### *Individuals Who Determine General Investment Advice*

AFA has hired Financial Engines Advisors L.L.C. (FEA) to provide sub-advisory services. AFA is a federally registered investment advisor and wholly-owned subsidiary of Hewitt Associates LLC. FEA, a federally registered investment advisor and wholly-owned subsidiary of Financial Engines, Inc., is an independent company that is not affiliated with Hewitt Associates LLC or AFA. The Investment Committee at FEA has responsibility for the oversight of advisory and investment management services, including the application of Financial Engines' proprietary investment methodology that generates its advice recommendations and portfolio management. The Investment Committee meets regularly (typically weekly) to review and approve methodology and parameter updates, investment policies, new service and client communications designs, and ongoing monitoring of portfolio allocations. The Investment Committee is comprised exclusively of Financial Engines employees with a broad range of experience and expertise. Most members of the Investment Committee have long tenure with Financial Engines and the majority has been integrally involved in the development of the advisory platform for many years.
