ITEM 4 - SERVICES, FEES AND COMPENSATION

The Wealth Management Platform – Model Portfolios Program (“Program”) is sponsored by VISION2020 Wealth Management Corp. (“us” or “we” or “our”), an SEC-registered Investment Adviser. The Program is presented to the client (“you”) by Investment Adviser Representatives (“Advisory Representatives”) of a registered investment adviser (“Advisor”) that may be a Related Person (as defined in Form ADV) to us. Please refer to the Advisor’s Form ADV, Part I to determine if your Advisor is a Related Person to us.

To join the Program, you will enter into an investment advisory client agreement (“Client Agreement”) with us and your Advisor and establish a brokerage account (“Program Account”) on a fully disclosed basis with the Advisor’s associated broker-dealer.

Advisory Services

The Program offers you managed asset allocation models (“Asset Allocation Models”) of mutual funds and exchange traded funds (“ETFs”) diversified across various investment styles and strategies. The Asset Allocation Models are constructed by the following managers (“Program Managers”).

SunAmerica Asset Management Company

Russell Investment Management Company

LWI Financial Inc.

OAM Avatar, LLC

ICON Advisers, Inc.

Morningstar Associates, LLC

SEI Investments Management Corporation

Program Managers that construct mutual fund Asset Allocation Models use load waived or no-load mutual funds. The cost of purchasing and holding mutual fund shares through the Program may be more or less than investing in mutual fund shares in a brokerage account, depending upon the amount of the advisory fees and the specific mutual funds selected for investment within the Program.

Based upon your risk tolerance and financial objectives, the Program utilizes a system that recommends a specific Asset Allocation Model which may contain either 1) a combination of mutual funds or 2) a combination of exchange traded funds (“ETFs”) depending on which Program Manager is used. After the recommendation is made, you and your Advisor will select an Asset Allocation Model. Advisor, with our assistance, will open a Program Account and your assets will be invested in the specific investments contained within the selected Asset Allocation Model.

You have the opportunity to place reasonable restrictions on the investments held within your Program Account. Such restrictions may cause; (i) a divergence in account performance from the Asset Allocation Model originally presented to you; (ii) a delay in the reporting of account performance; and (iii) a delay in the rebalancing of the portfolio funds within your account.

We make no representations regarding the future performance of any Asset Allocation Model. As always, past performance is not a guarantee of future results.

To participate in the Program, you agree to establish a brokerage account on a fully disclosed basis at your Advisor’s associated broker-dealer in order to effect mutual fund transactions and exchange traded fund transactions and to hold these positions in connection with the Program.

We will provide monitoring and review of Asset Allocation Models. We have the discretion to modify and/or rebalance a Program Manager's Asset Allocation Model and its associated Program Accounts without your consent consistent with your agreed upon investment objectives and risk tolerance.

SunAmerica Asset Management Company

Program Manager, SunAmerica Asset Management Company ("SAAMCo") will provide Asset Allocation Models composed of SunAmerica mutual funds ("SunAmerica Funds"). There can be no assurance that any of the investment goals for your account will be met or that the net return on an investment in a portfolio of the funds will exceed what could have been obtained through other investment or savings strategies. SAAMCo is an Affiliate of ours and may be an affiliate of your Advisor (refer to the Advisor's Form ADV, Part I to determine).

There can be no assurance that any of your investment goals will be met or that the net return on an investment in a portfolio of mutual funds will exceed what could have been obtained through other investment or savings strategies.

Program Costs

You will be charged an annual fee based upon the value of the Program assets you have under management which covers management, administrative and transaction costs ("Account Fee" or "Wrap Fee"). Fees are negotiable and range up to 3.00% of the assets under management that may be collected by your Advisor, its associated broker-dealer and Related Persons.

Your Account Fee will bill quarterly, in advance, based upon the market value of the Program assets as of the last business day of the preceding calendar quarter. In the event that additions to, or withdrawals from, the account are made in excess of \$10,000 or more during any given quarter, the applicable Account Fee will be adjusted on a pro-rata basis, based on the market value of the assets at such time to reflect the addition or withdrawal.

Please find on the following page, the annualized, maximum Account Fee guidelines for the above referenced Asset Allocation Models. Your actual Account Fee schedule is included in the Statement of Investment Selection ("SIS") which will be provided to you.

Methods of Calculating Account Fees

Your Account Fee may be billed using the "Tiered" or "Linear" method. To illustrate, please refer to the sample billing schedule below:

Total Account Value:

Account Fee:

\$0 - \$249,999

X%

\$250,000 - \$499,999

Y%

- Under the Tiered billing method, a Total Account Value of \$400,000 would be billed as follows: the first \$249,999 would be billed at X% with the remaining \$150,001 to be billed at Y%.
- Under the Linear billing method, a Total Account Value of \$400,000 would be billed at Y%.

The Statement of Investment Selection which will be provided to you will disclose if your Account Fee is calculated using Tiered billing. If there is no Tiered billing disclosure, then your Account Fee is calculated using Linear billing.

¹¹ The Maximum Gross Account Fee represents the maximum allowable account fee payable to your Advisory Representative and Advisor's associated broker-dealer. Account fee includes the advisory fee payable to your Advisory Representative and revenue sharing payments made by SEI to the Advisor's associated broker-dealer.

¹² The Maximum Net Account Fee represents the fee payable to your Advisory Representative directly from your account for advisory services. This fee is calculated by deducting from the Maximum Gross Account Fee an amount equal to revenue sharing payments made by SEI to the Advisor's associated broker-dealer. In no event, shall the amount payable to your Advisory Representative exceed the Maximum Net Account Fee.

Negotiation of Account Fees

Subject to the maximum Account Fee limitations imposed by the fee schedules that follow, each Advisory Representative: (i) negotiates with clients their own Account Fee schedule, and (ii) determines on a client by client basis the Accounts that will be included in the same “household” for purposes of calculating the Account Fee. The actual Account Fee schedule will be shown in the Statement of Investment Selection.

Account Fees and terms are negotiated on a case-by-case basis, depending on a variety of factors, including the nature and complexity of the particular service, the requirements of your particular Advisory Representative, your relationship with your Advisory Representative, the size of the Account, the potential for other business or clients, the amount of work anticipated and the attention needed to manage the Account, among other factors.

General Information Concerning Fees And Other Client Charges

Account Fees charged to you are shared among your Advisor, your Advisory Representative, its associated broker-dealer and us. Part of the fee is remitted to the custodian who serves as the associated broker-dealer’s clearing firm.

All mutual funds comprising the portfolio of funds will be purchased at Net Asset Value without the imposition of any sales charges. A fee of \$1.50 will apply for each mutual fund trade confirmation that you do not elect to receive electronically. Certain Program Managers use mutual funds that assess 12b-1 distribution fees. You will not be charged these fees in accordance with disclosure referenced on page 7 – 9 of this Program Brochure.

You will bear a proportionate share of the fees and expenses of any mutual funds selected and for money market funds used as “sweep vehicles” for uninvested cash balances. These fees and expenses may include investment advisory, administrative, distribution, transfer agent, custodial, legal, audit and other customary fees and expenses related to investment in mutual funds and are in addition to the Account Fee. Please read the prospectuses of the mutual funds selected for a more complete explanation of these fees and expenses.

You may be able to purchase shares of mutual funds outside of the Program directly from the mutual fund issuer, its principal underwriter or a distributor without purchasing the services of the Program or paying the Account Fee on such shares (but subject to any applicable sales charges). Certain mutual funds are offered to the public without a sales charge. In the case of mutual funds offered with a sales charge, the prevailing sales charge (as described in the mutual fund prospectus) may be more or less than the applicable account fee.

There are additional fees relating to IRA and Qualified Retirement Plan accounts that you may incur such as maintenance and termination fees. You will find these fees disclosed in the account application paperwork provided to you associated with these accounts.

Accordingly, you should review the Account Fee and the other fees outlined above to fully understand the total amount of fees you pay.

Please consider that depending upon the level of the Account Fee charged, the amount of portfolio activity in your account, the value of services that are provided under the Program, and other factors, the Account Fee may or may not exceed the aggregate cost of such services if they were to be provided separately.

Depending upon the level of the Account Fee, your Advisor may receive more compensation:

- 1) as a result of your participation in the Program then if you participate in other programs that your Advisor offers.

- 2) if your Advisor charges you the Wrap Account Fee which wraps management, administrative and transaction costs into one fee rather than having you pay for these services separately.

As such, your Advisor may have a financial incentive to recommend the Program to you over other programs or services.

Termination of Program Investments

We reserve the right to terminate the offering of any Asset Allocation Model or any Mutual Fund or ETF therein at any time and in any manner. In the event of termination, you will be given reasonable advance notice of the termination and a reasonable opportunity to select a different Asset Allocation Model, Mutual Fund or ETF, as applicable. If you fail to act within 30 days after receiving such notice, we reserve the right in our sole discretion, to transfer your Program Account assets to a non-discretionary, unmanaged brokerage account or substitute the terminated Asset Allocation Model with another substantially similar Asset Allocation Model, Mutual Fund or ETF, as applicable.

Code of Ethics

We have adopted a Code of Ethics (the “Code”) to address securities-related conduct. The Code focuses primarily on fiduciary duty, personal securities transactions, insider trading, gifts, and conflicts of interest. The Code includes our policies and procedures developed to protect your interests in relation to the following topics:

- The duty at all times to place your interests first;
- The requirement that all personal securities transactions be conducted in such a manner as to be consistent with the code of ethics and to avoid any actual or potential conflict of interest or any abuse of an employee’s position of trust and responsibility;
- The principle that investment adviser personnel should not take inappropriate advantage of their positions;
- The fiduciary principle that information concerning the identity of security holdings and your financial circumstances is confidential; and
- The principle that independence in the investment decision-making process is paramount.

We provide a copy of the Code to any client or prospective client upon request to their Advisory Representative.

In limited circumstances, and in compliance with the Investment Adviser’s Act of 1940, Section 206(3) and the Rules hereunder (collectively, the “Act”), we may perform principal or agency cross transactions as such activities are described in the Act.

Individuals who are covered by our Code (“Access People”) may buy or sell securities identical to those recommended to you for their personal accounts. In addition, any of our Related Person(s) may have an interest or position in securities which may also be recommended to you.

Client Referrals and Other Compensation

As Program Sponsor, we receive a portion of the Account Fee as described in Item 4 above and as disclosed in our Revenue Sharing Disclosure below. For further details on compensation and other economic benefits that your Advisor may receive, please see their ADV Part 2A.

Revenue Sharing Disclosure

Regarding the Wealth Management Platform – Model Portfolios Program (“Program”), we maintain revenue sharing arrangements with ICON Advisors, Inc. and LWI Financial Inc. (collectively, “Program Managers”).

Program Managers will pay us up to .35% (35 basis points) per year of the assets under management held in the Program with mutual fund asset allocation models provided by Program Managers.

Our affiliates maintain further arrangements pertaining to revenue sharing and/or the payout of 12b-1 fees with SunAmerica Asset Management Company, Russell Investment Management Company and Morningstar Associates, LLC. For further details please see our affiliate websites (www.royalalliance.com; www.sagepointfinancial.com; www.joinfsc.com).

Advisor does not receive additional compensation from us in connection with the placement of assets with Program Managers, however because of these revenue sharing arrangements, Advisor may prefer recommending asset allocation models of Program Managers over other investment models or products whose Sponsors do not maintain revenue sharing arrangements with us. You should feel free to ask your Advisor how it will be compensated for any transaction.

This information was updated on November 1, 2010. We will update information regarding revenue sharing arrangements as necessary and contact clients as required.
