ITEM 4 – ADVISORY BUSINESS

Item 4.A	<p>Describe your advisory firm, including how long you have been in business. Identify your principal owner(s).</p> <p>Legacy Venture, which was incorporated in Delaware in February 2000, provides discretionary investment advisory services for private investment funds (the “Funds”). Each of the Funds is a philanthropic fund-of-funds that primarily makes investments in venture capital firms that in turn invest in growth companies. Each of the Funds may also make direct venture capital investments in operating companies at the sole discretion of Legacy Venture (subject to certain limitations as described in the private placement memorandums of each of the Funds). All investors in the Funds (“Investors”) are provided with a PPM and are urged to carefully review it.</p> <p>The Funds are:</p> <ol style="list-style-type: none"> (1) Legacy I, LLC (“Legacy I”) a Delaware limited liability company; (2) Legacy Venture II, LLC (“Legacy II”) a Delaware limited liability company; (3) Legacy Venture III, LLC (“Legacy III”) a Delaware limited liability company; (4) Legacy Venture IV, LLC (“Legacy IV”) a Delaware limited liability company; (5) Legacy Venture V, LLC (“Legacy V”) a Delaware limited liability company; (6) Legacy Venture V (QP) LLC (“Legacy V (QP)”) a Delaware limited liability company that was formed to invest on a parallel basis with and on substantially identical terms (excluding investment size) as Legacy V; (7) Legacy Venture VI, LLC (“Legacy VI”) a Delaware limited liability company; (8) Legacy Venture VI (QP) LLC (“Legacy VI (QP)”) a Delaware limited liability company that was formed to invest on a parallel basis with and on substantially identical terms (excluding investment size) as Legacy VI; and (9) Legacy Venture VII, LLC (“Legacy VII”) a Delaware limited liability company. (10) Legacy Venture VIII, LLC (“Legacy VIII”) a Delaware limited liability company. <p>Each of Legacy I, Legacy II, Legacy III, Legacy IV, Legacy V, Legacy V (QP), Legacy VI, Legacy VI (QP), Legacy VII and Legacy VIII (each such Fund an “Advisory Client” and together the “Advisory Clients”) have held initial and, in some cases, subsequent closings. Each of the Funds, (except Legacy VIII, which was raised in 2016, have completed their respective investment periods, the two to three year period during which investment opportunities are identified and acted upon. The Funds are now in varying stages of the “harvesting phase,” the period during which capital is called, distributions are made and investments are eventually exited. The Funds have limited terms, at the conclusion of which final distributions will be paid to investors. As indicated above, the only Fund currently in the investment period is Legacy VIII.</p>
----------	--

	<p>Russell B. Hall, Alan W. Marty, and Ben Choi (the “Managing Members”) are the principal owners of Legacy Venture, each owning 33.33 percent of the Firm.</p> <p>It should be noted that Legacy Venture has full and exclusive management authority over all investments, asset dispositions, distributions, and other affairs of the Funds.</p>
Item 4.B	<p>Describe the types of advisory services you offer. If you hold yourself out as specializing in a particular type of advisory service, such as financial planning, quantitative analysis, or market timing, explain the nature of that service in greater detail. If you provide investment advice only with respect to limited types of investments, explain the type of investment advice you offer, and disclose that your advice is limited to those types of investments.</p> <p>Legacy Venture is the investment advisor to the Funds each of which is a philanthropic “fund-of-funds” that invests in a select group of venture capital firms that in turn invest in promising start-up companies. The Funds seek to provide a diversified portfolio of investments in venture capital firms.</p> <p>Legacy Venture expects that the Funds will invest in a portfolio of primarily information technology and life science venture capital firms. Given Legacy Venture’s desire to provide a balanced diversified portfolio, it is expected that a portion of the commitments will include international and late-stage venture capital firms. Through the investments in venture capital firms, each Fund expects to invest in hundreds of companies, and seeks to achieve broad diversification.</p> <p>In connection with its philanthropic goals, Legacy Venture requires Investors to have a stated intent to donate distributions to charitable causes of their individual choice. Each individual Investor will be expected to donate all stock and cash proceeds distributed from the Funds, including the original investment, for charitable purposes. Individuals, foundations, and non-profit organization with well-established track records in philanthropy are encouraged to collaborate with and inspire other Investors towards more effective involvement in charitable activities. Any pledge of individual Investors to participate and to donate received distributions will be non-binding.</p>

Item 4.C	<p>Explain whether (and, if so, how) you tailor your advisory services to the individual needs of <i>clients</i>. Explain whether <i>clients</i> may impose restrictions on investing in certain securities or types of securities.</p> <p>Legacy Venture does not tailor its advisory services to the individual needs of Investors and Investors may not impose restrictions on investing in certain securities or types of securities.</p> <p>Each Fund’s Private Placement Memorandum (“PPM”) sets forth such Fund’s investment strategy, including guidelines regarding the types of securities the Fund will invest in and portfolio limits.</p>
Item 4.D	<p>If you participate in <i>wrap fee programs</i> by providing portfolio management services, (1) describe the differences, if any, between how you manage wrap fee accounts and how you manage other accounts, and (2) explain that you receive a portion of the wrap fee for your services.</p> <p>Legacy Venture does not participate in wrap fee programs.</p>
Item 4.E	<p>If you manage <i>client</i> assets, disclose the amount of <i>client</i> assets you manage on a <i>discretionary basis</i> and the amount of <i>client</i> assets you manage on a <i>non-discretionary basis</i>. Disclose the date “as of” which you calculated the amounts.</p> <p>As of December 31, 2015, Legacy Venture manages \$1,657,530,230¹ of assets on a discretionary basis. Legacy Venture does not manage any assets on a non-discretionary basis.</p>

¹ Please note this calculation is as of December 31, 2015 for all funds apart from Legacy VIII, whose assets are as of March 17, 2016.

For each such Fund the management fee will commence as of the initial capital contribution to each Fund. With regards to such Funds, after each Fund has collected a management fee for 10 years, the maximum possible management fee will be reduced by 50% and will be subject to potential further reduction as described in each Fund’s operating agreement. • Legacy VI, Legacy VI (QP), Legacy VII and Legacy VIII will charge an annual management fee of no more than 0.85% of capital commitments. <p>Investors and prospective Investors were provided with offering documents with respect to their investments. Item 5.E.4	<p>If you charge advisory fees in addition to commissions or markups, disclose whether you reduce your advisory fees to offset the commissions or markups.</p> <p>Not applicable to Legacy Venture.</p>

ITEM 6 - PERFORMANCE-BASED FEES AND SIDE-BY-SIDE MANAGEMENT

If you or any of your *supervised persons* accepts *performance-based fees* – that is, fees based on a share of capital gains on or capital appreciation of the assets of a *client* (such as a *client* that is a hedge fund or other pooled investment vehicle) – disclose this fact. If you or any of your *supervised persons* manage both accounts that are charged a *performance-based fee* and accounts that are charged another type of fee, such as an hourly or flat fee or an asset-based fee, disclose this fact. Explain the conflicts of interest that you or your *supervised persons* face by managing these accounts at the same time, including that you or your *supervised persons* have an incentive to favor accounts for which you or your *supervised persons* receive a *performance-based fee*, and describe generally how you address these conflicts.

Neither Legacy Venture nor its supervised persons receive performance-based fees.

ITEM 7 – TYPES OF CLIENTS

ITEM 8 – METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

Item 8.A	<p>Describe the methods of analysis and investment strategies you use in formulating investment advice or managing assets. Explain that investing in securities involves risk of loss that <i>clients</i> should be prepared to bear.</p> <p>As described in Item 4.B., above, Legacy Venture’s principal strategy involves investing in a diversified portfolio of venture capital firms.</p> <p>The Funds do not intend to actively pursue direct investments, but each Fund may, on a limited basis, make direct investments in certain opportunistic cases. The Funds only directly invest if the Managing Members know the management teams or market opportunities well, the economics are compelling for the Funds’ investors, and Legacy Venture determines that the direct investment would not materially detract from the management of or access to the other investments in venture capital firms. Such investments are limited by each Fund’s PPM and operating agreement.</p> <p>Legacy Venture looks at many characteristics of a venture capital firm to determine suitability as an investment vehicle: experience, partners, deal flow, investment process, strategy, competitive advantage, performance, location, terms, size of fund, and the markets being pursued. There can be no assurance that the Funds' targeted rate of return will be achieved or that there will be any return of capital. The environment for venture capital investments is increasingly competitive and an Investor should only invest in the Funds if the Investor can withstand the liquidity constraints of an investment in the Fund and a total loss of its investment.</p> <p>No guarantee or representation is made that the Funds' investment program will be successful.</p> <p>It is critical that Investors refer to the relevant offering document for a complete understanding of the material risks involved in an investment in the Funds. ITEM 10 – OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS

Item 10.A	<p>If you or any of your <i>management persons</i> are registered, or have an application pending to register, as a broker-dealer or a registered representative of a broker-dealer, disclose this fact.</p> <p>Not applicable to Legacy Venture.</p>
Item 10.B	<p>If you or any of your <i>management persons</i> are registered, or have an application pending to register, as a futures commission merchant, commodity pool operator, a commodity trading advisor, or an associated person of the foregoing entities, disclose this fact.</p> <p>Not applicable to Legacy Venture.</p>

	<p>As stated in 4.B. above, Legacy Venture is the investment advisor to the Funds each of which is a “fund-of-funds” that invests in a select group of venture capital firms. In certain cases the principals of such underlying venture capital firms may invest directly in Legacy Venture.</p> <p>Legacy Venture manages this potential conflict of interest in several ways. First Legacy Venture does not charge any performance based fees. Therefore the performance of the underlying venture capital firms does not impact the fees received by Legacy Venture. Second, as discussed in 5.A. above, Legacy Venture charges a “budget based” management fee which is based on the actual budgetary requirements of Legacy Venture. As such, Legacy Venture often charges management fees that are well below the maximums prescribed for the Funds. Finally, as described in item 4.B., in connection with its philanthropic goals, Legacy Venture requires Investors to have a stated intent to donate distributions to charitable causes of the Investors’ choice. Any principal of an underlying venture firm invested in the Funds has a stated intent to donate all distributions from Legacy Venture, thus minimizing any potential conflict of interest.</p>

The Code applies to Legacy Venture’s “Access Persons.” All Legacy Venture employees and certain other individuals are deemed to be Access Persons.</p> <p>The Code sets forth a standard of business conduct that takes into account Legacy Venture’s status as a fiduciary and requires Access Persons to place the interests of Advisory Clients and Investors above their own interests and the interests of Legacy Venture. The Code requires Access Persons to comply with applicable federal securities laws. Further, Access Persons are required to promptly bring violations of the Code to the attention of the Chief Compliance Officer. All Access Persons are provided with a copy of the Code and are required to acknowledge receipt of the Code upon hire and on at least an annual basis thereafter.</p> <p>The Code also sets forth certain reporting and pre-clearance requirements with respect to personal trading by Access Persons. Access Persons must provide Legacy Venture’s Chief Compliance Officer with a list of their personal accounts and an initial holdings report within 10 days of becoming an Access Person. The Code requires Access Persons to place the interests of the Funds and Investors over their own or those of Legacy Venture, and all Access Persons are required to acknowledge their receipt and understanding of the Code.</p> <p>Further, Legacy Venture receives a management fee which is payable without regard to the overall success or income earned by the Funds and therefore may create an incentive on the part of Legacy Venture to raise or otherwise increase assets under management to a higher level than would be the case if Legacy Venture was receiving a lower or no management fee.</p>
Item 11.C	<p>If you or a <i>related person</i> invests in the same securities (or related securities, e.g., warrants, options or futures) that you or a <i>related person</i> recommends to <i>clients</i>, describe your practice and discuss the conflicts of interest this presents and generally how you address the conflicts that arise in connection with personal trading.</p> <p>Legacy Venture and its employees may make recommendations to buy or sell securities or establish investment positions in which the Legacy Venture and/or its employees have some financial interest.</p> <p>Legacy Venture seeks to manage the potential conflicts of interest inherent in Access Person personal trading by rigorous enforcement of its Code, which contains strict pre-clearance and reporting guidelines for Access Persons. Legacy Venture is deemed to have custody of the Advisory Clients' assets pursuant to Advisers Act Rule 206(4)-2. To ensure compliance with Rule 206(4)-2 under the Advisers Act, Legacy Venture provides audited financial statements to Investors within 180 days of the end of the relevant Fund's fiscal year (i.e., generally by June 30). Such audited financial statements will be produced by an independent public accountant registered with, and subject to regular inspection by, the Public Company Accounting Oversight Board ("PCAOB").

As Legacy Venture's investment program exclusively involves investments in private companies Legacy Venture generally will be exempt from the requirement that securities be maintained with a "qualified custodian." Legacy Venture anticipates that its investments in private companies will involve securities that are (i) acquired from the issuer in a transaction or chain of transactions not involving any public offering; (ii) uncertificated to the extent ownership thereof is recorded only on the books of the issuer or its transfer agent in the name of the client; and (iii) transferable only with prior consent of the issuer or holders of the outstanding securities of the issuer.
