---	---------------------------------	----------------------------

(Do not use this Schedule as a continuation sheet for Form ADV Part I or any other schedules.)

1.	Full name of applicant exactly as stated in item 1A of Part I of Form ADV: Simran Capital Management, LLC	IRS Empl. Ident. No.:
Item of Form (identify)	Answer	
Item 1.D.	<p>Services Provided</p> <p>Simran Capital Management, LLC (“the Applicant”) is an investment management firm providing asset management services to Simran High Yield & Distressed Alternative Strategy Fund, L.P., a private investment partnership, (“the Fund”) and to other limited partnerships and managed accounts for institutional clients.</p> <p>Fee Schedule</p> <p>The Fund will ordinarily pay the Applicant a monthly management fee, in arrears, in an amount equal to 1/12th of 2% of the net asset value (“NAV”) of each Limited Partner’s Capital Account(s) as of the end of each calendar month (approximately 2.0% annually).</p> <p>In addition to the management fee, the Applicant as of the last Business Day of each calendar quarter and as of any date on which a Limited Partner makes a withdrawal or receives a distribution from such Limited Partner’s Capital Account(s), the Fund ordinarily will charge against the Capital Account of a Limited Partner, and credit to the Applicant’s Capital Account an incentive allocation in an amount equal to 20% of the Net New Profit in each Capital Account (or solely the Capital Account relating to such withdrawal or distribution, as applicable). Net New Profit is any amount by which the NAV of a Limited Partner’s Capital Account exceeds the High Water Mark for such Account. The High Water Mark for a Capital Account is the NAV of such Account immediately after the assessment of the most recent Incentive Allocation (deducting the amount of any withdrawals or distributions since such assessment) or, if the Account has never been assessed an Incentive Allocation, the NAV of such Account when it was established (deducting the amount of any withdrawals or distributions since it was established). The High Water Mark for a Limited Partner’s Capital Account is calculated net of the Incentive Allocations charged against such Account. This means that the Applicant is not required to “restore” the amount of any Incentive Allocation charged against a Limited Partner’s Capital Account before participating in future appreciation in the value of such Account in accordance with the formula described above. Although the High Water Mark for an Account carries forward from quarter to quarter until exceeded, the Applicant is not required to “repay” any Incentive Allocation paid to it in the event such Account subsequently experiences losses.</p> <p>Withdrawals of the Fund</p> <p><u>Voluntary Withdrawals.</u> A Limited Partner may generally withdraw all or any part of the balance of any Capital Account of such Limited Partner as of the last Business Day of any calendar quarter, upon not less than ninety (90) calendar days prior written notice to the Applicant; provided, however, that if such Capital Account has been in existence for less than one (1) year, the Applicant will charge a withdrawal fee of equal to 2.5% of the withdrawal proceeds (payable 50% to the Fund and 50% to the Applicant). Any withdrawal request that would decrease a Limited Partner’s Capital Account below the minimum investment amount as of the date of such withdrawal shall be deemed as a withdrawal of the entire Account.</p> <p><u>Compulsory Withdrawals.</u> The Applicant may require any Limited Partner to withdraw all or any portion of such Limited Partner’s Capital Account(s) as of any date by giving not</p>	

less than ten (10) calendar days prior written notice to such Limited Partner. The Applicant may also require withdrawals without notice for certain tax and regulatory reasons. Payments on Withdrawal. The Fund ordinarily will pay not less than 90% of the proceeds payable to an investor in connection with a withdrawal within thirty (30) calendar days following the end of the quarter after the effective date of such withdrawal. Any outstanding balance will be paid as soon as is reasonably practicable following the completion of the Fund's annual audit for the year in which such withdrawal was effective. Withdrawal proceeds payable in connection with a withdrawal effected at a time other than as of the end of a calendar quarter are reduced by the amount of the Incentive Allocation (if any) charged in connection with such withdrawal. The Fund may pay withdrawal proceeds in cash, "in kind" or a combination of the two.

Suspensions of Withdrawals. The Applicant may cause the Fund to temporarily suspend withdrawals and withdrawal payments in certain limited circumstances.

Item 2.G.

The Applicant provides investment advisory services to the Fund based on the investment objectives of the Fund. The Applicant does not provide tailored investment advice to the Limited Partners in the Fund.

Item 5

Generally the Applicant requires employees to have experience in investment banking, restructuring, credit analysis, valuation, bond trading, general understanding of bankruptcy process are all skills required for this investment strategy. The portfolio managers have career experiences that have developed all of these skills.

Item 8.D.

As noted above, the Applicant serves as a general partner to Simran High Yield & Distressed Alternative Strategy Fund, L.P., a Delaware limited partnership (the "Fund"). The Funds investments may vary, but generally its assets are expected to be invested in high yield and distressed securities.

Item 9

Code of Ethics

	<p>The Applicant's Code of Ethics (the "Code") was adopted to effectuate the purposes and objectives of Sections 204A and Section 206 of the Investment Advisers Act of 1940 (the "Advisers Act") and Rule 204-2 under the Advisers Act, although the Applicant is not federally registered under the Advisers Act.</p> <p>The Code sets forth the Applicant's standard business conduct as a fiduciary and specifically requires that its employees comply with federal securities laws. The Code is designed to protect the interests of both the Limited Partners in the Fund and the Applicant by demanding that advisory personnel perform their duties completely properly and do not take advantage of their position. Accordingly, the Applicant must avoid activities, interests, and relationships that might interfere with making decisions in the best interests of the Fund. Failure to abide by this code results in disciplinary action, including termination of employment. <u>A complete copy of the Applicant's Code of Ethics is available to clients and prospective clients upon written request.</u></p>
Item 10	The Applicant generally requires Limited Partners in the Fund to commit \$1,000,000 as a minimum initial investment. The Applicant may raise or lower this requirement from time to time and accept initial capital contributions below the established minimum amount in its discretion.
Item 12.A. (1) and (2)	The Applicant is not limited in its authority to purchase securities for the Fund. The Applicant has full discretion and authority to make all investment decisions with respect to the types of securities to be bought or sold or the amount of securities to be bought or sold for the fund.
Item 12.A. (3) and (4)	The Applicant will always have discretion as to the placement of brokerage and this determination will be based upon four factors: (1) where the best execution (price) is likely to be obtained; (2) a brokerage firm's research and investment ideas that directly impact the Fund's portfolio; (3) a firm's ability to properly execute any orders (based on the size of the trade and its complexity to execute); and (4) the operational aspects of a brokerage firms' back office (will the Fund receive payment of securities on a timely basis) and custodian or other administrative services. Because of these considerations the Applicant may pay a brokerage commission in excess of that which another broker might have charged for having effected the same transaction in recognition of the value of brokerage or research services provided by the broker.
Item 13.B.	The Applicant pays a third party a portion of its fee earned by clients that were referred by the third party. The Applicant does not expect to enter into such transactions in the future.
