees such as legal and accounting fees. Management Fees and performance-based allocations are either deducted from an investor's assets invested with BREA Europe at the payment date, withheld from distributions or invoiced pursuant to a payment notice (in the case of Management Fees).

Finally, certain investors in the Funds, which are generally related persons, employees and retired partners of BREA Europe or the Funds, may not pay Management Fees and/or be subject to performance based allocations in connection with their investment in the Funds. Notwithstanding, such investors will either directly pay for their pro rata share of certain Fund expenses, or the pro rata amount of such expenses will be allocated to the applicable General Partner, or its affiliates.

BREA Europe's advisory fees are not inclusive of all the fees which the investors may bear. The following is a list of fees and/or expenses that the Funds may pay directly to third parties. This list is not intended to be exhaustive; existing investors in the Funds are advised to review the applicable Fund offering materials and organizational agreements for a more extensive description of the fees and expenses associated with an investment in the Funds.

- Legal Fees
- Regulatory Filing Fees
- Administrative Fees
- Technology Expenses
- Accounting Fees
- Taxes
- Audit Fees
- Brokerage Commissions
- Transaction Fees
- Custodial Fees
- Travel and Entertainment Expenses

BREA Europe and its affiliates may also receive property management fees, acquisition fees, company advisory fees and similar fees for arranging acquisitions from persons in which the Funds acquire or hold investments. The management fee paid by the investors of BREP Intl II to BREA Europe will be reduced by (i) 80% of such investor's pro rata share of any additional fees and (ii) 50% of such investor's pro rata share of any acquisition fees and company advisory fees

to the extent such company advisory fees are earned from a company for which BREA Europe or an affiliate is the sole advisor to such company.

The management fee paid by the investors of BREP Europe III to BREA Europe will be reduced by (i) 80% of such investor's pro rata share of any additional fees and (ii) 50% of such investor's pro rata share of any acquisition fees greater than .50% of the total acquisition price payable in connection with the acquisition of an investment. Any "break-up" or other similar fees received by BREA Europe and its affiliates in connection with any potential investment are treated like such additional fees.

The management fee paid by the investors of BREP Europe IV to BREA Europe will be reduced by (i) 80% of such investor's pro rata share of any additional fees and (ii) 100% such investor's pro rata share of any acquisition fees. Any "break-up" or other similar fees received by BREA Europe and its affiliates in connection with any potential investment are treated like such additional fees.

Item 6 – Performance-Based Fees and Side-By-Side Management

In addition, the General Partner of each Fund receives a portion of the profits of current disposition proceeds from each Fund with respect to each investor (other than those that are affiliates of BREX Europe), which is equal to twenty percent of the amounts otherwise distributable to such investor. Such allocation of profits is only allocated to the General Partners when specific conditions are met, including the return of all capital contributed to the Funds by investors for realized investments and any writedowns on unrealized investments, as well as fees and expenses allocable to such investments and the receipt of a preferred return on such amounts.

The Funds distribute current income from an investment generally in the manner described above relating to the distribution, except that distributions are made on an investment by investment basis and do not take account of a return of capital and any writedowns, but will take into account actual unrecouped losses from prior dispositions.

The fact that BREX Europe's affiliate is in part compensated based on the performance of the Funds may create an incentive for BREX Europe to make investments on behalf of clients that are riskier or more speculative than would be the case in the absence of the performance-based compensation arrangement. However, BREX Europe manages each Fund in accordance with the investment strategy disclosed in the Fund's offering materials to help ensure that investors are aware of the investment strategy and the risks associated with the strategy. The PPM of each Fund contains further details regarding the incentive allocation and risk and strategy.

Item 7 – Types of Clients

BREA Europe manages the Funds. The Funds' investors consist primarily of:

- Banks and other financial institutions
- Insurance companies
- Investment companies
- Public and private retirement and pension plans
- Public and private profit sharing plans
- Trusts and estates
- Charitable organizations
- State and municipal government agencies
- Sovereign wealth funds
- Hedge funds
- Corporations
- Business entities other than those listed above

All investors are subject to applicable suitability requirements. BREA Europe and the General Partner of each Fund require that each investor in the Funds be an “accredited investor” as defined in Regulation D under the U.S. Securities Act of 1933, as amended, and a “qualified purchaser” as defined in the U.S. Investment Company Act of 1940, as amended.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

Investment Strategies:

BREA Europe will offer advice to the Funds generally to invest in any equity, debt or other interests (or options related thereto) in, or relating to, real estate assets (including pools thereof) of any type or real estate companies. These investments are generally made in connection with acquisitions, dispositions, restructurings, workouts, management acquisitions and other similar situations and utilize some degree of leverage.

BREA Europe's investment analysis methods may include fundamental, technical and cyclical research. BREA Europe's investment team is responsible for evaluating real estate, securities and other products for investment, making asset allocation and investment selection on a daily basis for the Funds. BREA Europe's investment professionals with the advice and assistance of legal counsel also review all portfolios for adherence to the investment objectives of each portfolio and the Fund's stated investment strategies.

The Real Estate Group generally meets each Monday to discuss potential and pending transactions in the group. At that meeting every transaction being pursued by the group is discussed (unless there are no new developments or activities to report). If the group's consideration of a transaction has advanced to the stage where the transaction team proposes to place a definitive bid to acquire or invest in the subject assets, it will prepare a detailed memorandum on the transaction for the Investment Committee, which in practice meets every Monday, at which the Committee will discuss the transaction in depth with the transaction team and decide whether to authorize such a definitive bid and what the bid should be. In addition to an in-depth discussion of the subject assets and the investment thesis, deal tactics and potential exit strategies will usually be discussed by the Investment Committee and the transaction team. The Investment Committee will often conduct multiple meetings on a particular deal.

Risk of Loss:

An investment in the Funds entails a significant degree of risk and therefore should be undertaken only by investors capable of evaluating the risks of the Funds and bearing the risks such investments represent. Set forth below is a non-exhaustive list of such risks:

1. No established market for potential investments exists
2. Illiquidity of investments by the Funds
3. Changes in legal, fiscal and regulatory regimes
4. Nature of equity or equity-related investments

5. Non-U.S. Investments
6. Dependence on BREX Europe's key personnel
7. Portfolio concentration
8. Investment environment and market risk
9. Market volatility risks
10. Risk of loss of entire investment

Stock markets, bond markets and real estate markets fluctuate substantially over time. As recent global and domestic economic events have indicated, performance of any investment is not guaranteed. As a result, there is a risk of loss of the assets which BREX Europe manages that may be out of BREX Europe's control. BREX Europe cannot guarantee any level of performance or that investors in the Funds will not experience a loss of their account assets. There is no assurance that the Funds will be able to generate returns or that the returns will be commensurate with the risks inherent in their investment strategy. The marketability and value of any such investment will depend upon many factors beyond the control of the Funds. The expenses of the Funds may exceed their income, and an investor in a Fund could lose the entire amount of its contributed capital. Therefore, an investor should only invest in a Fund if the investor can withstand a total loss of its investment. The past investment performance of the Funds cannot be taken to guarantee future results of the Funds or any investment in the Funds.

Item 9 – Disciplinary Information

BREA Europe does not have any legal, financial or other “disciplinary” item to report. As a registered investment advisor, BREA Europe is obligated to disclose any disciplinary event that would be material to the investor when evaluating a client/advisor relationship.

On occasion, in the ordinary course of its business, Blackstone is named as a defendant in a lawsuit or arbitration. BREA Europe does not believe that any current litigation to which Blackstone is a party will have a material adverse effect on BREA Europe and/or the Funds.

Item 10 – Other Financial Industry Activities and Affiliations

Other Financial Industry Activities

Various potential and actual conflicts of interest may arise from the overall investment activities of BREX Europe and its affiliates. The following briefly summarizes some of these conflicts, but is not intended to be an exclusive list of all such conflicts. Any references to Blackstone and BREX Europe in this section will be deemed to include their respective affiliates, partners, members, shareholders, officers, directors and employees. **Prospective investors are advised to review the applicable Fund offering materials for a more extensive description of the risks of investing in the Funds.**

Blackstone Policies and Procedures. Specified policies and procedures implemented by Blackstone to mitigate potential conflicts of interest and address certain regulatory requirements and contractual restrictions may reduce the synergies across Blackstone's various businesses that the Funds expect to draw on for purposes of pursuing attractive investment opportunities. Because Blackstone has many different asset management and advisory businesses, it is subject to a number of actual and potential conflicts of interest, greater regulatory oversight and subject to more legal and contractual restrictions than that to which it would otherwise be subject if it had just one line of business. In addressing these conflicts and regulatory, legal and contractual requirements across its various businesses, Blackstone has implemented certain policies and procedures (e.g., information walls) that may reduce the positive synergies that the Funds expect to utilize for purposes of finding attractive investments. For example, Blackstone may come into possession of material non-public information with respect to companies in which the Funds may be considering making an investment or companies that are Blackstone advisory clients. As a consequence, that information, which could be of benefit to the Funds, might become restricted to those respective businesses and otherwise be unavailable to the Funds.

Investment Banking, Advisory and Other Relationships. As part of its regular business, Blackstone provides a broad range of investment banking, advisory, underwriting, placement agent services and other services. In addition, Blackstone and its affiliates may provide services in the future beyond those currently provided. Funds will not receive a benefit from such fees. In the regular course of its investment banking and advisory businesses, Blackstone represents potential purchasers, sellers and other parties, including corporations, financial buyers, management, shareholders and institutions, with respect to transactions that could give rise to transactions that are suitable for a Fund. In such a case, an advisory client would typically require Blackstone to act exclusively on its behalf, thereby precluding a Fund from participating in such transactions. Blackstone will be under no obligation to decline any such engagements in order to make an investment opportunity available to a Fund. In connection with its investment banking, advisory and other businesses, Blackstone may come into possession of information

that limits its and its affiliates' ability to engage in potential transactions. The Funds' activities may be constrained as a result of the inability of Blackstone personnel to use such information. For example, employees of Blackstone may be prohibited by law or contract from sharing information with members of the Funds' investment teams. Additionally, there may be circumstances in which one or more of certain individuals associated with Blackstone will be precluded from providing services related to the Funds' activities because of certain confidential information available to those individuals or to other parts of Blackstone. In certain sell-side and fundraising assignments, the seller may permit a Fund to act as a participant in such transactions, which would raise certain conflicts of interest inherent in such a situation (including as to the negotiation of the purchase price).

Blackstone has long-term relationships with a significant number of corporations and their senior management. In determining whether to invest in a particular transaction on behalf of a Fund, BREX Europe will consider those relationships, which may result in certain transactions that BREX Europe will not undertake on behalf of the Fund in view of such relationships. Certain Funds may also co-invest with clients of Blackstone in particular investment opportunities, and the relationship with such clients could influence the decisions made by BREX Europe with respect to such investments.

Blackstone may from time to time participate in underwriting or lending syndicates with respect to portfolio companies of a Fund, or may otherwise be involved in the public offering and/or private placement of debt or equity securities issued by, or loan proceeds borrowed by, a Fund's portfolio companies, or otherwise in arranging financing (including loans) for portfolio companies. Such underwritings may be on a firm commitment basis or may be on an uncommitted "best efforts" basis. A Blackstone broker-dealer may act as the managing underwriter or a member of the underwriting syndicate and purchase securities from a Fund or such portfolio companies. Blackstone may also, on behalf of a Fund or other parties to a transaction involving a Fund, effect transactions, including transactions in the secondary markets where it may nonetheless have a potential conflict of interest regarding a Fund and the other parties to those transactions to the extent it receives commissions or other compensation from a Fund and such other parties. Subject to applicable law, Blackstone may receive underwriting fees, discounts, placement commissions, lending arrangement and syndication fees or other compensation with respect to the foregoing activities, which are not required to be shared with the Funds or BREX Europe. In addition, the Management Fee paid by the Funds generally will not be reduced by such amounts. Blackstone may nonetheless have a potential conflict of interest regarding Funds and the other parties to those transactions to the extent it receives commissions, discounts or such other compensation from such other parties. BREX Europe will approve any transactions in which a Blackstone broker-dealer acts as an underwriter, as broker for a Fund, or as dealer, broker or advisor, on the other side of a transaction with a Fund only where BREX Europe believes in good faith that such transactions are appropriate for a Fund.

Where Blackstone serves as underwriter with respect to a portfolio company's securities, Funds may be subject to a "lock-up" period following the offering under applicable regulations during which time its ability to sell any securities that it continues to hold is restricted. This may prejudice the Funds' ability to dispose of such securities at an opportune time.

Allocation of Personnel. BREX Europe and its affiliates will devote such time as shall be necessary to conduct the business affairs of the Funds in an appropriate manner. However, Blackstone personnel will work on other projects, and, therefore, conflicts may arise in the allocation of personnel. In this regard, however, a core group of Blackstone real estate professionals will devote substantially all of their business time to the business related to the Funds and related entities.

Portfolio Company Relationships. The Funds' portfolio companies may be counterparties or participants in agreements, transactions or other arrangements with portfolio companies of other investment funds managed by Blackstone or other Blackstone affiliates that, although Blackstone determines to be consistent with the requirements of such funds' governing agreements, may not have otherwise been entered into but for the affiliation with Blackstone, and which may involve fees and/or servicing payments to Blackstone-affiliated entities which are not subject to the management fee offset provisions described herein. For example, Blackstone may cause portfolio companies to enter into agreements regarding group procurement (such as the Group Purchasing Organization), employer health program arrangements, benefits management, and other similar operational initiatives that may result in commissions or similar payments related to a portion of the savings achieved by the portfolio company.

Conflicting Fiduciary Duties to Debt Funds. Blackstone may structure an investment as a result of which one or more structured vehicles or other collective investment vehicles primarily investing in senior secured loans, distressed debt, subordinated debt, high-yield securities and other similar debt instruments (collectively, "Debt Funds") are offered the opportunity to participate in the debt tranche of an investment allocated to the Funds. As investment advisor to both the Funds and the Debt Funds, Blackstone would owe a fiduciary duty to the Debt Funds as well as to the Funds. If the Debt Funds were to purchase high yield securities or other debt instruments of a portfolio company of the Funds, Blackstone may, in certain instances, face a conflict of interest in respect of decisions made with regard to Debt Funds and the Funds (e.g., with respect to the terms of such high-yield securities or other debt instruments, the enforcement of covenants, the terms of recapitalizations and the resolution of workouts or bankruptcies).

Other Blackstone Funds; Allocation of Investment Opportunities. Through its other investment funds and collective investment vehicles (including vehicles in existence as of the date hereof and those that may be formed in the future, collectively, "Other Blackstone Funds"), Blackstone currently invests and plans to continue to invest third-party capital in a wide variety of investment opportunities in the United States, Europe and elsewhere.

Service Providers. The Funds’ service providers (including lenders, brokers, attorneys and investment banking firms) may be investors in the Funds and/or sources of investment opportunities and counterparties therein. This may influence a General Partner in deciding whether to select such a service provider or have other relationships with Blackstone. Notwithstanding the foregoing, investment transactions for the Funds that require the use of a service provider, will generally be allocated to service providers on the basis of best execution (and possibly to a lesser extent in consideration of such service provider’s provision of certain investment-related services and/or payments of the costs of investment-related research that the General Partners believe to be of benefit to the Funds).

Representing Creditors and Debtors. Blackstone may represent creditors or debtors in proceedings under Chapter 11 of the Bankruptcy Code or prior to such filings. From time to time Blackstone may serve as advisor to creditor or equity committees. This involvement, for which Blackstone may be compensated, may limit or preclude the flexibility that the Funds may otherwise have to participate in restructurings.

Side Letters. BRE A Europe may enter into “side letters” with investors in the Funds, which “side letters” may allow for certain additional rights in the event of tax, regulatory or legal circumstances applicable to such investors, but not relating to Fund-specific fees.

Item 11 – Code of Ethics

BREA Europe recognizes and believes that (i) high ethical standards are essential for its success and to maintain the confidence of its investors; (ii) its long-term business interests are best served by adherence to the principle that the interests of investors come first; and (iii) it has a fiduciary duty to its investors to act in the best interests of the Funds. All BREA Europe personnel are required to act in accordance with the implied contractual covenants of good faith and fair dealing in respect of their dealings with investors. All BREA Europe personnel must also comply with all federal securities laws.

BREA Europe is governed by the Blackstone Code of Ethics (the “Code”). The Code governs a number of potential conflicts of interest which exist when providing advisory services to the investors in the Funds it manages. The Code is designed to ensure that BREA Europe meets its fiduciary obligation to BREA Europe’s investors and to instill a culture of compliance within BREA Europe. An additional benefit of the Code is to detect and prevent violations of securities laws.

The Code is distributed to each employee at the time of hire and annually thereafter, and it is available on Blackstone’s intranet website. BREA Europe also supplements the Code with ongoing monitoring of employee activity.

The Code includes the following:

- Requirements related to confidentiality;
- Limitations on, and reporting of, gifts and entertainment;
- Pre-clearance of political contributions;
- Pre-clearance and reporting of employee personal securities transactions;
- Pre-clearance of outside business activities; and
- Protection of persons who engage in “whistle blowing” activities from retaliation.

On an annual basis, Blackstone requires all employees to certify that they are in compliance with the Code.

Blackstone offers many different products and services across its many businesses and there are several potential conflicts of interest which may arise. Please see **Item 10 – Other Financial Industry Activities & Affiliations** for a list of investment related potential conflicts.

BREA Europe's related persons may from time to time have bought or sold, or may subsequently buy or sell, for their personal accounts, securities which may also be purchased or sold for the account of our clients. BREA Europe and its related personnel are subject to guidelines governing the ability to trade in personal accounts. The guidelines generally require that such trading be conducted for investment rather than speculative purposes and that all such personal securities transactions receive pre-clearance from the Blackstone Legal and Compliance Department. These policies are designed to comply with SEC requirements that registered investment advisors have a Code of Ethics. BREA Europe's Code is available for review upon request.

You may request a copy of BREA Europe's Code by contacting BREA Europe's Chief Compliance Officer, Judy Turchin; 212-583-5748; judy.turchin@blackstone.com.

Item 12 – Brokerage Practices

As a private equity manager, BRE A Europe engages primarily in privately negotiated, illiquid transactions.

Item 13 – Review of Accounts

Review of Accounts

Currently, the only accounts under the supervision of BREA Europe are the Funds' accounts. The Funds' accounts and investment positions are monitored by BREA Europe personnel on a regular and current basis. BREA Europe's Investment Committee meets as necessary to review investment opportunities, market conditions and potential conflicts. The Investment Committee consists of approximately 11 persons, all of whom are Senior Managing Directors or Founding Members of our real estate business. BREA Europe might periodically review on an expedited basis the assets of the Fund following a unique occurrence in the financial industry or market generally.

Reports to Clients

Investors in the Funds generally will receive quarterly reports which will include capital balance and Fund performance statistics. Investors also will receive annual audited financial statements for the Fund in which they are invested.

Certain investors in the Funds may request information relating to the Funds and, to the extent such information is readily available or may be obtained without unreasonable effort or expense, BREA Europe generally will provide such investors with the information requested. Investors that request and receive such information will consequently possess information regarding the business and affairs of the Funds that may not be known to other investors. As a result, certain investors may be able to take actions on the basis of such information which, in the absence of such information, other investors do not take.

Item 14 – Client Referrals and Other Compensation

Typically, placement agents will receive a portion of the management fee and/or performance fee paid to BREA Europe (although other payment arrangements could exist). A prospective investor solicited by a placement agent will be informed of (and may be asked to acknowledge in writing its understanding of) any such arrangement. All fees for such solicitation services will be ultimately paid/borne by a corresponding reduction in the management fee by BREA Europe and none of the investors in the Funds will be subject to any increased or additional fees or charges. Placement agents in the U.S. will be registered as broker-dealers with the SEC. Placement agents outside the U.S. will be registered with a non-U.S. regulatory body to the extent such registration is required in the applicable non-U.S. jurisdiction.

BREA Europe has a placement arrangement with Park Hill Real Estate Group LLC, an affiliate of BREA Europe. Blackstone Advisory Partners L.P., an affiliate of BREA Europe, serves as a placement agent for the Funds in the U.S. but is not compensated for such services. BREA Europe has distribution/placement arrangements with a number of other unaffiliated third parties.

Item 15 – Custody

Rule 206(4)-2 of the Advisers Act defines custody as holding client securities or assets or having any authority to obtain possession of them. BRE A Europe Funds generally have a BRE A Europe affiliate acting as general partner and, as such, BRE A Europe is deemed to have custody of the Funds' assets. BRE A Europe generally complies with the Advisers Act custody rules by providing all investors in a BRE A Europe Fund with audited financial statements within 120 days of the Fund's fiscal year end.

With the exception of certain assets, which are defined as "privately offered securities" per the Custody Rule, all Fund assets are held in custody by unaffiliated broker/dealers or banks in the name of the BRE A Europe Fund.

Item 16 – Investment Discretion

BREA Europe maintains the authority to manage the Funds on a discretionary basis, subject to the overall supervision of the applicable General Partner, in accordance with the investment guidelines, limitations, other provisions and terms set forth in the Funds' Limited Partnership Agreements.

Item 17 – Voting Client Securities (i.e., Proxy Voting)

Proxy Policy

Rule 206(4)-6 under the Advisers Act (the “Rule”) requires registered investment advisers that exercise voting authority over client securities to implement proxy voting policies. Because BREA Europe may be deemed to have authority to vote proxies relating to the companies in which its clients invest, BREA Europe has adopted a set of policies and procedures (together, the “Policy”) in compliance with the Rule. To the extent that BREA Europe exercises or is deemed to be exercising voting authority over its clients’ securities, the Policy is designed and implemented in a manner reasonably expected to ensure that voting with respect to proxy proposals, amendments, consents or resolutions (collectively, “proxies”) is exercised in a manner that serves the best interest of the clients, as determined by BREA Europe in its sole discretion.

From time to time, conflicts may arise between the interests of the investor, on the one hand, and the interests of BREA Europe or its affiliates, on the other hand. If BREA Europe determines that it has, or may be perceived to have, a conflict of interest when voting a proxy, BREA Europe will address matters involving such conflicts of interest on a case-by-case basis in a fair and equitable manner, subject to legal, regulatory, contractual or other applicable considerations. BREA Europe, in its sole discretion, may elect not to vote a proxy if unduly burdensome.

Investors may request a copy of the Policy and the voting records relating to proxies as provided by the Rule by contacting BREA Europe’s Chief Compliance Officer, Judy Turchin; 212-583-5748; judy.turchin@blackstone.com.

Item 18 – Financial Information

BREA Europe has never filed for bankruptcy and is not aware of any financial condition reasonably likely to impair its ability to meet contractual commitment to its investors.
