■ **Advisory Business**

Firm Description

Our Asset Management group is uniquely positioned to provide customized portfolio solutions according to its clients' investment objectives. The use of its own proprietary investment technology enables the firm to achieve above benchmark returns for a particular risk level. Since October 2006, our team has been led by H. Gifford Fong as the portfolio manager and manages client relationships. Other GFA services and products available since 1974 include: Portfolio Optimization and Management, Independent Valuation, Fixed Income Analysis, Credit Risk Analysis, Derivative Analysis, Evaluation Audit Support, and Litigation Support. The other services and products provide a unique insight of the current market conditions and our staff has extensive training and experience in finance, mathematics, statistics, and computer science to assist in the interpretation of the market conditions.

■ **Fees and Compensation**

Description

Asset Management Fees are based on Assets under management. Special projects are based on estimated hours using our hourly rate schedule.

ASSET MANAGEMENT FEE SCHEDULE

Gifford Fong Associates (hereafter referred to as the MANAGER) and *Client* agrees to the following fee schedule:

1. *Client* shall compensate MANAGER for its services hereunder at the following annual rate:

If the assets in the Account are in excess of \$50 million, the fee shall be as follows:

0.50 of 1% on all assets in the Account.

If the assets in the Account are less than or equal to \$50 million, the fee shall be as follows:

0.60 of 1% on the first \$25 million of the assets in the Account; and
0.50 of 1% on the next \$25 million of the assets in the Account.

2. Fees shall be payable quarterly in arrears upon receipt of an invoice from MANAGER. The invoice shall set forth the amount of the fees owed by *Client* and the valuation of assets in the Account as of the average of the closing asset value of the last day of each month in the quarter, divided by 3, multiplied by the fee schedule, and then that annual calculation is divided by 4 to obtain the quarterly calculation.
3. MANAGER warrants that the fees provided for herein are the lowest rates made available by MANAGER to similarly situated clients with a similar size account and for services substantially the same as those provided by MANAGER to *Client*.
