In such capacity, he may offer advisory services and receive normal and customary fees, which are fully disclosed in Lombard Street Partners, LLC's Form ADV, which is available by searching the CRD# through the Investment Advisor Public Disclosure website, www.adviserinfo.sec.gov and upon request. Since distinct services are offered through both RIAs, no conflict of interests exists.

Mr. Fateman is also an instructor at the Institute for Personal Financial Planning, LLC d/b/a betterdecisions.money, betterchoices.money, which offers finance education programs in the form of individual workshops and classes. Mr. Fateman spends approximately 16 hours per month on this activity.

Item 11: Code of Ethics, Participation or Interest in Client Transactions & Personal Trading

No security may be bought or sold by a principal or employee of Shone Asset Management before Firm's Clients' accounts have had the opportunity to make such transactions as appropriate. All Shone Asset Management principal and employee trades will be reviewed by the compliance officer. Principals and employees will not receive a more favorable execution price on a particular day than those received by Shone Asset Management's investment advisory Clients.

To prevent conflicts of interest, all employees of Shone Asset Management must comply with the Firm's Written Supervisory Procedures and Code of Ethics, which impose restrictions on the purchase or sale of securities for their own accounts and the accounts of certain affiliated persons. Purchase and sale of specific securities by employees of Shone Asset Management are prohibited

when there are Client programs active in those securities. Executions for Clients will always receive priority. The officers and employees of Shone Asset Management report transactions monthly.

The Supervisory Procedures and Code of Ethics require that all trades made by employees or related persons of Shone Asset Management, who make recommendations or participate in the determination of which recommendation shall be made, will require approval for all securities trades (except transactions in investment company securities and/or other exempt transactions) and will be reviewed by the designated person responsible. Shone Asset Management will also maintain quarterly reports on all personal securities transactions, except transactions in investment company securities and/or other exempt transactions. Further, such Supervisory Procedures and Code of Ethics impose certain policies and procedures concerning the misuse of material non-public information that are designed to prevent insider trading by any officer, partner, or associated person of Shone Asset Management.

Item 12: Brokerage Practices

Shone Asset Management will supervise and direct the investments of the Client accounts subject to such limitations as the Client may impose in writing. If the Client grants Shone Asset Management discretionary authority, Shone Asset Management, as agent and attorney-in-fact with respect to the Client's account, without prior consultation with the Client, may, (a) direct the purchase, sale, exchange, conversion, and otherwise trade in stocks, bonds and other securities including money market instruments, (b) direct the amount of securities purchased, sold, exchanged, and otherwise traded; (c) place orders for the execution of such securities transactions with broker/dealers and (d) determine the commission rates paid. Shone Asset Management will allocate brokerage transactions in a manner it believes to be fair and responsible to its Clients, and consistent with Client objectives. Adhering to a strict formula will not be practicable given the variation in Client objectives and guidelines.

Unless Client instructs Shone Asset Management otherwise, the Firm may place orders for the execution of transactions with or through a broker/dealer as Shone Asset Management may select, and complying with Section 28(e) of the Securities Exchange Act of 1934, may pay a commission on transactions in excess of the amount of commission another broker or dealer would have charged. Shone Asset Management will select such brokers that can effect transactions at the best price and execution under the prevailing circumstances.

In managing investment portfolios, Shone Asset Management acts in a manner in keeping with what it understands and believes to be the best interests of the Client. Individual securities are selected to provide diversification among economic sectors and industries which are chosen to achieve the desired balance between expected risk and expected return. Transactions of an unusual nature are discussed with Clients before execution.

Adviser participates in the institutional advisor program (the "Program") offered by TD AMERITRADE Institutional. TD AMERITRADE Institutional is a division of TD AMERITRADE, Inc. ("TD AMERITRADE") member FINRA/SIPC/NFA. TD AMERITRADE is an unaffiliated SEC-registered broker-dealer and FINRA member. TD AMERITRADE offers to independent investment advisers, services which include custody of securities, trade execution, clearance and settlement of transactions. Adviser receives some benefits from TD AMERITRADE through its participation in the program. There is no direct link between Shone Asset Management's participation in the program and the investment advice it gives to its Clients, although Shone Asset Management receives

economic benefits through its participation in the program that are typically not available to TD AMERITRADE retail investors. These benefits include the following products and services provided without cost: receipt of duplicate Client statements and confirmations; research related products and tools; consulting services; access to a trading desk serving Shone Asset Management participants; access to block trading (which provides the ability to aggregate securities transactions for execution and then allocate the appropriate shares to Client accounts); the ability to have advisory fees deducted directly from Client accounts; access to an electronic communications network for Client order entry and account information; access to mutual funds with no transaction fees and to certain institutional money managers; and discounts on compliance, marketing, research, technology, and practice management products or services provided to Shone Asset Management by third party vendors. TD AMERITRADE may also have paid for business consulting and professional services received by Shone Asset Management's related persons and may also pay or reimburse expenses (including travel, lodging, meal expenses for Shone Asset Management's personnel to attend conferences or meetings relating to the program or to TD AMERITRADE's adviser custody and brokerage services generally. Some of the products and services made available by TD AMERITRADE through the program may benefit Shone Asset Management but may not benefit its Client accounts. These products or services may assist Shone Asset Management in managing and administering Client accounts, including accounts not maintained at TD AMERITRADE. Other services made available by TD AMERITRADE are intended to help Shone Asset Management manage and further develop its business enterprise. The benefits received by Shone Asset Management or its personnel through participation in the program do not depend on the amount of brokerage transactions directed to TD AMERITRADE. As part of its fiduciary duties to Clients, the Firm endeavors at all times to put the interests of its Clients first. Clients should be aware, however, that the receipt of economic benefits by Shone Asset Management or its related persons in and of itself creates a potential conflict of interest and may indirectly influence Shone Asset Management's choice of TD AMERITRADE for custody and brokerage services.

Shone Asset Management considers a number of factors in selecting and/or recommending brokers and custodians for its Clients' accounts, including, but not limited to, execution capability, experience and financial stability, reputation and the quality of services provided. In selecting TD AMERITRADE, Inc. as the broker and custodian for certain of its current and future Client accounts, Shone Asset Management also considers its agreement with TD AMERITRADE, Inc.'s affiliate, Amerivest Investment Management, LLC, ("Amerivest") an investment adviser registered with the SEC, dated April 12, 2008 (the "Agreement").

Under the Agreement, Amerivest provides an internet asset allocation service ("Service") as a sub-advisor to Shone Asset Management. Shone Asset Management uses the Service as a tool in making investment decisions for its Clients that have established TD AMERITRADE ASA Accounts ("ASA Accounts"). The Service provides asset allocation recommendations, generally in the form of Exchange Traded Funds ("ETFs") that are based upon the application of Amerivest's computer-based models to specific categories of information that Shone Asset Management provides to Amerivest regarding the Client. This information may not include all of the Client's individual financial circumstances that Shone Asset Management considers when making investment decisions for the Client and the Service recommendations may not be consistent with the Client's financial situation or goals, including those which may have been provided to TD AMERITRADE, Inc. with respect to its accounts at TD AMERITRADE, Inc. Shone Asset Management makes the final investment decisions and suitability determinations with respect to investments for its Clients' accounts and neither Amerivest nor TD AMERITRADE, Inc. assumes any responsibility for Shone Asset Management's investment decisions or the suitability of the investments for Shone Asset Management's Clients. TD AMERITRADE, Inc. will not charge commissions on transactions in ETFs in Shone Asset

Management's Client's ASA Accounts, including transactions to liquidate positions transferred into such accounts.

Shone Asset Management pays Amerivest an annual sub-advisory fee, payable quarterly, for this Service. The fee is based on the amount of Client assets that Shone Asset Management places or commits to place in the Service, net of withdrawals. Client assets that are "plan assets" of plans subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or of a plan as defined in Section 4975 of the Internal Revenue Code will be excluded from the determination of the level of Client assets in the Service for the purpose of the fee computation.

The basic fee to Adviser for the Service is 30 basis points per year for each Client account. There is a \$2,000 minimum asset requirement per Client account. The basic fees are reduced when Adviser places or commits to place more Client assets in the Service. The basic fee is reduced for all Client accounts when Adviser places or commits to place \$1 million or more of Client assets in the Service and is reduced further when Adviser places or commits to place \$5 million or more of Client assets in the Service. If Adviser places or commits to place \$1 million to \$4,999,999.99 of Client assets in the Service, Adviser will have the annual fee reduced to 25 basis points. If Adviser commits to place such amount but in fact does not within 90 days, Adviser will be charged at the basic rate. Similarly, if Adviser places or commits to place \$5 million or more of Client assets in the Service, Adviser will have the annual fee reduced to 20 basis points. If Adviser commits to place such amount but in fact does not within 90 days, Adviser will be charged at the rate applicable to \$1 million or more if that level is reached or, if not, at the basic rate. The actual amount Adviser pays will be based on the market value of Client assets in the Service on the last day of each calendar quarter multiplied by one fourth of the applicable fees.

Shone Asset Management determines the amount of the investment management fees it charges to Clients. Shone Asset Management may include the amount of fees it pays to Amerivest for the Service in the fees it charges and may or may not pass on to Clients any fee reduction Shone Asset Management receives in connection with the Service. Although Shone Asset Management currently believes that the TD AMERITRADE, Inc. custody and brokerage services and the Amerivest sub-advisory Service are competitive in the marketplace for similar services offered by other broker-dealers, custodians and advisers, the Agreement with Amerivest and the fee structure for it as described herein for the Amerivest Service may effect Shone Asset Management's independent judgment in selecting or maintaining TD AMERITRADE, Inc. as the broker or custodian for Client accounts and Amerivest as sub-advisor.

Item 13: Review of Accounts or Financial Plans

All accounts under supervision are reviewed monthly by the applicant. Investments that are held in accounts of Clients are monitored weekly and could cause a review of a Client account, given a significant change and affect on an account. A dramatic change in the market environment would trigger a review of the accounts and holdings for all Clients. Client reviews are performed to check the progress of accounts and attainment of the stated Client goals. These reviews are agreed upon by the Client and Adviser. The frequency can be from monthly to annually.

Clients will receive performance reports on their accounts and holdings on a predetermined basis which may be monthly, but normally quarterly. Performance reports benchmark the investments in the account to determine the actual performance vs. the stated objective of the account. Clients also

receive general market commentary via periodic newsletters. The Clients also receive brokerage transaction confirmations and monthly statements from the custodian of the account.

Item 14: Client Referrals & Other Compensation

Our firm pays referral fees (non-commission based) to independent solicitors (non-registered representatives) for the referral of their clients to our firm in accordance with Rule 206 (4)-3 of the Investment Advisers Act of 1940. Such referral fee represents a share of our investment advisory fee charged to our clients. This arrangement will not result in higher costs to the referred client. In this regard, our firm maintains Solicitors Agreements in compliance with Rule 206 (4)-3 of the Investment Advisers Act of 1940 and applicable state and federal laws. All clients referred by Solicitors to our firm will be given full written disclosure describing the terms and fee arrangements between our firm and Solicitor(s). In cases where state law requires licensure of solicitors, our firm ensures that no solicitation fees are paid unless the solicitor is registered as an investment adviser representative of our firm. If our firm is paying solicitation fees to another registered investment adviser, the licensure of individuals is the other firm's responsibility.

Item 15: Custody

Clients should receive at least quarterly statements from the broker-dealer, bank or other qualified custodian that holds and maintains Clients' investment assets. Shone Asset Management urges you to carefully review such statements and compare such official custodial records to the account statements that we may provide to you. Our statements may vary from custodial statements based on accounting procedures, reporting dates, or valuation methodologies of certain securities.

Item 16: Investment Discretion

Shone Asset Management manages client accounts on a discretionary or non-discretionary basis, pursuant to an executed investment advisory client agreement. By granting investment discretion, we are authorized to execute securities transactions, which securities are bought and sold, the total amount to be bought and sold, and the costs at which the transactions will be effected. Limitations may be imposed by the client in the form of specific constraints on any of these areas of discretion with our firm's written acknowledgement.

Shone Asset Management will allocate brokerage transactions in a manner it believes to be fair and responsible to its Clients, and consistent with Client objectives. Adhering to a strict formula will not be practicable given the variation in Client objectives and guidelines.

Item 17: Voting Client Securities

Shone Asset Management shall not accept proxy authority with respect to the voting of proxies solicited by, or with respect to, the issuers of any securities held in the Accounts. In the event that proxies are sent to our firm, we will forward them to you and ask the party who sent them to mail them directly to you in the future. Clients may call, write or email us to discuss questions they may have about particular proxy votes or other solicitations.

Item 18: Financial Information

Shone Asset Management is required in this Item to provide its Clients with certain financial information or disclosures about Shone Asset Management's financial condition. Shone Asset Management is well capitalized, has no financial commitment that impairs its ability to meet contractual and fiduciary commitments to Clients and has not been the subject of a bankruptcy proceeding.
