Roger Sexter is a licensed insurance agent and/or broker. While our portfolio management services do not typically include advice about insurance, Mr. Sample, in his capacity as an insurance agent or broker, may recommend the purchase of insurance products to minimize your exposure to identified risks. You are under no obligation to purchase insurance products recommended by Mr. Sexter. Mr. Sexter will receive commissions from insurance you purchase.

In his separate capacity as a Registered Representative of Securities America, Inc., Mr. Sexter may recommend securities or insurance products offered by them, and may receive the normal commissions if products are purchased through him. Clients are under no obligation to purchase products recommended by Mr. Sexter in his capacity as a Registered Representative of Securities America, Inc. or to purchase products through them.

Neither USAdvisors Wealth Management nor Mr. Sexter share in any commissions, 12b-1 fees or other compensation generated from the purchase or sale of securities in investment management accounts.

#### **Item 5. Additional Compensation**

In his separate capacity as a Registered Representative and/or an insurance agent or broker, Mr. Sample is eligible to receive incentive awards (including prizes such as trips or bonuses) for recommending certain types of insurance policies or other investment products that he may recommend.

While we endeavor at all times to put the interest of our clients first as part of our fiduciary duty, the possibility of receiving incentive awards creates a conflict of interest, and may affect his judgment when making recommendations.

The Investment Committee will review periodic testing to ensure that client objectives and mandates are being met.
