## **ITEM 2: EDUCATIONAL BACKGROUND AND BUSINESS<sup>1</sup>**

***Name: Atif Malik***

***Title: Senior Research and Investment Analyst, Corporate High Yield***

***Date of Birth: 13/09/1976***

Atif Malik is a Senior Credit Analyst with 10 years' experience in corporate fundamental analysis and 5 years specific to credit and relative value. Prior to joining Chenavari, Atif was a Senior High Yield and Leverage Loan Analyst at BlackRock, where he was responsible for setting up its Leverage Finance operation in London in 2007, and part of the multi-award winning credit team. Based off the group's top-down and sector strategies, Atif employed a generalist approach in opportunistically identifying relevant trade ideas (basis, cap structure, carry, curve, directional, event-driven, pair and switch trades using bonds, loans, CDS, LCDS and indices) for various funds. Previously, he was a Senior Analyst in BlackRock's London Investment Grade team with responsibility across Heavy and Basic industries, and was a top performer in the analyst-run model portfolio. From 2002 to 2003, he was a senior auditor for Abu Dhabi Investment Authority in Abu Dhabi. Atif began his career in 1998 with PricewaterhouseCoopers, gaining 4 years' experience in audit, corporate finance, and management consulting globally. Atif holds a Bachelor of Accounting & Finance from University of Glasgow (1st Class Honours) and is a Chartered Accountant.
