BARTHELEMY GROUP, LLC

<p>1. Full name of applicant exactly as stated in Item 1A of Part I of Form ADV: BARTHELEMY GROUP, LLC</p>	<p>IRS Empl. Ident. No.: 27-0389479</p>
Item of Form (identify)	Answer
<p>Item 12A. (3) & (4)</p>	<p>INVESTMENT OR BROKERAGE DISCRETION</p> <p>Barthelemy Group, LLC ("BG") has an arrangement with National Financial Services LLC, and Fidelity Brokerage Services LLC (together with all affiliates, "Fidelity") through which Fidelity provides BG with Fidelity's "platform" services. The platform services include, among others, brokerage, custodial, administrative support, record keeping and related services that are intended to support intermediaries like BG in conducting business and in serving the best interests of their clients but that may benefit BG.</p> <p>Fidelity charges brokerage commissions and transaction fees for effecting certain securities transactions (i.e., transactions fees are charged for certain no-load mutual funds, commissions are charged for individual equity and debt securities transactions). Fidelity enables BG to obtain many no-load mutual funds without transaction charges and other no-load funds at nominal transaction charges. Fidelity's commission rates are generally considered discounted from customary retail commission rates. However, the commissions and transaction fees charged by Fidelity may be higher or lower than those charged by other custodians and broker-dealers.</p> <p>As part of the arrangement, Fidelity also makes available to BG, at no additional charge to BG, certain research and brokerage services, including research services obtained by Fidelity directly from independent research companies, as selected by BG (within specified parameters). These research and brokerage services presently include services such as stocks , bonds, mutual funds, exchange traded funds researches and are used by BG to manage accounts for which BG has investment discretion. BG may also receive additional services which may include comprehensive portfolio review tools. Without this arrangement, BG might be compelled to purchase the same or similar services at its own expense.</p>
<p>Item 13A.</p>	<p>ADDITIONAL COMPENSATION</p> <p>As a result of receiving such services for no additional cost, BG may have an incentive to continue to use or expand the use of Fidelity's services. BG examined this potential conflict of interest when it chose to enter into the relationship with Fidelity and has determined that the relationship is in the best interests of BG's clients and satisfies its client obligations, including its duty to seek best execution. A client may pay a commission that is higher than another qualified broker-dealer might charge to effect the same transaction where BG determines in good faith that the commission is reasonable in relation to the value of the brokerage and research services received. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broke-dealer's services, including the value of research provided, execution capability, commission rates, and responsiveness. Accordingly, although BG will seek competitive rates, to the benefit of all clients, it may not necessarily obtain the lowest possible commission rates for specific client account transactions. Although the investment research products and services that may be obtained by BG will generally be used to service all of BG's clients, a brokerage commission paid by a specific client may be used to pay for research that is not used in managing that specific client's account. BG and Fidelity are not affiliates, and no broker-dealer affiliated with BG is involved in the relationship between BG and Fidelity.</p>
