**Item 2: Educational Background and Business Experience**

L. Farrell Crane, Jr. is 49 years old. Farrell holds a Bachelor's degree in Economics from Austin College and a J.D. from the University of Texas. Farrell has eleven years of investment management experience managing both fixed income and equity allocations, and has served as the portfolio manager of the Energy Opportunities strategies since inception in 2000.

- January 2009 – present: Portfolio Manager of the Energy Opportunities strategies and Managing Director / President Energy Opportunities Capital Management, LLC.
- April 2000 – December 2008: Portfolio Manager of the Energy Opportunities strategies, Co-Portfolio Manager to Core Fixed Strategy, and Co-Portfolio Manager Strategic Dividend Fund at Orleans Capital Management.

Before this, Mr. Crane spent thirteen years as a corporate lawyer, managing financial restructurings of both publicly and privately held institutions and developing an extensive background in the review and analysis of securities. He was formerly a partner with Kirkendall & Isgur, L.L.P. and Of Counsel with Butler & Binion, L.L.P. and Fulbright & Jaworski L.L.P. in Houston, Texas.

Scott B. Gill is 52 years old. Scott holds a Master's degree in Business Administration from Tulane University and a Bachelor's degree in Mechanical Engineering from Louisiana State University. Scott has worked in the securities and investment management business for the past fifteen years.

- January 2009 – present: Portfolio Manager of the Energy Opportunities strategies and Managing Director / Executive Vice President Energy Opportunities Capital Management, LLC.
- February 1997 – December 2008: Managing Director and Co-Head of Research for Simmons & Company International.

Prior to this, Mr. Gill worked in both corporate and operational management roles at Baker Hughes Incorporated, a large and diversified energy service company with global operations. Prior to joining Baker Hughes Incorporated in 1991, Scott worked over nine years for Amoco Production Company (subsequently acquired by BP) in various engineering and managerial positions.
