Item 2 - Material Changes

On July 28, 2010, the United States Securities and Exchange Commission (“SEC”) adopted amendments to Form ADV and the rules concerning delivery of brochures to clients of registered investment advisers. This Brochure, dated December 31, 2016 is an amended document to the initial document dated February 16, 2011 as according to the SEC’s new requirements and rules. As such, this amended document contains materially new information that our initial brochure, dated February 16, 2011, did not include.

Update – 4/1/2016

While TCG Financial Services, LLC initial business plan focused on diversifying our investment client’s funds into multiple FDIC insured banks (Certificates of Deposits & Money Market accounts) in amounts not to exceed the maximum FDIC insurance per bank thus guaranteeing large institutional investors the FDIC insurance, in 2014 the company’s business plan focus expanded to include the formation of a family of U.S. Money Market Funds by creating ten (10) individual Trusts each having one (1) Fund each with five (5) separate classes. In 2015, the Investment Advisor of each Trust, TCG Financial Services relinquished its Management Services Agreement to Catalyst Capital Advisors LLC and therefore is no longer the investment advisor of the TCG Funds.

In the future, this Item will discuss material changes, if any, made to this Brochure as part of our annual update.

A summary of any materials changes to this and subsequent Brochures will be provided to you within 120 days of the close of our business’ fiscal year. We may also provide you with additional updates or other disclosure information at other times during the year in the event of any material changes to our business.
