1. Full name of applicant exactly as stated in Item 1A of Part I of Form ADV: Equinox Fund Management, LLC		IRS Empl. Ident. No.: 73-1672803
Item of Form (identify)	Answer	
Part II, 1.A.(1) Advisory Services	<p>Equinox Fund Management, LLC, ("Equinox") is a Delaware limited liability company formed in June 2003. As of the fourth quarter of 2009, Equinox serves as the Investment Advisor to one or more MutualHedge funds (initially MutualHedge Event Driven Legends Fund, MutualHedge Equity Long-Short Legends Fund and MutualHedge Frontier Legends Fund ("the Funds")) with Gemini Fund Services, LLC acting as the Funds' transfer agent ("Gemini"). Each of the MutualHedge Funds will contract with Gemini to perform various administrative services.</p> <p>Equinox is registered as a Commodity Pool Operator ("CPO") with the Commodity Futures Trading Commission ("CFTC") and is a member of the National Futures Association ("NFA") in such capacity. Equinox acts as Managing Owner for The Frontier Fund ("TFF" or the "Trust") a public managed futures fund that was formed on August 8, 2003, under the Delaware Statutory Trust Act and as of December 31, 2009, has nearly \$744 million in commodity interests under management. The sole trustee of the Trust is Wilmington Trust Company, which delegated its duty and authority for the management of the business and affairs of the Trust to Equinox. Equinox is a 100% owner of Equinox Distributors, Inc, which wholesales services for The Frontier Fund.</p>	
Part II, 1.C. (1) Advisory Fees	<p>For advisory services provided to the Gemini funds, Equinox will receive a percentage of assets under management at an annual rate of 1.70% for each Fund. Equinox has contractually agreed with the Funds to waive advisory fees and, if necessary, reimburse certain other expenses, to limit the Net Total Annual Fund Operating Expenses (excluding interest, taxes, brokerage commissions and extraordinary expenses) to 2.20% of average daily net assets for Class A Shares and 2.95% of average daily net assets for Class C Shares of the Funds through November 14, 2008.</p> <p>With respect to The Frontier Fund, Equinox will receive a management fee based on assets under management (50-200 bps)</p> <p>The management fee is billed monthly or semi-monthly in arrears based upon daily accruals in an amount determined by applying the annual rate, divided by 365 (or 366) days to the net asset value of all accounts subject to the Investment Management Agreement. Mutual Fund clients authorize the deduction of fees directly from the appointed custodian, i.e. the broker-dealer, clearing firm, trust company or authorized institution maintaining the account. The custodian will then remit the applicable fees to the Company. Fees are negotiable only under special circumstances. Lower fees for comparable services may be available from other sources. Equinox is not a sponsor of a wrap program.</p> <p>The applicant does not presently intend to charge any incentive fees with respect to securities investment advice rendered by the applicant to mutual fund clients. In the event that, in the future, the applicant decides to charge advisory fees with respect to such securities investment advice, such fees will be calculated and charged in compliance with the Investment Advisors Act of 1940, as amended, and the rules promulgated thereunder including Rule 205-3.</p>	
Part II, 2. G.Types of Clients	<p>Equinox is registered as a Commodity Pool Operator ("CPO"). Equinox acts as Managing Owner for The Frontier Fund ("TFF") a SEC '34 Act public managed futures fund that was formed on August 8, 2003, under the Trust Act and has \$743,473,130 million under</p>

Part II, 3. L. Types of Investments	<p>management as of December 31, 2009. Equinox may have additional clients other than the Gemini fund in its capacity as an investment adviser and is the CPO for The Frontier Fund and Equinox Private Legends Fund. Equinox currently does not sponsor any other commodity pools or commodity funds. Mr. Richard Bornhoft, Mr. Ron Montano and Mr. Brent Bales, however, are affiliated with The Bornhoft Group, which currently is the general partner/managing owner and commodity pool operator of non-public commodity funds.</p> <p><i>As Investment Advisor to MutualHedge Funds—</i></p> <p>Equinox manages and supervises the investment of the Funds' assets on a discretionary basis and is committed to providing prudent investment strategies designed to meet the stated objectives of each fund. Equinox designs portfolios that are uniquely structured for each fund.</p> <p><i>As Managing Owner for The Frontier Fund and Equinox Private Legends Fund—</i></p> <p>Equinox, with respect to each The Frontier Fund Series and through selected Trading Advisors, will engage in the speculative trading of a diversified portfolio of futures, forward (including interbank foreign currencies) and options contracts and other derivative instruments, including Swaps, and may, from time to time, engage in cash and spot transactions. It is expected that between 10% and 30% of each Series' assets normally will be invested in one or more trading companies to be committed as margin for trading positions, but from time to time these percentages may be substantially more or less. The remainder of each Series' assets is maintained as part of a cash management program.</p> <p>The Trading Advisors are selected based upon the Managing Owner's evaluation of each Trading Advisor's past performance, trading portfolios and strategies, as well as how each Trading Advisor's performance, portfolio and strategies complement and differ from those of the other Trading Advisors.</p> <p>With respect to Equinox Private Legends Fund, each manager is focused on a specific trading strategy that sells through a private placement offer.</p>	
Part II 4. A. (5) Methods of Analysis	<p>A combination of fundamental and charting techniques using internal and outside research service will allow the applicant to identify attractive sectors and styles of various markets in order to allocate fund assets. The applicant's securities analysis utilizes computerized software programs which apply a number of statistical measures in addition to various asset allocation principles.</p>	
Part II 4. C. (7) Investment Strategies	<p>Equinox's primary sources of information used to develop investment strategies which are designed to meet the stated objectives of each fund are derived from proprietary quantitative methods that utilize historical data to compute appropriate asset allocation percentages for portfolios and create composites exhibiting the most attractive reward/risk.</p>
