We are paid a percentage of all retirement plan or investment assets. The fee is based on an annual percentage calculated on a quarterly basis.

5.A: FEE SCHEDULES

Assets Under Management	Annual Fee (%)
Less than \$5,000,000	1.00%
\$5,000,001 and above	Negotiable

For purposes of determining value, securities and other instruments traded on a market for which actual transaction prices are publicly reported are valued at the last reported sale price on the principal market in which they are traded. All other assets are valued at fair value by Wealth RESCue Strategies. Notwithstanding the above, in certain circumstances, we may allow special fee arrangements.

Compensation for our services will be calculated in accordance with what is set in the client's agreement. We may modify the terms of any agreement with at least 30 days prior written notice.

Special Project Consulting Fees

Wealth RESCue may take on special projects where we are not paid based on assets. In these cases, consulting services are \$425 per hour, due at time of service. While we strongly feel our rates are competitive and fair, we must disclose that comparable services may be available from other sources at a lower rate.

5.B: FEE PAYMENT OPTIONS

Wealth RESCue Strategies fees are paid when we submit an invoice to the client, or their designated trustee or representative and are not withdrawn from the clients account. The invoice we submit shows the amount of fees, the value of your assets on which the fees are based, and the specific manner in which the fees are calculated.

5.C: THIRD PARTY FEES

Advisory fees payable to us do not include all the fees you will pay when we purchase or sell securities for your account(s). We do not receive, directly or indirectly any of these fees charged to you. They are paid to your broker, custodian or the mutual fund or other investment you hold. The fees include but are not limited to:

- Brokerage commissions;
- Transaction fees;

- Odd-Lot differentials;
- Deferred sales charges (charged by MFs);

- Wire transfer and electronic fund processing fees;
- Commissions or mark-ups / mark-downs on security transactions ;
- Among others that may be incurred.

All brokerage commissions, stock transfer fees, and other similar charges incurred in connection with transactions for the account will be paid out of the assets in the account and are in addition to the investment management fees paid to us. You bear the responsibility for verifying the accuracy of fee calculations.

5.D: FEE PAYMENTS

Wealth RESCue Strategies fees are paid quarterly in advance, with payment due within 10 days from the date of the invoice. Our fee is determined by taking the percentage rate we charge, times the market value of the account, divided by the number of days in the year and multiplied by the number of days in the quarter. The market value is the sum of the values of all assets in the account, not adjusted by any margin debit. Fees for partial quarters at the commencement or termination of our agreement will be billed or refunded on a pro-rated basis contingent on the number of days the account was open during the quarter. Quarterly fee adjustments for additional assets received into the account during a quarter or for partial withdrawals will also be provided on the above pro rata basis.

Fixed and Hourly Fees

Fees for investment or retirement consulting services that are provided for at an hourly are due at time of service. Services performed on a fixed fee basis require a retainer equal to one-half the fixed fee. The remaining balance will be billed in equal installments on a monthly basis until the project is completed. All invoices are due within 10 days of invoice. Special arrangement may be made with clients wishing to retain investment consulting services on an ongoing basis.

5.d.1: Termination

Either Wealth RESCue Strategies or our clients can terminate our agreement upon receipt of written notice to the other party.

When an agreement is terminated, we will refund any pre-paid, unearned wealth management fees based on the number of days remaining in the quarter after termination. Refunds will be made within 30 calendar days of the effective date of termination.

When an agreement is terminated, all assets may need to be transferred from the current custodian. You will be responsible for paying all fees including full quarterly custodial administrative fees, account closure fees, mutual fund fees and all trading costs due to the termination. Custodian may assess additional fees for transfer of illiquid investments.

Wealth RESCue Strategies strategy is based on academic research indicating investment returns are determined principally by asset allocation, and not by other means such as stock picking and market timing. We believe markets are generally efficient and fairly priced. The above in combination with proper diversification provides reduced volatility and a lower level of risk.

or recommendation made by us will be profitable. You assume all market risk involved in the investment of account assets under the Investment Advisory Agreement and understand that investment decisions made for this account are subject to various market, currency, economic, political and business risks. Except as may otherwise be provided by law, we will not be liable to you for (a) any loss that you may suffer by reason of any investment decision made or other action taken or omitted in good faith by Wealth RESCue Strategies with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use; (b) any loss arising from our adherence to your instructions; or (c) any act or failure to act by a custodian of your account. ITEM 11 – CODE OF ETHICS

11.A: CODE OF ETHICS DESCRIPTION

Wealth RESCue Strategies has adopted a Code of Ethics that governs a number of potential conflicts of interest we have when providing our advisory services to you. This Code of Ethics is designed to ensure we meet our fiduciary obligation to you and to stress the importance of a culture of compliance within our firm.

An additional benefit of our Code of Ethics is to detect and prevent violations of securities laws, including our obligations we owe to you.

Wealth RESCue Strategies’ Code of Ethics is comprehensive, is distributed to each employee at the time of hire, and annually thereafter (if there are changes). We also supplement the Code of Ethics with annual training and on-going monitoring of employee activity. A complete copy of our Code of Ethics will be supplied to you, free of charge, if you request it.

Our Code of Ethics includes the following:

- Requirements related to the confidentiality of your personal, business and financial information
- Prohibitions on insider trading (if we are in possession of material, non-public information)
- Reporting of gifts and business entertainment
- Pre-clearance of employee and firm transactions

- Reporting (on an on-going and quarterly basis) all personal securities transactions (what we call “reportable securities” as mandated by regulation)
- On an annual basis, we require all employees to re-certify to our Code of Ethics, identify members of their household and any account to which they have a beneficial ownership (they “own” the account or have “authority” over the account), securities held in certificate form and all securities they own at that time.

11.B, C & D: PARTICIPATION OR INTEREST IN CLIENT TRANSACTIONS

Wealth RESCue Strategies, or its employees, may buy and sell some of the same securities for our own accounts that we buy and sell for our clients. We will always buy or sell from our clients’ accounts before we buy or sell from our accounts. In some cases Wealth RESCue Strategies, or its employees, may buy or sell securities for our own accounts and not for clients’ accounts, as it may not meet the objectives or plans for the client.

Wealth RESCue Strategies will always maintain full disclosure with our clients so that you can make informed decisions. We will always evaluate our activity from the view of our clients to ensure that any and all required disclosures are made. For example, we will disclose anything that would cause you to be unfairly influenced to make any decision regarding actions or inactions in your account.

For California Residents: Wealth RESCue Strategies adheres to the California Code of Regulations, Title 10 Section 260.238 (k), (1), (2) and (o) which prohibits investment advisers from:

ITEM 12 – BROKERAGE PRACTICES
