Item 6 - Supervision

All new accounts are reviewed by the investment advisor representative and designated branch manager or other supervisor before the account is accepted. Client's financial statuses, risk tolerance, level of investment experience, as well as suitability of the specific program are among the numerous factors considered in the initial review. Additionally, the investment advisor representative assigned to the account is required to review the client's account and financial circumstances periodically, but not less than annually, to determine the continued suitability of the program and investments.

A comprehensive analytical report is furnished to each client quarterly. This report includes portfolio holdings with quarter-ending market values, cost basis, acquisition dates, realized and unrealized gains & losses, projected annual income & yield of each holding, and portfolio performance. In addition, client receives a confirmation for each security purchase and sale and a monthly brokerage statement for each month in which there is activity, but no less frequently than quarterly.

Scott Werling is the supervisor and a registered principal with Meyers Associates, LP and Ariston Wealth Management L.P.. Mr. Werling may be reached directly at 646.442.0655 or by mail 233 S. Wacker Drive, 84th Floor, Chicago, IL 60606.
