### **PERSONAL LEGAL DISCLOSURES**

**Anton Nijmeh** does not have any personal legal disclosure events material to a Client's evaluation of his past or potential business performance or to the evaluation of his character.

### **Item 4 – Other Business Activities**

**Anton Nijmeh** is a registered representative affiliated with DFPG Investments' broker-dealer division. A conflict of interest could arise in that transactions which may occur at a broker-dealer are generally commission-based, which is not aligned with DFPG Investments investment advisor divisions' traditional methodology of charging fees based only on assets under management.

Mr. Nijmeh will only earn commission based compensation when performing registered representative functions that are unique and exclusive from his activities with DFPG Investments investment advisor division. It is against the policy of DFPG Investments for a representative to earn both an advisory fee and a commission for the same security with the same Client.

It should be noted that some mutual fund assets deposited in the account may be subject to deferred sales charges and 12(b)-1 fees, and other mutual fund annual expenses as described in each fund's prospectus. DFPG or the custodian may receive distribution or service ("trail") fees from the sale of certain mutual funds (including money market funds) pursuant to a 12(b)-1 distribution plan or other such plan as compensation for distribution or administrative services and are distributed from the fund's total assets. This may present a conflict of interest; however, it is DFPG's policy to discourage its IARs, whenever possible, from transacting in mutual fund share classes that contain these fees. IARs may also recommend mutual funds and exchange traded funds (ETFs) which also charge their own internal management fees, which are disclosed in the fund's prospectus.

Mr. Nijmeh also provides various insurance services. We do not believe that these business activities present any significant conflict of interest in regards to the advisory services that Mr. Nijmeh provides to Clients or prospective Clients of DFPG Investments.

### Item 5 – Additional Compensation

**Anton Nijmeh** does not receive any economic benefit for providing advisory services other than the contractually agreed-upon advisory fees which are paid to him by the Clients of DFPG Investments. It should be noted, however, that Mr. Nijmeh may receive economic benefits such as business dinners, compensation for education meetings, and may be invited to participate in annual golf tournaments hosted by insurance companies. We believe that the benefit realized is negligible and it does not present a significant conflict of interest.

### Item 6 – Supervision

Oversight of **Anton Nijmeh's** investment advisor activities is performed by Mr. Ryan O. Smith. He can be reached at 801.838.9999.

In addition to the review of ongoing transactions by Mr. Smith, a third-party compliance consulting firm may also be utilized to perform certain internal reviews and inspections of various investment advisor representative work-product and communications.
